COUNCIL PRESIDENT ISTNICK – Thank you, Madam Clerk. Ord. Nos. 4, 5 and 6 have been removed from being tabled and moved to third reading of ordinances for this evening. Anyone else have anything? I do. Diane called me last week and told me that the mask restrictions for the City have been lifted and she wanted to know if we were going to cancel our contract with Webex and I said, I know it's my decision but we're going to run this pass Council. Does anyone find a need to continue to going, since masks are not required and everybody that wants to come can come in? Does anyone have a comment on that? Okay, we will go ahead and cancel our contract with them; and secondly, she asked about the partitions. I guess, my feeling is that if they can keep us from getting colds and other things from other people, I don't have a problem with them. But I want to throw it out to you guys. Do you guys want them gone? I see a yes, I see a yes.

COUNCILMAN SNEE – If I may, I just notice that every now and then when people come by, they bump into them and kind of knock them over from time to time. So, that presents a problem. So, personally, with all due respect, I would like them down.

COUNCIL PRESIDENT ISTNICK – Anyone else? Councilman Gregg.

COUNCILMAN GREGG – I would be comfortable with not having them.

COUNCIL PRESIDENT ISTNICK – Councilman Thieret.

COUNCILMAN THIERET – It would be nice to have more space. It's not going to cost anything to take them down is it?

COUNCIL PRESIDENT ISTNICK – No. Diane said she can take them down very easily.

COUNCIL CLERK ROLLAND – And I also want to say that if we ever have to put them back up, they can be put back up very easily.

COUNCIL PRESIDENT ISTNICK – Okay, Diane. Knock yourself out.

COUNCIL CLERK ROLLAND – Okay.

COUNCIL PRESIDENT ISTNICK – Anyone else?
