

## **CR-05 - Goals and Outcomes**

### **Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)**

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

The City of Massillon, Ohio is an entitlement community under the U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant program (CDBG). The City of Massillon has also joined with the City of Alliance and Stark County to form the Stark County HOME Consortium. As a member of the Consortium, the City has worked closely with these other local governments in the preparation of a Consolidated Plan for the City of Massillon. This plan provides a comprehensive overview of the area, identifying housing, homeless, and community development needs. As an entitlement community, the City of Massillon is also responsible for preparing, submitting, and administering its CDBG entitlement funds which it receives directly from HUD.

The City of Massillon continues to proudly utilize CDBG funds to assist HUD with its mission to create strong, sustainable, inclusive communities and quality affordable housing, while ensuring that all projects/activities funded must comply with one of the three national objectives – Benefit low/moderate income persons; Assist in the prevention or elimination of slums or blight; or Meet an urgent need.

The City of Massillon has worked diligently and is confident that this program year of 2019 federal funded projects/activities have met and exceeded the goals and objectives of the City's Consolidated Plan and Annual Action Plan.

This Consolidated Annual Performance and Evaluation Report (CAPER) provided by the City of Massillon is intended to give necessary information to the citizens of Massillon, as well as the U. S. Department of Housing and Urban Development (HUD) and local area leaders, to meet the requirements and compliance with all applicable rules and regulations. This CAPER also provides information and public awareness regarding the accomplishments in meeting the goals and objectives of the Community's CDBG program for the betterment of persons in need in the Massillon City limits. The City of Massillon's 2019 CDBG Activities, their purpose, and their accomplishments are detailed below. The City of Massillon's Homebuyer Assistance Program and the Housing Rehabilitation Program are detailed and included in Stark County's 2019 CAPER.

**Table 1 - Accomplishments – Program Year & Strategic Plan to Date**

**Assess how the jurisdiction's use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.**

**AFFORDABLE HOUSING: MASSILLON HOUSING REHAB PROGRAM:**

The City of Massillon utilized CDBG entitlement funds for costs of administration, staffing, & planning of the City's housing rehabilitation/emergency repair/minor repair programs, & the home buyer assistance program. These programs include the City of Massillon's CDBG funds & the City's part in the Stark County HOME consortium funds.

**HOMELESS NEEDS AND PUBLIC SERVICES: COMMQUEST FAMILY LIVING HOMELESS SHELTER; DOMESTIC VIOLENCE PROJECT INC; SALVATION ARMY HOUSING OUTREACH SPECIALIST:**

CDBG funding to the **Family Living Center Homeless Shelter of CommQuest** was used to assist in the operation of the shelter providing temporary shelter to homeless persons/families. This program also provided other basic immediate needs, provided a safe environment, & is working to break the cycle of homelessness.

During this activity year the **Massillon Domestic Violence Shelter** provided emergency protective housing to adult & child victims of domestic violence. Shelter residents had access to comprehensive supportive services including counseling, therapy, alcohol & drug treatment programming, case management & legal advocacy services.

CDBG funding to the **Salvation Army** was used to assist with the Agency's Outreach Coordinator in fighting against homelessness & the root causes of homelessness. 100% of the Coordinator's time is devoted to homelessness prevention for the Massillon area. The **Salvation Army** also operates Stark County's only 24/7 Homeless Hotline.

**NEIGHBORHOOD IMPROVEMENTS: HABITAT FOR HUMANITY; TARGET AREA CODE ENFORCEMENT; TARGET AREA STREET IMPROVEMENTS:**

CDBG funds to **Habitat for Humanity** provided redevelopment of homeowner housing for low income households. This year the program assisted a homeowner family in a target, LMI neighborhood.

**Target Area Code Enforcement** has proven successful in the improvement of the quality, safety, & health of target areas in the City of Massillon.

CDBG funds for **Target Area Street Improvements** in Massillon's target neighborhoods included pavement, repair, resurfacing, catch basin rehab, drainage, & partial & full depth replacement & curb ramps for handicap.

**PUBLIC SERVICES AND NON-HOUSING: BOYS AND GIRLS CLUB; CANTON EX-NEWSBOYS; FAITH IN ACTION ELDERLY CARE GIVER; MEALS ON WHEELS; WESTARK ELDERLY CARE GIVER;**

**Boys and Girls Club** provided the BE GREAT GRADUATE program for LMI youth - mentoring, education and training.

**Canton Ex-Newsboys** purchases coats, shoes and clothing for needy children, specifically in the Massillon area

**Faith in Action** provided transportation services to the LMI Elderly to remain in their homes & assist them with Medical appointments, personal errands etc.

**Meals on Wheels** ensures Massillon seniors, with a critical need, who cannot afford to make the suggested donations, are taken care of and receive the Meals on Wheels service.

CDBG funding to **Westark** Family Services was used to assist the agency in providing homemaker services to LMI elderly and or handicap individuals to remain safely & independently in their own homes.

**YMCA of Massillon** received CDBG funding to provide scholarship memberships to low-to-moderate income families living in the City of Massillon.

**ECONOMIC DEVELOPMENT: Massillon Main Street**

**Massillon Main Street** is a nonprofit organization for improvements to eliminate slum & blight.

**Table 2 – Table of assistance to racial and ethnic populations by source of funds**

### Narrative

The City of Massillon strives and is successful in reaching out and connecting with all persons of our city. The Community Development Department collects and maintains data to the extent of all racial and ethnic status. The City collects the data from all CDBG and HOME participants. The data is reported in the CR-10 chart above; persons assisted for CDBG. Stark County reports the data for HOME persons assisted.

The above table excludes 211 individuals that identified as a race not listed. The following persons of multi-racial/ethnic status were also assisted through the City of Massillon's CDBG program:

**Black or African American and White: 182**

**American Indian/Alaskan Native and White: 12**

**Asian and White: 1**

**Other Multi-Racial: 16**

## CR-15 - Resources and Investments 91.520(a)

CDBG	public - federal	640,002	496,759
Other	public - federal	123,083	87,727

Table 3 - Resources Made Available

### Narrative

In carrying out its housing and community development strategy, the City of Massillon utilizes CDBG entitlement funds which it received directly from HUD, and HOME funding which it receives through its participation in the Stark County Consortium. Although not all CDBG funds were expended during the Program Year 2019, a large number of persons in need were able to benefit from the assistance made available through the various projects and activities. CDBG funds that were not expended during the Program Year 2019 have been applied to the Program Year 2020 Action Plan projects and activities.

### Identify the geographic distribution and location of investments

Target Area	Planned Percentage of Allocation	Actual Percentage of Allocation	Narrative Description
City Target Area	76	95	

Table 4 – Identify the geographic distribution and location of investments

### Narrative

The City of Massillon provides assistance to all persons, in need, City Wide. Funds were strategically allocated to ensure that investments achieve the strategic goals of this plan and meet CDBG national objectives and other programmatic requirements. Most of the projects and activities from Program Year 2019 reached out to all persons. However, two activities from Program Year 2019 that only provided services to the designated target area were: **Target Area Street Improvements** and **Target Area Code Enforcement**. These projects served only the areas specifically designated as the Local Target Area.

## **Leveraging**

**Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.**

In operating its housing rehabilitation programs, the City of Massillon leverages private funding, particularly from investor owners.

The City also leverages financing from local lending institutions through its homebuyer assistance programs.

Public housing agencies, local non-profit organizations, and other service providers also utilize a variety of Federal, state, and local funding in carrying out their activities.

Several of the 2019 sub recipients leveraged funds through private, state, and local resources for their public service activities.

## CR-20 - Affordable Housing 91.520(b)

<b>Total</b>	<b>0</b>	<b>0</b>

Table 6 – Number of Households Supported

**Discuss the difference between goals and outcomes and problems encountered in meeting these goals.**

The goal of the Housing Rehabilitation Program in the City of Massillon for the CDBG 2019 Program Year was to provide emergency and minor repair housing rehabilitation assistance to low to moderate income households. The outcomes for the housing rehabilitation program has been the completion of assistance to said LMI households for emergency housing rehabilitation repairs, the subsequent prevention and or elimination of slum and blight in neighborhoods, the making for suitable and

sustainable living environments as to ensure that individuals may continue to be able to live within their homes.

Project outcomes for the City of Massillon Housing Rehabilitation Program included the emergency/minor repair assistance of 5 furnaces; 5 roofs; 2 household electrical systems; 1 Plumbing Repair; 1 Handicap Accessibility project.

The City of Massillon has worked diligently to ensure that all emergency and minor repair housing rehabilitation work was completed to full Minimum Code Standards and that all contracted work was awarded through a competitive procurement process and was carried out by certified contractors and sub-contractors in adherence to all regulations, rules, and procedures including that of following proper lead-based paint safety procedures.

The city has also utilized the funding made available for the housing rehabilitation program through the proper administration and completion of all projects per HUD's standards & regulations for the 2019 Program Year.

No problems of major concern were encountered in the administering of the housing rehabilitation program for the 2019 Program Year.

#### **Discuss how these outcomes will impact future annual action plans.**

The positive outcomes of the housing rehabilitation and emergency assistance programs in the City of Massillon will impact future annual action plans by furthering the goals and objectives of assisting low to moderate income households and aiding in the prevention of slum and blight. As the City seeks to continue with its housing rehabilitation program in the program year 2020 it will be building off of the successful completion of the 2019 Program Year goals and outcomes. It should be noted that the Program has an extensive waiting list for residents in need of emergency or minor repairs.

Those outcomes as stated above will become the foundation for the CDBG 2020 Program Year as we continue to provide emergency and minor repair housing rehabilitation assistance to qualified low to moderate income-based households that find themselves in need of assistance.

The continuation of such goals for the 2020 Program Year will help provide for the continued opportunity for individuals that receive assistance via the City of Massillon's Housing Rehabilitation Program to stay in their homes for a longer period of time and to create suitable and sustainable living environments.

**Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.**

<b>Number of Households Served</b>	<b>CDBG Actual</b>	<b>HOME Actual</b>
Extremely Low-income	5	0
Low-income	10	0
Moderate-income	8	0
<b>Total</b>	<b>23</b>	<b>0</b>

**Table 7 – Number of Households Served**

### **Narrative Information**

The City of Massillon's Housing Department has continued to utilize the Community Development Block Grant (CDBG) dollars to provide housing rehabilitation assistance to low to moderate income owner-occupied households in need, and subsequently aiding in the reduction and prevention of slum and blight in the City's neighborhoods.

## **CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)**

**Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:**

### **Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs**

The City of Massillon provides CDBG funding for activities to assist the homeless. The three (3) agencies meeting the goals and objectives for the City's homelessness are: Massillon Domestic Violence, Massillon Family Living Shelter and the Salvation Army of Massillon.

Domestic Violence Project, Inc. served 118 persons in the City of Massillon between 7/1/2019 to 6/30/2020 by providing emergency protective housing and supportive services. Shelter residents had access to a broad offering of supportive services which include; counseling, therapy, alcohol and drug treatment, case management and legal advocacy services. By providing multiple nights of housing, the shelter can reduce the possible housing displacement of many individuals.

CommQuest Inc. provided nights of shelter to 280 persons through the Family Living Center. The Family Living Center is "temporary housing" and the maximum length of stay is 90 days. The goal of the Center is that persons only use the number of nights they need in order to obtain permanent housing. The Family Living Center program also provides other basic immediate needs to strengthen individual and family life providing a safe and caring environment aimed at breaking the cycle of homelessness. This Center is the only shelter in western Stark County that serves entire families by providing emergency shelter and supportive services.

Salvation Army of Massillon CDBG funding was used to assist with the Agency's Outreach Coordinator in fighting against homelessness and the root cause of homelessness. The funding was used solely for the compensation and related cost to employment of the Coordinator. The Coordinator works with local agencies to find and coordinate resources available to serve homeless persons. Funding from the Massillon CDBG Program allowed the Salvation Army to assist in the temporary shelter of 142 persons.

### **Addressing the emergency shelter and transitional housing needs of homeless persons**

The City of Massillon remains actively involved with the Homeless Continuum of Care of Stark County (HCCSC). HCCSC is a coalition of various health and human service nonprofit organizations, government entities, and community leaders committed to addressing homelessness in Stark County, Ohio. All partner agencies share a vested interest in preventing and ending homelessness given its prevalence among and impact on their respective client populations.

HCCSC signifies our community's belief that services to those who are experiencing homelessness or other housing crisis requires collaboration and shared responsibility. HCCSC's function as a neutral and

inclusive convener to address homelessness is critical and more important than ever as the national movement to end homelessness calls for even greater collaboration among various systems of care.

HCCSC represents Stark County's effort to achieve and maintain compliance with HUD regulations. By forming a local CoC, Stark County became eligible to apply for crucial state and federal funds to prevent and end homelessness.

HCCSC began as the Stark County Interagency Council on Homelessness when HUD began requiring that any community seeking federal funding have a local independent entity review its application. Since then, it has changed to adapt to new HUD regulations and guidance. However, led and managed by volunteers, its structure was not sustainable.

Now, HCCSC is managed by an independent nonprofit "backbone" organization called Stark Housing Network Inc. The Network was formed in 2017 and aims to manage HCCSC's work for many years to come.

**Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs**

The City of Massillon Community Development Block Grant funds were awarded to agencies who were able to provide assistance to low-income individuals and families who were either homeless or at risk of becoming homeless. The Salvation Army of Massillon provides the following services in helping homeless persons; Homeless Client Referral Program, Eviction Prevention Program, Rent/Mortgage Assistance, Utility Assistance. They also offer hygiene products along with transportation for the homeless. CommQuest's Family Living Center helps and assists homeless persons with the following services: Crisis Intervention Program, Case Management Services, Advocacy and Education focused on self-sufficiency and independent living.

**Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again**

Funding was provided to 3 local non-profit agencies listed below. Each agency has a case worker working with families to find permanent affordable housing.

CommQuest's Family Living Center - The Center operates as a homeless shelter serving entire families with education and supportive services to enable residents to make the transition from homelessness to independent living.

Salvation Army of Massillon - A Housing Outreach Coordinator works 100% of her time to prevent homelessness families in crisis to meet emergency housing needs and to help provide independent housing.

The City of Massillon is also active with Stark County's Homeless Continuum of Care of Stark County (HCCSC) which provides extensive support and assistance County wide for ending homelessness.

## **CR-30 - Public Housing 91.220(h); 91.320(j)**

### **Actions taken to address the needs of public housing**

The Stark Metropolitan Housing Authority (SMHA) owns and manages more than 2,500 PHA housing units in Stark County. SMHA is responsible for the administration and operations of public housing programs for low-income persons in the City of Massillon. SMHA also provides more than 1,500 Section 8 rental subsidies to qualifying low-to-moderate income individuals and families. With a long waiting list for both PHA and Section 8, there is a high need for additional resources for both public housing and Section 8 assistance.

### **Actions taken to encourage public housing residents to become more involved in management and participate in homeownership**

The City of Massillon work with Stark Metropolitan Authority (SMHA) to address the needs for public housing for low-income persons. The City actively advertises our down payment assistance program to residents and households in the City of Masillon. The City will continue to work with Stark Metropolitan Housing Authority to assure public housing needs are taken care of for those in need in the City of Massillon.

SMHA provides eligible residents of Stark County with quality affordable housing in decent, safe, and nourishing neighborhoods. By working in partnership with the public and private sectors, the SMHA provides families with housing choice and the opportunity to achieve self-sufficiency.

The Housing Authority offers homeownership opportunities to SMHA residents through its Section 8 Voucher Choice and Section 8 Tenant Based Lease Purchase Programs and post purchase counseling to homeowners in Stark County to that meet program guidelines.

### **Actions taken to provide assistance to troubled PHAs**

Stark Metropolitan Housing (SMHA) has not been designated as a troubled PHA and therefore no action was necessary.

## **CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)**

**Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)**

The City of Massillon has put concentrated effort forth to assist with housing accessibility and affordability. The City of Massillon operates our own Fair Housing program which is designed to improve and promote housing opportunities in the community, including education and outreach, monitoring and evaluation and administration of fair housing laws. The City also addresses tenant/landlord issues, and when needed, conducts counseling services between the tenant and the landlord. During the 2019 Program Year the City of Massillon made recommendation to the Massillon Zoning Board to remove any institutional barriers to affordable housing.

### **Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)**

The City of Massillon developed objectives and goals in the Consolidated Plan and the Annual Action Plan to meet the underserved needs. The City's objectives and goals are to provide a better quality of life for low to moderate income persons through the city's investments and the CDBG funding, as well as working towards the prevention and/or elimination of slum and blight. CDBG funding provided by HUD for The City has dramatically increased our ability to provide activities that have greatly assisted the underserved.

Our emergency rehabilitation program helped homeowners to be able to continue to live within their homes; safe, and with sustainable living environments. Funding to Habitat for Humanity provides housing for the underserved. Additional activities funded through CDBG truly help the underserved; The Homeless Shelter, Domestic Violence shelter, the Salvation Army, Boys and Girls Club of Massillon, Canton Ex-Newsboys, Faith In Action for the Elderly, Make-A-Way, Meals on Wheels, Westark Family Services, and the YMCA of Massillon.

The City of Massillon has greatly improved focus with its code enforcement capacity to ensure that property owners are aware of the city ordinances, codes and requirements for maintenance of their properties to protect the health, safety, welfare, and protection of all persons in the CDBG target areas. Properties not maintained and in code violation will fall into disrepair; deteriorate; devalue neighborhoods, and become an encouragement to crime, unsafe conditions, and lead to slums and blight. During the 2019 Program Year, the City of Massillon Community Development and Housing Departments have continued to increased public awareness of the CDBG programs available to assist the underserved. We have continued to focus on Community outreach. The City's website contains a page dedicated to Housing/Fair Housing, where we post many resources from HUD and individual brochures created in our department. We have flyers available in several different locations. The Community Development and Housing Departments have begun passing out Stark County Help Guides,

which was produced by several of our local non-profit agencies. The Help Guide includes resources for housing/subsidized housing/shelters, employment, senior citizens, food resources, mental health resources, legal assistance, etc.

With the Coronavirus/COVID-19 pandemic emerging during the 2019 Program Year, citizens across the County have faced unprecedented hardships that are ongoing as the situation continues to evolve. There are many additional obstacles faced this year throughout our Community, and the Community Development and Housing Departments continue to assess the needs of our City and find ways to better the quality of life for our residents. Many of these underserved needs will be addressed in the upcoming 2020 Program Year.

### **Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)**

The City of Massillon works and is focused on the issues of lead-based paint hazards. All housing rehabilitation projects for 2019 program year were reviewed and addressed for persons' safety and risk of lead-based paint. The City works with Stark County Regional Planning for the inspections and evaluations for lead and all the rehab work is required to be carried out in a lead safe manner by licensed contractors. The City's Housing Director performs all work, education and documentation regarding the lead issues. The Director gives all persons receiving services the EPA brochure on lead hazards. All rehab work is tested for lead when the project is completed and if they do not pass inspections, they must be re-cleaned and re-tested until they pass the lead tests.

### **Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)**

Through its Citizens participation process and through its cooperation with other local governments in the Stark County consortium, the City of Massillon has worked to reduce the number of poverty-level families in several ways. The City carries out a comprehensive program of activities and programs designed to address these poverty issues:

- 1.) Housing rehabilitation and homeownership assistance programs to provide affordable housing and improve housing opportunities.
- 2.) Public facility and public improvement projects, along with housing Code Enforcement, to improve low income neighborhoods and agencies serving low income residents in these areas.
- 3.) Public service activities to meet the social, economic, health, and educational needs of low-income persons, including the homeless and those threatened with homelessness.

In addition, the City of Massillon works with many organizations and nonprofits in the City to provide economic anti-poverty strategies such as working to assist with employment for poverty-level persons through an annual Job Fair in collaboration with OHIO MEANS JOBS. The City of Massillon operated its own Fair Housing program for the 2019 Program Year for persons and families of Massillon.

**Actions taken to develop institutional structure. 91.220(k); 91.320(j)**

The City of Massillon works with Stark County Regional Planning (Consortia Lead) and the City of Alliance in a countywide HOME Consortium to provide an area wide approach to Housing and Community Development. This partnership structure provides a leveraging of funds and gives our communities support for Housing needs and it strengthens all three agencies to better secure and manage our own CDBG funding. The City also participates in a Homeless Continuum of Care to provide another example of a structured approach to homelessness. Also, within the City of Massillon we participate in the local Western Stark Homeless Committee/Task Force. This group has been in existence since 2006. It is a group that pulls together a number of people – the local emergency shelter, domestic violence shelter, the Salvation Army Outreach Coordinator, the local clergy, city officials and volunteers. This task group is chaired by our local judge who brings the local justice system to address homeless issues. These institutional structured approaches all help improve the community needs and increase resources to make a bigger impact and a more collective identity and existence. The City of Massillon, also, participates with Stark County Local Emergency Food & Shelter Program, which provides emergency food and shelter programs in Stark County.

**Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)**

The City of Massillon continues to coordinate with local agencies, nonprofits, and social service agencies to be of assistance and services to citizens of our community in need. These agencies include but not limited to, The City of Massillon local government and Massillon Health Department, Stark County Regional Planning, Stark Metropolitan Housing, ICAN, OHIO MEANS JOBS, Homeless Continuum of Care, Western Stark Homeless Committee/Task Force, and Stark County Local Emergency Food & Shelter Program. The Mayor of Massillon and the Massillon Community Development Director are available and open to meeting and having discussions with any group or organization to address community development, housing needs, and other social services.

**Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)**

During the 2019 Program Year the Stark County HOME Consortium, which is comprised of the cities of Alliance, Massillon, and Canton and the Urban County of Stark County, prepared an Analysis of Impediments to Fair Housing Choice to satisfy the requirements of the Housing and Community Development Act of 1974, as amended. This act requires that any community receiving HUD funds affirmatively further fair housing. As a result, the cities and Urban County are charged with the responsibility of conducting their CDBG, HOME, and ESG programs in compliance with the federal Fair Housing Act. The responsibility of compliance with the federal Fair Housing Act extends to nonprofit organizations and other entities, which receive federal funds through the entitlements in the Consortium. We continue working to address impediments found in the most recent Analysis of Impediments to Fair Housing Choice.

The City of Massillon also operates its own Fair Housing program which is designed to improve and promote housing opportunities in the community, including education and outreach, monitoring and evaluation, and administration of fair housing laws. New Fair Housing brochures were downloaded and printed from the HUD Exchange. Fair Housing brochures have been distributed and circulated throughout the City. All brochures are on our website, handed out to all nonprofits in the City, at the Massillon Public Library, and Stark Metropolitan Housing office. The City's website contains a page dedicated to Housing/Fair Housing, where we post many resources from HUD and individual brochures created in our department. We have made flyers available in several different locations.

## **CR-40 - Monitoring 91.220 and 91.230**

**Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements**

The Consolidated Plan is a concept that is designed to enable officials and citizens to become more aware of the larger picture and the extent to which all related programs are effective in collectively solving neighborhood and community problems. Moving beyond the compilation of program outputs, there must be a focus on results that will allow a community to assess progress in meeting the priority needs and specific objectives identified in the strategic plan and action plan in order to make Massillon's vision of the future a reality.

The overall goal of the City's community planning and development programs included in the Consolidated Plan is to provide decent housing and a suitable living environment and expanding economic opportunities, principally for the low- and moderate-income persons.

The review, monitoring, and performance evaluations of CDBG programs and projects is the direct responsibility of the City of Massillon Community Development Department. Compliance with federal guidelines, fulfillment of goals and objectives and the collection of data is completed by this office. Program objectives are reviewed during the year to determine whether these objectives are being adequately addressed by the Action Plan.

A comprehensive annual formal on-site monitoring visit is typically performed at each sub-recipient's physical location. Using a monitoring checklist, incorporating HUD Guidelines, a review of files and procedures monitored and documented at each sub-recipient location. Monitoring and documentation that was conducted ensured that the funding contracts were being followed; that targets were being met; that the National Objectives were being met; and that all client eligibility was being collected, documented and recorded on proper forms. Due to the Coronavirus/COVID-19 pandemic emerging during the second half of the program year when on-site monitoring typically takes place, on-site monitoring efforts were unable to be completed this Program Year. A review CDBG regulations and policies was done over the phone and addressed areas such as: explanation of eligibility, reimbursement procedures and required requisition documents and data forms.

Informal monitoring visits are also conducted to ensure compliance with program requirements takes place throughout the year.

Monitoring was also conducted during 2019 Program Year of the CDBG Code Enforcement Representative. Monitoring and documentation that was conducted ensured that the Standard Operating Procedures, codes, standards and regulations were being followed for citizen's health, safety and welfare. The on-site calls, made with the Code Representative, evaluated and rated the activities

taking place on the City of Massillon's target areas. Completed checklist reports are on file.

#### **Citizen Participation Plan 91.105(d); 91.115(d)**

**Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.**

IDIS Financial Report PR-26 (per HUD regulations) and PR-03 were included with the CAPER for public review. Hard copies of the CAPER, including the PR-26 and PR-03 were made available at the City of Massillon Community Development Department: 151 Lincoln Way East, Massillon, Ohio 44646. The public could also review the CAPER on the City of Massillon Website at [www.massillonohio.gov](http://www.massillonohio.gov). A publication was printed in the newspaper on October 10th, 2020 listing the public meeting and information on the location and website where a draft of the 2019 Program Year CAPER could be reviewed. A Public Hearing was held via UberConference on October 19, 2020 for the 2019 CAPER review. No members of the public attended, and no comments were received.

#### **CR-45 - CDBG 91.520(c)**

**Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.**

To date there have been no changes to program objectives in the planning and administration of City of Massillon Consolidated Plan and Community Development Block Grant program. The City continues to strive to carry out a comprehensive program of housing and community development activities designed to provide decent housing and a suitable living environment and to expand economic opportunities for low and moderate income persons.

**Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?**

No

**[BEDI grantees] Describe accomplishments and program outcomes during the last year.**

RE: Section 108 Loan

IDIS Activity ID: 1199

To whom it may concern:

A draw on Section 108 Loan from B-98-MC-39-0029-OLD was entered into IDIS in order to close out Massillon's Section 108 Loan. No funds were actually received at the time of draw.

Respectfully,

Samantha Walters

Subject: Section 108 Project B-98-MC-39-0029, Massillon, Ohio  
\$2,250,000, Massillon Hotel Company, Ltd.  
Guaranteed Loan Funds Account Reporting Requirement

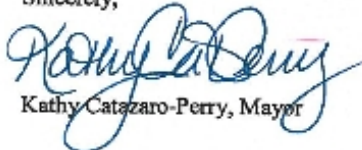

Dear Mr. Webster:

Part II, paragraph 1 of the above referenced Contract for Loan Guarantee Assistance (the "Contract") requires the establishment of certain accounts as part of the Section 108 borrowing process and the submission of written account statements to the Department by the fifteenth day of each month.

Please be advised that The City of Massillon has disbursed all loan funds for the approved project(s) in accordance with the Department of Housing and Urban Development (HUD) program regulations. Accordingly, The City of Massillon has closed the bank account indicated in the attachment for Guaranteed Loan Funds and, if applicable, the bank account indicated in attachment for the Guaranteed Loan Investment Funds.

Therefore, The City of Massillon will no longer be submitting monthly statements on the Guaranteed Loan Funds account and, if applicable, the Guaranteed Loan Investment Funds account as of this date.

Sincerely,

Kathy Catazaro-Perry, Mayor

2018	Provided funding for a variety of CDBG eligible activities including an emergency and minor repair program for LMI households as well as partial funding of the Housing Director/Fair Housing Coordinator and Housing Department Assistant. The 2018 Housing Rehabilitation program has accomplished the three national objectives of assisting those of low to moderate income, reducing slum and blight, and meeting urgent need by successfully providing assistance to 10 difference households. This assistance was provided through the City of Massillon's Emergency Rehabilitation Assistance program (7 households) and Minor Repair program (6 households). These programs are designed to provide qualifying homeowners with assistance to bring items up to minimum code and/or repair items that threaten the health and well being of occupants. The assistance provided is as follows: (1) electrical and roof, (1) plumbing, (5) furnace replacement and/or repair, (1) hot water tank, (3) roof, (1) Roof and Duct work repair, (1) Handicap Ramp installation.

2019	Provided funding for a variety of CDBG eligible activities including an emergency and minor repair program for LMI households as well as partial funding of the Housing Director/Fair Housing Coordinator and Housing Department Assistant. The 2019 Housing Rehabilitation program has accomplished the three national objectives of assisting those of low to moderate income, reducing slum and blight, and meeting urgent need by successfully providing assistance to 10 difference households. This assistance was provided through the City of Massillon's Emergency Rehabilitation Assistance program (10 households) and Minor Repair program (2 households). These programs are designed to provide qualifying homeowners with assistance to bring items up to minimum code and/or repair items that threaten the health and well being of occupants. The assistance provided is as follows: (1) furnace and electrical, (1) electrical and plumbing (4) heating and cooling replacement and/or repair, (1) handicap accessibility project (5) roofs.

Description:

The Salvation Army of Massillon provides a Housing Outreach Service Coordinator who operates a 24 hour homeless hotline with homeless and families in crisis to address and provide services for their emergency homeless needs.

The program is the only Western Stark County 24 hour homeless hotline working with area churches, police, fire and local motels to provide emergency temporary shelter for the homeless until a personal assessment is completed and more permanent shelter can be found.

This program through case management and assessments determines appropriate emergency shelters and additional community resources through collaborative partners.

The program, also intakes assessments and develops individual service plans for families and individuals being evicted through the Massillon Municipal Courts and refers them to the appropriate agencies that provide credit counseling, money management, mediation services, and other resources designed to support permanent housing.

# Citizens Participation Plan PY 2019

Kathy Catazaro-Perry, Mayor

## CITIZEN PARTICIPATION PLAN

The City of Massillon shall provide citizens with an adequate opportunity to participate in the development of the application and in implementation, monitoring, and evaluation of the Community Development Block Grant (CDBG) Program and other Federal and State housing and community development programs, including the Section 108 Loan Guarantee Program, especially those who are low and moderate income and/or are residents of slum or blighted areas. The City shall provide adequate information to citizens, hold public hearings to obtain the views of citizens, and provide citizens an opportunity to comment on the various programs being carried out by the City. The City shall provide information regarding Assessment of Fair Housing (AFH) to all residents and organizations of the community.

### CDBG Application

Prior to submission to the U.S. Department of Housing and Urban Development (HUD) for its annual entitlement under the CDBG Program, or for an application for guaranteed loan funds under the Section 108 Program, the City shall comply with the following:

1. The City shall furnish residents with information concerning:
  - a. The amount of CDBG funds, or guaranteed loan funds, expected to be available during the program year.
  - b. The range of activities that may be undertaken with CDBG funds, or guaranteed loan funds, in accordance with Federal regulations.
  - c. The estimated amount of those funds proposed to be used for activities that will benefit low and moderate income (very low and low) income persons.

### Public Awareness/Citizen Participation

1. The City shall hold public meetings as part of its CDBG application process to obtain the views of residents on the City's housing and community development needs. As part of these meetings, the City will provide assistance to individuals, groups, or organizations representing low and moderate (very low and low) income persons in the development of project proposals. These hearings will address the City's housing and community development needs, the development of proposed activities, and a review of project performance.
2. The City shall publish community-wide its proposed Statement of Community Development Objectives and Projected Use of Funds (or One-Year Action Plan), and/or its Section 108 Loan Guarantee Application, to afford affected citizens a minimum time period of at least thirty (30) days to examine the Statements contents, and to provide comments on the proposed Statement and/or Loan Guarantee Application, and on the City's community development performance. This Statement or Action Plan shall include the proposed amount of CDBG funds, and/or Loan Guarantee Funds, to be used for activities

benefiting low and moderate income persons. The 30-day period may be expedited under urgent circumstances, such as declared disasters or emergencies, but never less than a 5-day period.

3. The City shall consider any such citizen comments and views received, and if deemed appropriate, modify the proposed Statement or Action Plan. The City shall make the final statement available to the public.

4. The City shall publish notices for public hearings and other required notices in the non-legal section of the local newspaper of general circulation, the city's website [www.massillonohio.gov](http://www.massillonohio.gov), the Massillon Public Library, and access to records at the Community Development Office. The City shall provide a minimum of fourteen (14) days' notice regarding such public hearings. The notification period may be expedited under urgent circumstances, such as declared disasters or emergencies, but never less than a 5-day period. Notifications sent during this expedited 5-day period will be via the website **only** at [www.massillonohio.gov](http://www.massillonohio.gov).

5. The City shall encourage residents to participate in the development and process of Assessment of Fair Housing especially persons living in areas designated as a revitalization area and areas designated as a slum and blighted area.

6. The City shall provide technical assistance to persons and/or groups representative of persons of low and moderate income that request such assistance in commenting on the AFH and in developing proposals for funding assistance under any of the programs covered by the Consolidated Plan, with the level and type of assistance as determined by the City.

7. In the event of a declared disaster or emergency the Community Development Department will operate using virtual hearings. If virtual hearings are used, real-time responses and accommodation for persons with disabilities and/or with limited English proficiency will be made available to the greatest extent possible. A virtual hearing method will only be used in lieu of in-person hearings under urgent circumstances, such as declared disasters or emergencies

#### **Submission and Evaluation of Project Proposals**

Project proposals for the CDBG Program and/or the Section 108 Loan Guarantee Program will be accepted by the City any time after October 1 prior to the start of the City's next program year. Proposals will be handled in the following manner:

1. Proposals for funding must be submitted in writing to either the Mayor's Office or the Community Development Department. The City has application forms for this purpose. All applications must be complete and shall contain a brief description of the project, the purpose of the project and if applicable, its intended beneficiaries, the amount of funding being requested, and the name and address of the agency which will be responsible for undertaking the project. The Development Committee will score every application received. CDBG funding is then allocated to projects receiving the highest scores. It must be kept in mind that even though a public services project may score very high, the City may only allocate up to fifteen percent (15%) of its CDBG funds to these types of activities and therefore they may not receive funding.

2. The Development Committee shall review all project proposals for eligibility under the CDBG or applicable program regulations. All proposals will be reviewed by the Mayor. The Development Committee will prepare a proposed budget for submission to City Council.

3. Prior to formal adoption of the proposed Statement of Action Plan, City Council shall hold a public hearing, with notice given as previously described in the preceding section. At this hearing, City Council will receive public comments, either verbal or written, concerning the activities proposed to be funded and/or undertaken by the City.

4. City Council will adopt the proposed Statement or Action Plan after review of any comments received after publication of the proposed Statement and after the final public hearing has been held.

#### **Program Amendments – Citizen Participation**

The City may, from time to time, elect to amend its Final Statement or Action Plan by revising the amount projected in the Final Statement to be expended for an activity by more than fifty percent (50%), by changing the location of any activity, or by adding an activity not described. In the case of substantive program amendments, the City shall meet the following citizen participation requirements:

1. The City shall provide residents with a thirty (30) day notice, to be published in the local newspaper of general circulation, of such a proposed change in the use of its CDBG funds in order to provide residents with an opportunity to comment on the proposed change. The notification period may be expedited under urgent circumstances, such as declared disasters or emergencies, but never less than a 5-day period.

2. The City shall hold one public hearing, where practical or deemed appropriate, in order to receive residents' comments on the proposed amendment. The City shall consider any such citizen comments, and if deemed appropriate, shall modify the proposed change.

3. The City shall make the modified Final Statement or Action Plan available to the public as previously described in the preceding sections and shall submit a copy of the modification or amendment to HUD.

#### **Limited English Proficiency Residents**

1. The City of Massillon will undertake reasonable actions to facilitate the participation of persons with Limited English Proficiency in the community development process. Such actions may include the provision of an interpreter and/or the provision of materials in the appropriate language or format for persons with Limited English Proficiency.

#### **Other Citizen Participation Requirements**

1. In the planning and implementation of CDBG and/or Loan Guarantee projects that will affect low and moderate (very low and low) income persons residing within a particular designated target area neighborhood, the City will hold public informational meetings to explain the program activity as well as provide a forum for resident's comments, questions, or views concerning the proposed activity. Community Development Department will respond to any and all questions within 15 business days.

2. Any comments or views of residents of the City received in writing or orally shall be attached to the final AFA or the final Consolidated Plan or Action Plan (as applicable). Direct questions, concerns, or comments to:

**HUD Community Development Block Grant**

The City of Massillon Community Development Department will hold a Community Development Block Grant (CDBG) application workshop for the Program Year 2019 (July 1, 2019 – June 30, 2020) at:

**MASSILLON RECREATION CENTER, COMMUNITY ROOM A**  
Wednesday, November 14th, 2018 9:00am  
505 Erie Street North  
Massillon, OH 44846

Discussion at the workshop will include: explanation of the application form, HUD priorities, application ranking, and the application review process. Each application will be ranked on a point-based system; the more points earned, the more likely a project application will receive CDBG funding.

Attending the workshop is not a prerequisite for application. However, ten (10) points will be automatically awarded toward each application submitted just for attending the workshop. All applications are scored on a community need analysis based point system.

Applications will be accepted from November 14, 2018 to January 11, 2019. All applications are due by January 11, 2019 at 4:00pm. If you have any questions about the workshop, please contact the Community Development Department prior to the November 14, 2018 workshop at 609.930-1721.

The receipt of federal grant funds requires compliance with HUD programs, including the Community Development Block Grant program, as well as applicable state and local laws. The City of Stakely is in addition with community-based organizations to provide services to residents and has been awarded a grant from HUD. This grant will help fund the city's efforts to improve housing conditions and provide services to residents. The City of Stakely is also a member of the Great Plains Housing Authority, which provides housing assistance to low-income families.

## 2019 CAPER Review

### Overview

The City of Massillon, Ohio has proudly contributed great effort in the utilization of Community Development Block Grant (CDBG) funds to assist the U.S. Department of Housing and Urban Development (HUD) with the mission to provide a better quality of life for our citizens.

There are certain requirements all projects and activities funded must meet. Each project and activity must address one of the three national objectives – Benefit low/moderate income persons; assist in the prevention or elimination of slum and blight; or Meet an urgent need. Of the funds: at least 70% must benefit low to moderate income; the amount of the grant used to fund Public Service Activities cannot exceed 15%; and administrative costs and expenses cannot exceed 20% of the grant.

The City is an entitlement community under the HUD CDBG Program, and as such, we are responsible for preparing, submitting and administering the funds that we receive directly from HUD.

For the 2019 Program year the City was awarded Community Development Block Grant funds in the amount of \$638,441.00. The money from the 2019 grant, which ran from July 1, 2019 through June 30, 2020, was used to fund local community development activities.

### Public Service Recipients

Of the total amount awarded, \$95,000.00 was given to local agency projects that applied for and were approved for the sub-recipient grant dollars.

Listed below are the agencies that were awarded funding through the Public Service portion of the grant, along with an amount and a brief description of the services provided with the CDBG grant:

- Boys and Girls Club of Massillon - \$9,500.00 - provided a "Career Launch" program that mentors, educates, and trains youth skills for future employment/careers.
- Canton Ex-Newsboys - \$8,000.00 - Association purchased coats, shoes and clothing for needy children, specifically in the Massillon area.
- CommQuest - \$9,500.00 - operated the Family Living Center Homeless Shelter located in Massillon.
- Domestic Violence Project - \$9,500.00 - operated a shelter (confidential location) that provides short term emergency housing and supportive services for women and children who are victims of domestic violence.
- Faith in Action of Western Stark County - \$8,000.00 - provided caregiver services to elderly, frail elderly and handicapped persons of Massillon.
- Habitat for Humanity - \$9,500.00 - provided housing in Massillon and these funds will focus on improvement of neighborhoods. Habitat will acquire dilapidated, substandard vacant homes

demolish the structures to make way for future new home construction for low-moderate income Habitat program families.

- **Make A Way - \$5,500.00** - provided educational and peer support programs for persons with mental illness, physical disabilities, and for developmental disabilities.
- **Meals On Wheels - \$5,000.00** - provided meals to low-to-moderate income Massillon seniors
- **Salvation Army - \$9,500.00** - provided a program with Housing Outreach Specialist to assist the homeless and families in crisis with housing related problems.
- **Stark County Mental Health & Addiction - \$9,500.00** - Stark County Homeless Hotline serves as Stark County Continuum of Care (CoC) centralized point of entry for persons seeking assistance with housing and social service needs.
- **Westark Family Services - \$9,500.00** - provided an Elderly Homemaker Program in-home personal care and assistance to elderly and handicapped persons.
- **YMCA - \$4,000.00** - provides membership scholarships to low-to-moderate income individuals and families.

the Full Rehabilitation Program (HOME) by providing assistance to repair one or more items that are in need of serious repair and bring them up to Minimum Code.

During the 2019 program year, the Housing Department provided assistance to 10 low-to-moderate income families, with a total of \$88,433.41. The following projects were completed:

- 2 Electrical Repair
- 5 New Roofs
- 5 New/Repaired Furnaces
- 1 Plumbing Repairs
- 1 Handicap Accessibility Project

The money provided also allows the City to operate our own Fair Housing program, in which we work to improve and promote housing opportunities within the community through education and outreach, monitoring and evaluation, and administration of fair housing laws. We were able to address tenant/landlord issues and, when needed, conducted counseling services between the tenant and landlord.

For the 2019 program year the Housing Department received \$10,223.00 for the Fair Housing Program. We responded to a total of 372 Fair Housing calls. Many of these calls were resolved by communicating with the tenant and landlord to find a compromise acceptable to both parties; some calls were transferred to Code Enforcement and resolved through their Department.

neighborhoods and target area of the City. In total, \$35,368.98 was used, and 134 inspections were completed and violations corrected. Inspections of housing units includes rental units, buildings, businesses, and organizations in Massillon's designated target area when complaints are filed by the public, identified by City staff, or during compliance monitoring.

### CDBG Program Year 2019, City of Massillon (CAPER ATTACHMENT)

The City of Massillon receives Community Development Block Grant (CDBG) funds each year from the federal government through the U.S. Department of Housing and Urban Development (HUD). The City of Massillon is an entitlement community under the HUD CDBG Program. As an entitlement community, the City of Massillon is awarded annual CDBG allocations to fund selected activities to address HUD National Objectives: Serve Low-Moderate Persons, Reduce Slum & Blight and Natural Disaster.

The City submitted to the U.S. Department of Housing and Urban Development (HUD) the required Five Year Consolidated Plan as a consortium with Stark County and the City of Alliance. As a recipient of federal fund the City of Massillon prepares the Annual Action Plan prior to the program year, and the Consolidated Annual Performance and Evaluation Report (CAPER) at the end of the program year. The CAPER provides information on accomplishments in the City of Massillon in meeting goals set forth in the Annual Action Plan of the Consolidated Plan for Affordable housing; Homeless needs; Neighborhood improvements; Non-homeless special needs; Economic development; and Public services.

The City of Massillon continues to make a significant impact in the community by achieving its goals and priorities as stated in the CAPER. The City has successfully implemented the following activities; housing rehabilitation, assistance provided for disabled and homeless individuals and public services activities are available to the low-income elderly and youth of the City.

The City of Massillon, along with the entire world, faced many unique challenges related to the Coronavirus/COVID-19 pandemic that emerged throughout the second half of the 2019 Program Year and will continue in to PY 2020. Community Development Block Grant funding provided to Massillon continues to be a vital resource of funding for low-to-moderate income individuals, and will now uniquely be instrumental in serving individuals and families that find themselves facing an unanticipated economic hardship as a result of the pandemic.

### **HOUSING ACCOMPLISHMENTS**

The city of Massillon's **Emergency Rehabilitation Program** continued to impact the community and proved to be effective in accomplishing assistance to citizens with housing needs. The program is valuable to Low /moderate income (LMI) persons who are able to stay in their homes, because of the program dollars addressing their emergency housing needs. This year's program included the emergency assistance repair and/or replacement of 5 furnaces, 5 roofs, 2 household electrical systems, 1 plumbing system, and 1 accessibility project. Housing assistance not only benefits LMI person, but also is the subsequent prevention and elimination of slum and blight in neighborhoods, making for suitable, safe, and sustainable living environments. The City of Massillon's Homebuyer Assistance Program and the Housing Rehabilitation Program are detailed and included in Stark County's 2019 CAPER (lead of the consortium).

### **FAIR HOUSING ACCOMPLISHMENTS**

The City of Massillon operates its own Fair Housing Program which has made continued progress in protecting and assisting citizens in the City in regards to the Federal Fair Housing Act. The Housing Department and Fair Housing Coordinator continued outreach to the local community during the PY 2019 regarding education of the Fair Housing laws, guidance, monitoring and evaluations. Unfortunately, due to the Coronavirus/COVID-19 pandemic, many of the in-person outreach events that the Housing Department hosts or participates in were cancelled. During PY 2019 Massillon's Housing Department responded to a total of 372 Fair Housing calls, averaging approximately thirty (31) calls each month. The majority of calls received are regarding tenant/landlord issues, such as repairs not being completed or questions regarding the rights during eviction proceedings.
