MONTHLY REPORT: May 2022

To: Samantha Walters-Community Development Director

From: Anna Jordan-Community Development and Housing Assistant

- **Housing:** A full rehab project has been completed, lead inspection done, and contractor received final payment. Work specifications have been requested for a Massillon home owner applying for a Full rehabilitation. A contractor has been awarded the completion of RRS items for a recent buyer that used our Down payment assistance program. Pre-construction meeting scheduled for next week. We currently have one approved applicant for our home buyer program, buyer should be closing soon. We continue to receive calls regarding down payment assistance program. We have updated and continued contact with RPC regarding projects. The project waiting list has been continually updated, as well as the housing financial ledger.
- **Fair Housing:** For the month of May I received 28 fair housing and tenant/landlord calls. A lot of calls continue to come in for residents looking for rental property, we supply resources/contacts when we receive these calls. Many tenants called complaining about lack of repairs. Code enforcement assists with repair calls. We also provide information to tenants on steps to take to escrow rent if necessary. We have a Fair housing meeting that was re-scheduled coming up. We hope to finalize some plans regarding a housing luncheon.
- **Community Development:** We continue to prepare for the 2022 program year. A pre-construction meeting was held for a homeowner using our repair program to update unsafe and non-working electric in half her home. An application was not income approved for a home owner that needs roof repair. An application was sent to another homeowner requesting emergency repair on her roof. IDIS and department spread sheets are being updated. Matthew G. Heck, Fire Chief

Fire Department | 233 Erie Street South, Massillon, OH 44646 | 330.833.1053

On the 11th of the month, I attended the virtual staff meeting.

On the 23rd of the month, Capt. Ganoë, EMS Coordinator Paul Markwood, and I met virtually with ESO representatives to continue our onboarding process as we move the Fire Department's electronic reporting over to ESO in conjunction with our change in medical directors.

On the 25th of the month, I attended the Dispatch Fire Operations meeting at Jackson Township Safety Center.

On the 30th of the month, I attended the Memorial Day events at Duncan Plaza. Assistant Chief Pat Rhodes accepted the firefighter's wreath.

On the 31st of the month, I attended the Hazmat Executive Board meeting at the Hazmat Building in Canton.

Much of the month was spent preparing and implementing IT changes in preparation for new dispatch applications and ESO reporting software. This effort included upgrading hardware in the stations and on apparatus, member orientation and training, and collaborative tasks with Dispatch. The dispatch applications enable responding units to receive more incident information in a real-time manner providing better initial on-scene decision making capability. The ESO reporting software should provide a more user-friendly platform to input reports while providing better data we can use for strategic planning.

Respectfully submitted,

Matthew Heck
