NO-COST NOTARY PUBLIC SERVICES

The Massillon City Health Department is located near downtown Massillon on the corner of Tremont Ave. SW and First St. SW (The former Nova Behavioral Health Building). We sit directly across the street from the Bradley Place Apartments. The outside of the Building says "St. James Life Center". We are directly behind the Massillon Fire Station and Post Office.

We are 2 blocks south of the SARTA Bus Station, and 3 blocks west of Massillon City Hall and Police station.

If you are driving from Lincoln Way, simply turn south onto Erie Street, continue for 2 blocks and turn right (west) onto Tremont Ave. SW, we will be the brick building that sits back from the road with the large parking lot in front. Come in the door to the front counter and they can help you with whatever you need.

Thanks,

Terri Argent, Health Commissioner
