## Health Department

### **The Massillon City Health Department Awarded National Accreditation through the Public Health Accreditation Board**

On March 9th, 2022 The Massillon City Health Department was awarded national accreditation through the Public Health Accreditation Board (PHAB). Established in 2007, PHAB is the nonprofit organization that administers the national accreditation program, which aims to advance and transform public health practice by championing performance improvement, strong infrastructure, and innovation. Massillon City Health Department staff have been working towards this goal for 3 years, and promises to continue with quality improvement and advancement thereby becoming increasingly effective at improving the health of the citizens of the Massillon community.

### ***Our office will be closed on the following days:***

Friday April 15<sup>th</sup>, 2022

Wednesday May 11<sup>th</sup>, 2022 8:30a-12:00p

Monday May 30<sup>th</sup>, 2022

### **Car Seat Inspection, Installation, & Education**

Car seat inspections and education are offered by appointment, and we have two technicians that are certified by The National Child Passenger Safety Board on proper installation of car seats. The caregiver will be involved with an educational, hands-on, installation of their car seat, and we are able to help educate and install car seats from infant carriers to backless booster seats. To schedule an appointment with a car seat technician,

**call (330) 830-1715 and ask for Vicki.**

# Community Baby Shower Learning Event

In February we hosted our first quarterly Community Baby Shower Learning Event at the Massillon Recreational Center. This event was possible thanks to our community partners that include the Massillon Rotary Foundation, The Massillon Public Library, and The Pregnancy and Parenting Center. This event provided pregnant women and new caregivers access to health department resources, safe sleep information, healthy food demonstration, and a new parent open chat forum.

Participants also received free safety items as well as various raffle items. All participants received a gift bag that included a cookbook, diapers, wipes, infant safety kit, and various safety items for their home. Thanks to our community partners we were also able to have a raffle that included baby gates, high chairs, and breastfeeding supply gift basket. Our next Community Baby Shower Learning Event will be held at the Massillon Recreational Center on Saturday April 30<sup>th</sup>, 2022 from 10:45am-1:00pm. If you are interested in joining us as a participant or community partner, **please call (330) 830-1715 and ask to speak to Erin.**
