3/3/2021

Governor DeWine has outlined the individuals who are included in Phase 1C and Phase 2 of Ohio's vaccination plan.

**Phase 1C: Medical Groups**

- Type 1 diabetes
- Pregnant women
- Bone marrow transplant recipients
- ALS (Lou Gehrig's Disease)

**Phase 1C: Occupations**

**Childcare Services**

- Administrators, lead and assistant teachers, and substitutes who are enrolled in Ohio's Professional Registry who are currently working in open childcare and pre-kindergarten programs.
- Licensing specialists employed by the Ohio Department of Job and Family Services or county job and family services agencies.
- *This phase does not include parent volunteers, board members, or owners/administrators that do not provide in-classroom supports.*

**Funeral Services** Embalmers/morticians, funeral home directors, crematory operators, and apprentices.

**Law Enforcement and Corrections Officers**

Examples of law enforcement occupations included in Phase 1C are police officers; sheriff's deputies; Ohio State Highway Patrol Troopers; other state or federal enforcement officers such as Ohio Department of Natural Resource enforcement staff, pharmacy board investigators, BCI agents, state fire marshal investigators, federal transportation security officers, and other federal law enforcement officers who do not have access to vaccination from federal sources.

**Phase 2**

Phase 2 will open vaccinations based on age, beginning with Ohioans ages 60 and older.

**Ohio now offers more than 1,200 provider locations. Ohioans can find vaccine provider locations at [vaccine.coronavirus.ohio.gov](http://vaccine.coronavirus.ohio.gov). Those who do not have access to the internet or are having trouble managing the online scheduling systems should call the 211 helpline center or the Area Agencies on Aging at 1-866-243-5678.**
