Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The enclosed City of Massillon One Year Action Plan is a summary of the City of Massillon CDBG and HOME funding programs for the coming year. The City of Massillon Community Development Department is responsible for the planning, administration and execution of CDBG activities under this Action Plan. In addition, Massillon is a member in the Stark County HOME Consortium and the lead is Stark County Regional Planning Commission (the HOME PJ) in the administration and management of HOME funded activities which are conducted in Massillon. The City of Massillon is a member of the Consortium as is the City of Alliance.

This Action Plan for both fundings – the City of Massillon CDBG funds and the Stark County Consortium HOME funds – are in the second year of a five year Consolidated Plan. The Consolidated Plan for Massillon’s CDBG funds was created by City staff in partnership with Placemark Collaborative consulting firm. The Consolidated Plan for the Stark County Consortium HOME program was developed by the Stark County Regional Planning Commission (SCRPC) staff as the lead agency with assistance from the City of Alliance and Massillon staffs.

The City of Massillon's housing and community development strategy includes an assessment of the City's housing and homeless needs, public facilities, infrastructure improvements, public services, accessibility, historic preservation, economic development, and planning needs. The City's strategy was developed through a two-pronged approach. First, a city-wide planning approach, with citizen participation effort that solicited proposals from local groups and citizens and then work with the City Council in the development of its Non-Housing Community Development Needs. Second, the HOME strategy was a County-wide regional planning approach, in which the City worked with Alliance and Stark County in the study and analysis of housing needs, goals, and objectives on an area-wide basis. Other local agencies and service providers were contacted and participated in this process.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

In preparing the City of Massillon's One-Year Action Plan, the City addressed those needs that met one of the three statutory objectives of the CDBG program: benefit low and moderate income persons, elimination of slum and blighting conditions, or an urgent community development need. And the Action Plan further targeted specific goals which were raised and identified during the creation of the Five Year Consolidated Plan. Specific goals, objectives and outcomes include: local support for housing rehabilitation, targeted street improvements in low and moderate income neighborhoods, local support to personnel to enforcing local code requirements in low and moderate income neighborhoods, and provide public services for low -moderate income persons.

The HOME funding has specific goals of preservation of affordable housing; funding to improvements for storm sewers; targeted public services for low- and moderate-income persons; rental assistance to increase affordability to low- and moderate-income persons and funding for housing rehab and down payment assistance.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The Consolidated Annual Performance Report (CAPER) for the last several years has shown the City of Massillon has a long history of successful management of CDBG funds, as well as of project & sub recipient management that meet the CDBG objectives and outcomes in the Massillon community. Efforts to increase the number of low and moderate-income homeowners have been successful with programs that provide homeowner rehabilitation and repair, and down payment assistance to first-time homebuyers. Activities to assist the homeless have once again exceeded their goals. Code Enforcement activities, specifically in our low-to-moderate income target area, have made lasting impacts on the neighborhoods by reducing slum and blight and working with property owners to correct violations found. The processes and systems that are in place have been set up over many years of experienced staff management. Most of the projects that have been selected and are proposed here in this Plan are very similar to those of the past years. The staff does use HUD based IDIS reporting to monitor and manage the ongoing efforts of the City program.

In the HOME funding program the Stark County Consortium has a record of excellence helped by the very experienced staff at the Stark County Regional Planning Commission. Project areas that have been

selected for the HOME Consortium Plan include housing rehabilitation for low- and moderate-income households, provision of emergency housing rehabilitation for Massillon as well as provisions outside of Massillon by the Consortium for fair housing counseling, affordable housing through rehabilitation of existing homes.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The Massillon citizen participation process followed the documented City of Massillon Citizen Participation Plan. Citizens were given multiple opportunities through the planning process to provide input on activities undertaken for the 2020 Annual Action Plan. An application workshop was held on November 17, 2019 to provide information to agencies interested in applying for funding under the Public Services allocation of the grant. The Workshop notice was published in Massillon's sole local paper - the Massillon Independent on 10/26/2019. An invitation was displayed in the City of Massillon offices, on the City's website, and invitations were also mailed to nonprofit agencies that have applied for funding in the past or who expressed any interest in applying. Staff members provided assistance by phone and email to answer any questions and help agencies in completing their applications. As a result of increased outreach efforts we received more applications for funding than the past several years. The applications were due on January 17, 2020. The plan was developed based on applications presented by the Community Development staff. This plan was published in the Massillon Independent, posted at the Massillon Public Library, posted on the City's website, and posted at the City's Public Office Buildings. Notification of Public Hearing #1 was published in the Massillon Independent on February 28, 2020. The first Public Hearing was held on March 16, 2020. Notification of the Public Comment Period was published on March 16, 2020. This 30 day comment period was open from March 17th through April 16th, 2020. Notification of a second Public Hearing was ran in the Massillon Independent on April 4th, 2020. This hearing took place on April 16th via teleconference due to the COVID-19 pandemic. Further, the proposed funding plan was presented to the City of Massillon council members on April 6th at their regularly scheduled meeting and the plan was approved by council on May 4, 2020 at their regularly scheduled meeting. All council meetings are open to the public and a public comment period is offered at each meeting. The Action Plan will be submitted to HUD by the May 15, 2020 deadline. Funding will be awarded for the period between July 1, 2020 and June 30, 2020.

The Citizens Participation Plan was updated in September of 2019 to include efforts to reach limited english proficient citizens. The City of Massillon will undertake reasonable actions to facilitate the participation of persons with Limited English Proficiency in the community development process. Such actions may include the provision of an interpreter and/or the provision of materials in the appropriate language or format for persons with Limited English Proficiency.

For the HOME funding program the application workshop was well advertised with public notices published in the three general circulation newspapers and invitations were sent to those agencies that have received funding in the past or who expressed interest in applying for funding. The one year funding program was presented at the same above mentioned public meeting and Regional Planning Commission meeting. The public hearing was held on March 5, 2020. Notices of this were mailed to all entities that submitted an application and a boxed ad was also published in the three primary Stark County newspapers. The programs were presented to the Board of Stark County Commissioners.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

The City of Massillon received no substantive comments during the 30 day public comment period, which ran from March 17th through April 16th, or at either of the Public Hearings.

6. Summary of comments or views not accepted and the reasons for not accepting them

The City of Massillon received no substantive comments; therefore, no comments were not accepted.

7. Summary

The 2020 Action Plan is the second year of the five-year Consolidated Plan period for both the City of Massillon CDBG funding and the HOME Consortium of Care funding. Throughout the plan, efforts to encourage public participation in the CDBG programs and plans are outlined in detail. Citizen involvement in Massillon did achieve increased invitations to potential nonprofits in the area and with a mission that fits the local needs in addition to the CDBG and HOME application workshops and public meetings and public hearings. Massillon staff met with various groups throughout the year where issues may be raised as they relate to areas of the Consolidated Plan, CDBG and HOME programs.

1. Introduction

The City of Massillon is committed to addressing the community's priority needs in the most efficient and effective way possible. The Community Development Department coordinates with other city departments, Stark Metropolitan Housing Authority (SMHA), and other key stakeholders and organizations in the community. Partnering with many different departments, agencies, and organizations allows us to utilize the collective knowledge of these local agencies to help develop strategies and goals to solve the city's priority needs.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The City of Massillon will meet with any group and applicant for funding. As this is the second year of the five-year Consolidated Plan, no significant additional consultations were held outside of the application processes and efforts to solicit funding requests. The RPC staff also meets with any entity as requested or the need arises to enhance coordination. The City of Massillon staff has met with the City of Canton and City of Alliance staff to discuss their HUD CDBG programming to learn about some of their practices and activities in an effort to learn and potentially discover new or better ideas and solutions to best help Massillon to meet HUD targets and guidelines.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Massillon is one of three participants in the Consortium of Care led by the Stark County Regional Planning Commission (SCRPC) also including the City of Alliance. The SCRPC is the Collaborative Applicant for the Continuum of Care (CoC) operating as the Homeless Continuum of Care of Stark County (HCCSC: OH-508). The City of Massillon helps support and assists the HCCSC. The HCCSC is a countywide effort and the SCRPC is heavily involved in all aspects of the CoC ranging from planning, writing of the CoC Application, policy-writing and serving on various CoC committees. The CoC Planner, a member of the SCRPC staff, provides most of the administrative duties for the CoC and serves as the liaison between all committees, sub-committees, focus groups and other relevant groups in the community relating to homelessness such as the Homeless Services Collaborative and the Veterans Task Force. The CoC Planner also monitors and provides assistance to CoC programs as well as assists committees in evaluating and ranking CoC funded programs.

The City of Massillon also provides nonprofit sub recipient funding to many local groups - the Family Living Center Homeless Shelter that is located in Massillon and provides local support and temporary housing to families and individuals that are experiencing homelessness. Further, the City of Massillon provides nonprofit sub recipient funding to the Salvation Army for partial support to a coordinator of homeless support and coordination in the City of Massillon.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Massillon does not receive any ESG funds. Stark County's only ESG recipient is the City of Canton The Homeless Continuum of Care of Stark County assists the City of Canton with the administration of these ESG funds. The HCCSC, of which SCRPC is intensely involved as indicated above, provides assistance to the ESG recipient through the System Performance and Planning Committee and the Recipient Evaluation and Review Committee which develop performance standards and evaluates outcomes for the whole system of care of the homeless which includes HCCSC and ESG funded programs. SCRPC is involved in discussions around funding and developing policies and procedures for HMIS through the SCRPC's Chief of Community Development and the CoC Planner serving on the Executive Committee and the HCCSC which whom these responsibilities lie.

Expected Resources

AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

Introduction

The City of Massillon is a direct entitlement community for the Community Development Block Grant (CDBG) Program. As such, Massillon receives an annual allocation of Federal funding from the U.S. Department of HUD for CDBG.

Massillon is also a member of the Stark County Consortium through which it receives funds from the HOME Investment Partnership (HOME) Program. The Consortium members are the Stark County Urban County and the cities of Alliance and Massillon. Information about the HOME Program and annual funding availability to the Consortium members is contained in the 2020 Annual Action Plan prepared by the Stark County Regional Planning Commission. Massillon has included its estimated its expected HOME program resources in the accompanying table.

Anticipated Resources

Program	Source of Funds	Uses of Funds	Expected Amount Available Year 1				Expected Amount Available Remainder of ConPlan \$	Narrative Description

The City of Massillon is forecasting that funding levels will remain relatively flat during the first year and the remaining years of the 5 Year Consolidation Plan. The City is projecting to receive a total \$3,192,205.00 of the 5 Year Plan which would be a yearly allocation of \$638,441.00

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City of Massillon strives to fund programs, such as the target area street improvement projects, that maximize other funding sources. These CDBG funds can be leveraged with local funds and state funds to maximize results. For the Stark HOME Consortium, HOME projects that are

funded as part of the LIHTC program offer matching funds. Additionally, large HOME funded projects with multiple funding sources involved provide match as well.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Massillon Parks & Recreation maintains parks and recreation facilities that may be maintained, repaired, or modernized in order to increase the livability and sustainability of particular neighborhoods.

Publicly owned land (roads, rights-of-way, sidewalks) may be improved above and below the surface to remedy infrastructure priorities and to improve public access, safety, and disability accessibility.

The City of Massillon may acquire property tax delinquent vacant parcels in order to increase the livability and sustainability of particular neighborhoods.

The Stark County Land Reutilization Corporation (Land Bank) may hold vacant parcels and/or vacant buildings in Massillon. Vacant parcels may be sold. Properties with buildings may be rehabilitated or demolished, after a case-by-case analysis, in order to improve the sustainability of housing in particular neighborhoods.

Discussion

As part of the CDBG and HOME application, applicants are required to identify match and leveraged funds. Points are awarded to those projects that accomplish this. The City of Massillon has a reasonable carry-over of CDBG funds. In the HOME program the City of Massillon is focused on committing and expending resources per HUD guidelines.

Funding Contingency Plan

In the event that there is:

A difference in the estimated and actual amount of carryover funds and/or program income from FY 2019 to FY 2020;

The budgets for activities identified in the FY 2020 Annual Action Plan will be increased/decreased proportionally in relation to the overall change in funding.

AP-35 Projects - 91.420, 91.220(d)

Introduction

Given the limited nature of resources, the city prioritizes the needs identified through the Consolidated Planning process to direct the allocation of funds in a manner that maximizes community impact. Under its FY 2020 Action Plan, Massillon will undertake a variety of projects designed to meet under-served housing needs and address affordable housing issues. The City will continue to operate its own housing rehabilitation program, offering deferred payment loans up to \$25,000 to low and moderate income homeowners for the repair and rehabilitation of their homes. The City will continue its emergency home repair program, providing up to \$7,500 to assist LMI homeowners with needed repairs to correct one emergency housing problems, such as electrical, heating, or plumbing. To bridge the gap between the Full Rehabilitation program and Emergency Repair Program, the City implemented a minor repair program several years ago. The Minor Repair Program allows for two or more items to be completed, with a maximum assistance limit of \$15,000. The City will also continue its down payment assistance program, providing HOME funds to assist low income homebuyers by paying a portion of down payment and closing costs.

The City utilizes CDBG funds for housing code enforcement in low income neighborhoods (Target Area). Code enforcement activities include initial housing unit inspections, reporting code violations to property owners, requiring repair of violations, and follow-up inspections to determine compliance with repair orders. CDBG funds will be used for code enforcement in Target Area where such enforcement, together with public or private improvements, or other services to be provided, may be expected to arrest the decline of such areas.

The City will utilize CDBG funding for neighborhood infrastructure improvements, including street paving in LMI neighborhoods (Target Area). Activities such as housing rehabilitation, homebuyer assistance, code enforcement, and public facility and infrastructure improvements can all work together to help revitalize designated Target Areas in the City of Massillon.

The City will continue to work with Massillon Main Street in undertaking an exterior renovation/facade improvement program for downtown commercial buildings.

Utilizing the 15% grant allowance for public service activities, the City will provide funding to the following agencies:

Habitat for Humanity of Northeast Ohio for its Hope ReStored program. The Hope ReStored program provides household furnishing vouchers to low-to-moderate income families in need of beds, dressers, etc. These vouchers will be distributed through local non-profit partners.

CDBG funding will be provided to CommQuest to assist in the operation of the Family Living Center, which provides shelter and supportive services to families and single women. The City will also provide

CDBG funding to the Domestic Violence Project for its Western Stark Emergency Housing Program to provide short-term emergency housing and supportive services for victims of domestic violence and families in Massillon. The Salvation Army of Massillon will once again receive funding it's for housing outreach and emergency housing assistance program. The City will also provide funding to Stark Mental Health and Addiction Recovery for their county wide homeless hotline management.

The City will also utilize CDBG funds for a variety of public service programs designed to meet the needs of low income persons in the community. Low income youth needs will be served by Boys and Girls Club of Massillon Be Great: Graduate Program, Canton Ex-Newsboys, Make-A-Way, Stark Fresh, and the YMCA of Western Stark County.

Elderly and handicapped needs will be served by Westark Family Services Elderly Homemaker Program, Vantage Aging/Meals on Wheels and the Faith in Action Elderly Caregiver Program.

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

CDBG and HOME funded applications are awarded on a competitive basis. Under the City of Massillon CDBG program the City works under Annual Action Plans which are collected and assembled each Spring and are integrated into our Five Year Consolidated Plan which covers the Program Years 2019 to 2023. CDBG applications were reviewed by the staff for eligibility and their plan. Applications were then reviewed and scored to determine the proposed funding. AP-85 Other Actions - 91.420, 91.220(k)

Introduction

This section is to describe the City of Massillon's proposed FY 2020 Action Plan activities that will address other HUD and CDBG goals, needs, and activities that have not been previously addressed in this Action Plan, conforming to the National Objectives: Benefit Low and Moderate Income Persons or Households; and Elimination of Slums and Blight.

Actions planned to address obstacles to meeting underserved needs

The City of Massillon has many activities and projects planned for the upcoming period that will address underserved needs. However, there are obstacles to many of our goals and objectives. There is a persistent and consistent concern with adequate funding. Although the City of Massillon received a 4.4% increase in FY2020 funding, there has been an overall decrease in CDBG funding over the past decade. The City is finding it more and more difficult to secure the resources needed to meet all underserved needs in the community. Every year the City will continue to work with local foundations and other funding sources in addressing these efforts. The City is constantly working with State and Local bodies to maximize their funding to improve the leveraging of funds.

Actions planned to foster and maintain affordable housing

Emergency and Minor Home Repair Program - The City will utilize CDBG funds to provide emergency home repair for low income homeowners to complete repairs of housing problems needing immediate assistance. These programs both have maximum assistance limits of up to \$7,500 for the Emergency Program and \$9,500.00 for the Minor Repair Program. Eligibility requirements are the same as for the City's housing rehabilitation program.

Housing Objective: Provision of decent housing that is affordable by upgrading the existing housing stock through selective rehabilitation and redevelopment to meet the needs of existing low income homeowners.

Outcome: Undertake a total of 26 units of rehabilitation over the 1-year plan period.

Funding Source: CDBG Entitlement Funds - \$258,833.96

Homebuyer Assistance Program- The City of Massillon recognizes the need to promote homeownership in the community, which helps stabilize residential neighborhoods, as well as improve the economic well-being of families. For this reason, the City offers homebuyer assistance programs for low/moderate income households who wish to become homeowners, but who lack the resources to cover all initial costs, such as downpayment and closing costs.

The City will provide an eligible applicant up to 6 or 7%, depending on income level, of the total purchase price of a home to be used towards both downpayment and closing costs. Funds cannot exceed lender's criteria regarding third party contributions and some funds must come from purchaser's resources. Pre-paid expenses, such as insurance, taxes, interest and loan discount fees may not be paid through this assistance program. Housing rehabilitation assistance may also be provided, as needed and as available.

Homes must be inspected for compliance with the State of Ohio Residential Rehabilitation Standards (RSS). Financial assistance will be secured by a Promissory Note and a Mortgage and will be forgiven without repayment after five years provided the property continues to be in the name of and the principal residence of the applicant, and is not used as collateral for a subsequent loan. Applicants must participate in a credit counseling session as a condition of assistance being provided.

Housing Objective: Increase access to decent affordable housing by providing homeownership opportunities for low and moderate income households and for minority households.

Outcome: Provide homebuyer assistance to 5 LMI households during the 1-year plan period.

Funding Source: HOME funds from Stark Consortium - \$50,000.00

Target Area Code Enforcement - Under this activity, the City of Massillon will utilize CDBG funding to operate a housing code enforcement program within the City's identified target area neighborhoods - Census Tracts 7137, 7141, 7142, 7143.02 (BG 2), 7144 (BG 2), and 1750. The City code enforcement officers will inspect homeowner-occupied and rental dwelling units within these neighborhoods, report all code violations to the property owner, require mandatory rehabilitation and repair of these violations, and provide follow-up inspections to determine compliance with repair orders.

Housing Objective: Increase the availability of decent housing through enforcement of local housing codes. This project activity will help to preserve and improve the City's quality of affordable existing rental and owner-occupied housing for low income households and will help to improve living conditions within the City's identified LMI neighborhoods.

Outcome: 200 owner-occupied and rental units brought into City housing code compliance during the 1-year plan period.

Funding Source: CDBG Entitlement Funds - \$32,448.00

Actions planned to reduce lead-based paint hazards

Housing Rehabilitation Program - The City of Massillon, in an effort to upgrade its residential

neighborhoods, offers housing rehabilitation financial assistance to lower income homeowners. The City will utilize HOME funds from the Stark County Consortium to provide deferred payment loans, of up to \$25,000, to low income owner/occupants to make repairs and improvements to their dwellings to bring these units up to local code standards. This funding assistance is being provided to achieve the following rehabilitation objectives, in order of priority:

- 1) Eliminate the presence of lead-based paint hazards;
- 2) Bring the property into compliance with HUD Housing Quality Standards (HQS);
- 3) Make other repairs deemed by the City to be a housing problem threatening the health and/or safety of the owner-occupants;
- 4) Energy conservation purposes, such as installation of storm windows and doors; and
- 5) Cosmetic corrections to the interior and exterior of the dwelling.

To be eligible for assistance, the applicant must be the owner/occupant of the dwelling situated within the city limits of Massillon, and must maintain taxes and insurance on the property. Financial assistance will be secured by a Promissory Note and a Mortgage and will be forgiven without repayment after ten years provided the property continues to be in the name of and the principal residence of the applicant, and is not used as collateral for a subsequent loan.

Housing Objective: Provision of decent housing that is affordable by upgrading the existing housing stock through selective rehabilitation and redevelopment to meet the needs of existing low income homeowners.

Outcome: Undertake a total of 3 units of rehabilitation over the 1-year plan period.

Funding Source: HOME funds from Stark Consortium - \$78,009.00

In an effort to follow the Department of Housing & Urban Development's lead-based paint regulations, the City of Massillon, in conjunction with Stark County and the Stark County Regional Planning Commission, has adopted policies for dealing with lead-based paint in its housing programs. City Housing Department staff provides brochures regarding lead-based paint concerns to all housing rehabilitation participants and rehabilitation projects are tested for lead-based paint clearance to ensure compliance.

Actions planned to reduce the number of poverty-level families

The City of Massillon will continue to utilize federal resources to operate programs, such as rehabilitation assistance, which enable low and very low income households to remain in their homes

and to keep these dwellings in decent, safe, and sanitary condition, while also enabling these households to use their limited resources for other necessary living expenses, such as food and clothing. The City will also continue to work with other members of the Stark County HOME Consortium and with other area housing and social service providers in carrying out its anti-poverty strategy, including job training, education, and self-sufficiency programs.

Through its cooperation with other local agencies and with the other governments in the Stark County Consortium, the City of Massillon has worked to develop a structure to enhance coordination between local government and social service organizations serving the community. Because the continued existence of poverty is due to a complex combination of factors - some economic, some social, including housing, education, and personal problems, there needs to be strong coordination between the local government and the various agencies that deal with poverty issues. The City has proposed a comprehensive program of activities and programs designed to address these poverty issues:

1. Housing rehabilitation, homeownership assistance programs, and code enforcement activities to provide affordable housing and improve housing opportunities;
2. Public facility and infrastructure improvements to help stabilize and revitalize low income residential neighborhoods;
3. Economic development programs to create and retain jobs in the community, particularly to improve employment opportunities for low income persons; and
4. Public service activities to meet the social, economic, health, and educational needs of low income persons, including the homeless and those threatened with homelessness.

Actions planned to develop institutional structure

Through its participation in the Stark County HOME Consortium, the City of Massillon works closely with the cities of Alliance and Canton and with Stark County to provide an area-wide approach to housing and community development issues. The City participates in the Homeless Continuum of Care of Stark County (HCCSC). The City also participates in the Western Stark County Homeless Task Force. Founded in 2006, the Western Stark County Homeless Task Force is a collaborative effort that involves leaders from Massillon Area Clergy Association, City Officials, and multiple Social Service Organizations (Salvation Army, Community Services of Stark County – Family Living Center, AHEAD) working together to identify the needs and address the issues, as a collective entity that involve the homeless and at-risk to be homeless of our community.

Actions planned to enhance coordination between public and private housing and social service agencies

The City of Massillon always strives to enhance the coordination between public and private housing

and service agencies whenever necessary. Homelessness is a need that is addressed with the HCCSC which is comprised of public and private housing and social service agencies. The City of Massillon is connected to the HCCSC and helps other agencies assist homelessness. In addition, the City of Massillon funds the Salvation Army Housing Outreach Specialist who works with the homeless and families in crisis to meet their emergency housing needs. The City also provides funding to the Family Living Center Homeless Shelter, which is owned and operated by the Community Services of Stark County to assist in the operation of the Family Living Center Homeless Shelter, located at 412 Lincoln Way East. The City of Massillon also provides assistance to Stark County Mental Health & Addiction Recovery to assist in a countywide homeless hotline collaboration.

Further coordination is shown at the Stark County Continuum of Care, is a partnership of three entities across Stark County – the City of Massillon, City of Alliance and Regional Planning Commission. Daily interaction takes place between Massillon, Alliance and Stark County, as members of the HOME consortium. The City of Massillon Housing Department staff works with the RPC through housing rehab programs under a contract. The RPC staff assists with inspections of both our HOME and CDBG funded projects.

The City of Massillon's staff provides CDBG funding to other non-profit agencies to maximize their work for the community. The Domestic Violence Shelter assists in providing safe housing for victims of domestic violence, including short-term emergency housing and supportive services for women and children who are victims of domestic violence. Also, the Massillon Main Street Program provides a downtown rehabilitation program, offering grant assistance to downtown property owners for exterior building renovations.

The City also provides funding to two groups for day care and home care. The Westark Family Services Elderly Homemaker Program has in-home elderly and handicapped homemaker services, including light housekeeping, laundry, marketing and errands, serving of meals, personal care and assistance. The second entity is Faith in Action Elderly Caregiver Program, which provides in-home services and assistance to the ill, frail elderly, and disabled population.

Massillon provides CDBG funding to the Boys & Girls Club of Massillon for a program that provides education, experience, and training for youth ages 14-18 in the development of skills for future employment. The City also provides funding to the YMCA of Western Stark County for their "All Access" program to provide membership assistance to low- and moderate-income persons. The Boys & Girls Club primarily serves youth residing in low income neighborhoods of Massillon. In addition, the City provides CDBG funds to the Canton Ex-Newboys "No Child Shall Miss School" program, which focuses on providing clothing for students from low- and moderate-income households in Massillon.

CDBG funds are also provided by the City of Massillon to Make A Way, which supports various programs for disabled persons, as well as Vantage (Meals on Wheels), which assists low- and moderate-income seniors in Massillon to receive healthy meals.

Discussion

The City of Massillon uses CDBG funding to serve the community. The planning and program administration is a key part. The City will utilize CDBG funding for administrative activities, including the overall management, coordination, reporting and record-keeping requirements of the CDBG Program. CDBG funds will also be used for planning activities, including economic development planning. The City will utilize CDBG funding for the provision of fair housing services and activities to improve and promote housing opportunities in the community, including education, outreach, monitoring and evaluation, as well as activities designed to address identified impediments to fair housing.

COVID-19 CDBG Emergency Business Assistance Loan Program

On June 15, 2020, Massillon City Council approved the 2020 Program Year Amended Action Plan and Budget, which allocated \$265,000 to the recently developed COVID-19 CDBG Emergency Business Assistance Loan Program. This program is designed specifically to assist local businesses in the City of Massillon that have 25 or fewer employees and have been impacted by the Coronavirus. Applicants must show at least a 30% decline in business revenue after March 09, 2020, which is the date that Governor Mike DeWine declared Ohio under a State of Emergency.

The program provides for up to \$5,000 in the form of a three-year zero percent interest loan. These funds can be used for payroll, rent, or other day to day operating expenses. If the business retains one low-to-moderate income employee for a minimum of three months (or if the business owner is a low-to-moderate income individual/household) then the loan will be completely forgiven. An example of a low-to-moderate income household would be a one-person household making less than \$37,050; or a four-person household making less than \$52,900. Payment on these loans would not begin until the 13th month after funds are disbursed.

The City of Massillon Community Development Department will begin immediately accepting applications for this loan program. Applications will not be processed until program approval is received from the U.S. Department of Housing and Urban Development (HUD). The amount of funding allocated to this program will allow the City to provide loans to up to 53 qualified businesses in the City that have been impacted by the Coronavirus. Loans will be on a first come, first serve basis. Applications can be found online at

COVID-19 CDBG Housing Rehabilitation Assistance Program

On June 15, 2020, Massillon City Council approved the 2020 Program Year Amended Action Plan and Budget, which allocated \$80,000 in funding to the CDBG Housing Rehabilitation Assistance Programs. The funding for this program will allow the City to assist low-to-moderate income owner-occupied households in Massillon that have been impacted by the Coronavirus.

To qualify for this particular pool of funds you would have to show a substantial loss of income or employment, after March 09, 2020, along with meeting all other eligibility requirements. This funding allows for much needed home repairs to be completed on households that may otherwise not be able to afford to do so.

The City of Massillon Housing Department will begin immediately accepting applications for this loan program. Applications will not be processed until program approval is received from the U.S. Department of Housing and Urban Development (HUD).

Contact Beverly Lewis or Anna Jordan to request an application, or with questions, by phone at (330) 830-1717 or via email at housing@massillonohio.gov

Title

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation – It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan – Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds – It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) _____ [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force – It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Title

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation – It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 2020 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation – It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan – It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) 20 20 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force – It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.
