

Health Department

Terri Argent, Health Commissioner

111 Tremont Avenue SW, Massillon, OH 44647

www.massillonohio.gov/public-safety/health-department

Health Commissioner (330) 830-1712

Date: January 27, 2021

The Massillon City Health Department will now be accepting online registrations for the COVID-19 vaccine wait list. You can find the wait list registration information at:

<https://massillonohio.gov/covid-19-vaccine-wait-list/>

Please note:

- At this time, only Massillon City residents age 75 and older are able to register their information to be added to the wait list for a COVID-19 vaccination.
- It may take several weeks before you receive a phone call to schedule an appointment. Please do not call the Massillon City Health Department to inquire about your position on the wait list.
- You must be a resident of Massillon City to be added to the wait list. Having a Massillon zip code or phone number does not necessarily mean you live in Massillon. Residency is determined by your physical location, and if you live in one of the townships you are not a resident of Massillon.
- Wait list registrations made for persons with addresses outside of the City of Massillon will be contacted to reschedule with the health department whose jurisdiction they reside in.
- If you have already called the Massillon City Health Department to be added to the wait list, please do not submit another request. This will delay the process for everyone.
- If you are under the age of 75 you will not be put on the wait list, and your email will be discarded.
- You must have proof of age and residency at time of appointment, or you may not be serviced.
