Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The enclosed City of Massillon One Year Action Plan is a summary of the City of Massillon CDBG and HOME funding programs for the coming year. The City of Massillon Community Development Department is responsible for the planning, administration and execution of CDBG activities under this Action Plan. In addition, Massillon is a member in the Stark County HOME Consortium and the lead is Stark County Regional Planning Commission (the HOME PJ) in the administration and management of HOME funded activities which are conducted in Massillon. The City of Massillon is a member of the Consortium as is the City of Alliance.

This Action Plan for both fundings – the City of Massillon CDBG funds and the Stark County Consortium HOME funds – are in the fourth year of a five-year Consolidated Plan. The Consolidated Plan for Massillon’s CDBG funds was created by City staff in partnership with Placemark Collaborative consulting firm. The Consolidated Plan for the Stark County Consortium HOME program was developed by the Stark County Regional Planning Commission (SCRPC) staff as the lead agency with assistance from the City of Alliance and Massillon staffs.

The City of Massillon's housing and community development strategy includes an assessment of the City's housing and homeless needs, public facilities, infrastructure improvements, public services, accessibility, historic preservation, economic development, and planning needs. The City's strategy was developed through a two-pronged approach. First, a city-wide planning approach, with citizen participation effort that solicited proposals from local groups and citizens and then work with the City Council in the development of its Non-Housing Community Development Needs. Second, the HOME strategy was a County-wide regional planning approach, in which the City worked with Alliance and Stark County in the study and analysis of housing needs, goals, and objectives on an area-wide basis. Other local agencies and service providers were contacted and participated in this process.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

In preparing the City of Massillon's One-Year Action Plan, the City addressed those needs that met one of the three statutory objectives of the CDBG program: benefit low-and-moderate-income persons,

elimination of slum and blighting conditions, or an urgent community development need. And the Action Plan further targeted specific goals which were raised and identified during the creation of the five-year Consolidated Plan. Specific goals, objectives and outcomes include: local support for housing rehabilitation, targeted street improvements in low-and-moderate-income neighborhoods, local support to personnel to enforcing local code requirements in low- and moderate-income neighborhoods, and provide public services for low-and-moderate-income income persons.

The HOME funding has specific goals of preservation of affordable housing; funding to improvements for storm sewers; targeted public services for low- and moderate-income persons; rental assistance to increase affordability to low- and moderate-income persons and funding for housing rehab and down payment assistance.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The Consolidated Annual Performance Report (CAPER) for the last several years has shown the City of Massillon has a long history of successful management of CDBG funds, as well as of project & sub recipient management that meet the CDBG objectives and outcomes in the Massillon community. Efforts to increase the number of low and moderate-income homeowners have been successful with programs that provide homeowner rehabilitation and repair, and down payment assistance to first-time homebuyers. Activities to assist the homeless have once again exceeded their goals. Code Enforcement activities, specifically in our low-to-moderate income target area, have made lasting impacts on the neighborhoods by reducing slum and blight and working with property owners to correct violations found. The processes and systems that are in place have been set up over many years of experienced staff management. Most of the projects that have been selected and are proposed here in this Plan are very similar to those of the past years. The staff does use HUD based IDIS reporting to monitor and manage the ongoing efforts of the City program.

In the HOME funded programs, the Stark County Consortium has a record of excellence helped by the very experienced staff at the Stark County Regional Planning Commission. Project areas that have been selected for the HOME Consortium Plan include housing rehabilitation for low- and moderate-income households, provision of emergency housing rehabilitation for Massillon as well as provisions outside of Massillon by the Consortium for fair housing counseling, affordable housing through rehabilitation of existing homes.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

The Massillon citizen participation process followed the documented City of Massillon Citizen Participation Plan. Citizens were given multiple opportunities throughout the planning process to provide input on activities undertaken for the 2022 Annual Action Plan. An application workshop was held on January 25, 2022 to provide information to agencies interested in applying for funding under the Public Services allocation of the grant. The Workshop notice was published in Massillon's sole local paper - the Massillon Independent on 01/12/2022. An invitation was displayed in the City of Massillon offices, on the City's website, and invitations were also sent to nonprofit agencies that have applied for funding in the past or who expressed any interest in applying. Staff members provided assistance by phone and email to answer any questions and help agencies in completing their applications. As a result of increased outreach efforts, we received more applications for funding than the past several years. The applications were due on February 28th, 2022. The plan was developed based on applications presented by the Community Development staff. This plan was published in the Massillon Independent, posted at the Massillon Public Library, posted on the City's website, and posted at the City's Public Office Buildings. Notification of Public Hearing was published in the Massillon Independent on April 18, 2022. This Hearing was held on May 2, 2022. Notification of the Public Comment Period was published on April 18, 2022. This 30-day comment period was open from April 19th through May 19th, 2022. Further, the proposed funding plan was presented to the City of Massillon council members on June 13th at their regularly scheduled public work session and the plan was approved by council on July 5, 2022 at their regularly scheduled meeting. All council meetings are open to the public and a public comment period is offered at each meeting. The Action Plan will be submitted to HUD by the August 16, 2022 deadline. Funding will be awarded for the period between July 1, 2022 and June 30, 2023.

The Citizens Participation Plan was updated in September of 2019 to include efforts to reach limited English proficient citizens. The City of Massillon will undertake reasonable actions to facilitate the participation of persons with Limited English Proficiency in the community development process. Such actions may include the provision of an interpreter and/or the provision of materials in the appropriate language or format for persons with Limited English Proficiency.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

The City of Massillon received no substantive comments during the 30-day public comment period, which ran from April 19, 2022 through May 19th, 2022, or at any of the Public Hearings.

6. Summary of comments or views not accepted and the reasons for not accepting them

The City of Massillon received no comments; therefore, no comments were not accepted.

7. Summary

The 2022 Action Plan is the fourth year of the five-year Consolidated Plan period for both the City of Massillon CDBG funding and the HOME Consortium of Care funding. Throughout the plan, efforts to encourage public participation in the CDBG programs and plans are outlined in detail. Citizen involvement in Massillon did achieve increased invitations to potential nonprofits in the area and with a mission that fits the local needs in addition to the CDBG and HOME application workshops and public meetings and public hearings. Massillon staff met with various groups throughout the year where issues may be raised as they relate to areas of the Consolidated Plan, CDBG and HOME programs.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

The City of Massillon is committed to addressing the community's priority needs in the most efficient and effective way possible. The Community Development Department coordinates with other city departments, Stark Metropolitan Housing Authority (SMHA), and other key stakeholders and organizations in the community. Partnering with many different departments, agencies, and organizations allows us to utilize the collective knowledge of these local agencies to help develop strategies and goals to solve the city's priority needs.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The City of Massillon will meet with any group and applicant for funding. As this is the fourth year of the five-year Consolidated Plan, no significant additional consultations were held outside of the application processes and efforts to solicit funding requests. The RPC staff also meets with any entity as requested or the need arises to enhance coordination. The City of Massillon staff has met with the City of Canton and City of Alliance staff to discuss their HUD CDBG programming to learn about some of their practices and activities in an effort to learn and potentially discover new or better ideas and solutions to best help Massillon to meet HUD targets and guidelines.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Massillon is one of three participants in the Consortium of Care led by the Stark County Regional Planning Commission (SCRPC) also including the City of Alliance. The SCRPC is the Collaborative Applicant for the Continuum of Care (CoC) operating as the Homeless Continuum of Care of Stark County (HCCSC: OH-508). The City of Massillon helps support and assists the HCCSC. The HCCSC is a countywide effort and the SCRPC is heavily involved in all aspects of the CoC ranging from planning, writing of the CoC Application, policy-writing and serving on various CoC committees. The CoC Planner, a member of the SCRPC staff, provides most of the administrative duties for the CoC and serves as the liaison between all committees, sub-committees, focus groups and other relevant groups in the community relating to homelessness such as the Homeless Services Collaborative and the Veterans Task Force. The CoC Planner also monitors and provides assistance to CoC programs as well as assists committees in evaluating and ranking CoC funded programs.

The City of Massillon also provides nonprofit sub recipient funding to many local groups - one of which is the Family Living Center Homeless Shelter that is located in Massillon and provides local support and temporary housing to families and individuals that are experiencing homelessness.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Massillon does not receive any ESG funds. Stark County's only ESG recipient is the City of Canton. The Homeless Continuum of Care of Stark County assists the City of Canton with the administration of these ESG funds. The HCCSC, of which SCRPC is intensely involved as indicated above, provides assistance to the ESG recipient through the System Performance and Planning Committee and the Recipient Evaluation and Review Committee which develop performance standards and evaluates outcomes for the whole system of care of the homeless which includes HCCSC and ESG funded programs. SCRPC is involved in discussions around funding and developing policies and procedures for HMIS through the SCRPC's Chief of Community Development and the CoC Planner serving on the Executive Committee and the HCCSC which whom these responsibilities lie.

Expected Resources

AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

Introduction

The City of Massillon is a direct entitlement community for the Community Development Block Grant (CDBG) Program. As such, Massillon receives an annual allocation of Federal funding from the U.S. Department of HUD for CDBG.

Massillon is also a member of the Stark County Consortium through which it receives funds from the HOME Investment Partnership (HOME) Program. The Consortium members are the Stark County Urban County and the cities of Alliance and Massillon. Information about the HOME Program and annual funding availability to the Consortium members is contained in the 2022 Annual Action Plan prepared by the Stark County Regional Planning Commission.

The City of Massillon is forecasting that funding levels will remain relatively flat during the first year and the remaining years of the 5 Year Consolidation Plan. The City is projecting to receive a total \$3,192,205.00 of the 5 Year Plan which would be a yearly allocation of \$638,441.00

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City of Massillon strives to fund programs, such as the target area street improvement projects, that maximize other funding sources. These CDBG funds can be leveraged with local funds and state funds to maximize results. For the Stark HOME Consortium, HOME projects that are funded as part of the LIHTC program offer matching funds. Additionally, large HOME funded projects with multiple funding sources involved provide match as well.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Massillon Parks & Recreation maintains parks and recreation facilities that may be maintained, repaired, or modernized in order to increase the livability and sustainability of particular neighborhoods.

Publicly owned land (roads, rights-of-way, sidewalks) may be improved above and below the surface to remedy infrastructure priorities and to improve public access, safety, and disability accessibility.

The City of Massillon may acquire property tax delinquent vacant parcels in order to increase the livability and sustainability of particular neighborhoods.

The Stark County Land Reutilization Corporation (Land Bank) may hold vacant parcels and/or vacant buildings in Massillon. Vacant parcels may

be sold. Properties with buildings may be rehabilitated or demolished, after a case-by-case analysis, in order to improve the sustainability of housing in particular neighborhoods.

Discussion

As part of the CDBG and HOME application, applicants are required to identify match and leveraged funds. Points are awarded to those projects that accomplish this. The City of Massillon has a reasonable carry-over of CDBG funds. In the HOME program the City of Massillon is focused on committing and expending resources per HUD guidelines.

Funding Contingency Plan

In the event that there is:

A difference in the estimated and actual amount of carryover funds and/or program income from FY 2021 to FY 2022;

The budgets for activities identified in the FY 2022 Annual Action Plan will be increased/decreased proportionally in relation to the overall change in funding.

AP-35 Projects - 91.420, 91.220(d)

Introduction

Under its FY 2022 Action Plan, Massillon will undertake a variety of projects designed to meet underserved housing needs and address affordable housing issues. The City will continue to operate its own housing rehabilitation program, offering deferred payment loans up to \$25,000 to low-and-moderate-income homeowners for the repair and rehabilitation of their homes. The City will continue its emergency home repair program, providing up to \$7,500 to assist LMI homeowners with needed repairs to correct one emergency housing problems, such as electrical, heating, or plumbing. To bridge the gap between the Full Rehabilitation program and Emergency Repair Program, the City implemented a minor repair program several years ago. The Minor Repair Program allows for two or more items to be completed, with a maximum assistance limit of \$15,000. The City will also continue its down payment assistance program utilizing HOME funding.

The City has partnered with Habitat for Humanity of East Central Ohio to complete a Neighborhood Renewal Project in the SW side of the City. This will consist of acquisition, preservation and construction of single-family housing specifically for low-to-moderate income individuals and families.

The City utilizes CDBG funds for housing code enforcement in low income neighborhoods (Target Area). Code enforcement activities include initial housing unit inspections, reporting code violations to property owners, requiring repair of violations, and follow-up inspections to determine compliance with repair orders. CDBG funds will be used for code enforcement in Target Area where such enforcement, together with public or private improvements, or other services to be provided, may be expected to arrest the decline of such areas.

The City will utilize CDBG funding for neighborhood infrastructure improvements, including street paving in LMI neighborhoods (Target Area). Activities such as housing rehabilitation, homebuyer assistance, code enforcement, and public facility and infrastructure improvements can all work together to help revitalize designated Target Areas in the City of Massillon.

The City will continue to work with Massillon Main Street in undertaking an exterior renovation/facade improvement program for downtown commercial buildings.

Utilizing the 15% grant allowance for public service activities, the City will provide funding to the following agencies:

Habitat for Humanity of Northeast Ohio for its Hope ReStored program. The Hope ReStored program provides household furnishing vouchers to low-to-moderate income families in need of beds, dressers, etc. These vouchers will be distributed through local non-profit partners.

CDBG funding will be provided to CommQuest to assist in the operation of the Family Living Center,

which provides shelter and supportive services to families and single women. The City will also provide CDBG funding to the Domestic Violence Project for its Western Stark Emergency Housing Program to provide short-term emergency housing and supportive services for victims of domestic violence and families in Massillon. The City will also provide funding to Stark Mental Health and Addiction Recovery for their county wide homeless hotline management.

The City will also utilize CDBG funds for a variety of public service programs designed to meet the needs of low-income persons in the community. Low income youth needs will be served by Boys and Girls Club of Massillon Be Great: Graduate Program, Canton Ex-Newsboys, Legacy Project of Stark County, Make-A-Way, Stark Fresh, Straight Path Program, and the YMCA of Western Stark County.

Elderly and handicapped needs will be served by Westark Family Services Elderly Homemaker Program, Vantage Aging/Meals on Wheels and the Faith in Action Elderly Caregiver Program.

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

CDBG and HOME funded applications are awarded on a competitive basis. Under the City of Massillon CDBG program the City works under Annual Action Plans which are collected and assembled each Spring and are integrated into our Five-Year Consolidated Plan which covers the Program Years 2019 to 2023. CDBG applications were reviewed by the staff for eligibility and their plan. Applications were then reviewed and scored to determine the proposed funding. The proposed funding is then presented to the City of Massillon City Council who can change, approve, or deny funding. A public comment period was provided over a 30-day period (April 19, 2022 - May 19, 2022) with advertising in the local paper, posted on the public boards in City Hall, and listed on the City of Massillon’s website. Advertising was published January 12, 2022, April 18, 2022, and April 25, 2022. A Public Meeting for comments took place on May 2, 2022. The Massillon City Council was presented legislation and approved the FY 2022 CDBG budget allocation.

HOME applications are received on an annual basis. All HOME applications are reviewed and scored by the RPC staff. Final recommendations on funding programs were reviewed by the Board of Stark County Commissioners, prior to a public hearing. The Board makes a final determination on funding following the publication of the draft program and the 30-day comment period.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

The City of Massillon CDBG funding is heavily focused on addressing the barriers of Affordable Housing. The City of Massillon's program for homebuyer assistance and housing rehab is focused on assistance to overcome housing needs. The City of Massillon Housing Director serves as the Fair Housing administrator to help identify, advocate, enforce and promote all elements of Fair Housing. SCRPC employs the Fair Housing Coordinator for Stark County. She and the Community Development and Planning staff work together towards removing barriers to affordable housing.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City of Massillon uses several activities to address Affordable Housing including Code Enforcement in Targeted areas. It also uses a Fair Housing program. The Fair Housing Coordinator for Stark County as part of the Continuum of Care is a regular speaker in Massillon and across the County. Staff will review and modify, as needed, funding agreements with subrecipients to include a disclaimer that the subrecipient/local government will affirmatively further fair housing.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

This section is to describe the City of Massillon's proposed FY 2022 Action Plan activities that will address other HUD and CDBG goals, needs, and activities that have not been previously addressed in this Action Plan, conforming to the National Objectives: Benefit low-and-moderate-income Persons or Households; and Elimination of Slums and Blight.

Actions planned to address obstacles to meeting underserved needs

The City of Massillon has many activities and projects planned for the upcoming period that will address underserved needs. However, there are obstacles to many of our goals and objectives. There is a persistent and consistent concern with adequate funding. There has been an overall decrease in CDBG funding over the past decade. The City is finding it more and more difficult to secure the resources needed to meet all underserved needs in the community. Every year the City will continue to work with local foundations and other funding sources in addressing these efforts. The City is constantly working with State and Local bodies to maximize their funding to improve the leveraging of funds.

Actions planned to foster and maintain affordable housing

Emergency and Minor Home Repair Program - The City will utilize CDBG funds to provide emergency home repair for low income homeowners to complete repairs of housing problems needing immediate assistance. These programs both have maximum assistance limits of up to \$7,500 for the Emergency Program and \$9,500.00 for the Minor Repair Program. Eligibility requirements are the same as for the City's housing rehabilitation program. In addition to the City's program, Habitat for Humanity will receive funding to carry out housing rehabilitation/new housing construction programs in the Neighborhood Renewal Project area.

Housing Objective: Provision of decent housing that is affordable by upgrading the existing housing stock through selective rehabilitation and redevelopment to meet the needs of existing low-income homeowners.

Funding Source: CDBG Entitlement Funds

Homebuyer Assistance Program- The City of Massillon recognizes the need to promote homeownership in the community, which helps stabilize residential neighborhoods, as well as improve the economic well-being of families. For this reason, the City offers homebuyer assistance programs for low-to-moderate-income households who wish to become homeowners, but who lack the resources to cover all initial costs, such as down payment and closing costs.

The City will provide an eligible applicant up to 6 or 7%, depending on income level, of the total purchase price of a home to be used towards both down payment and closing costs. Funds cannot exceed lender's criteria regarding third party contributions and some funds must come from purchaser's resources. Pre-paid expenses, such as insurance, taxes, interest and loan discount fees may not be paid through this assistance program. Housing rehabilitation assistance may also be provided, as needed and as available.

Homes must be inspected for compliance with the State of Ohio Residential Rehabilitation Standards (RSS). Financial assistance will be secured by a Promissory Note and a Mortgage and will be forgiven without repayment after five years provided the property continues to be in the name of and the principal residence of the applicant, and is not used as collateral for a subsequent loan. Applicants must participate in a credit counseling session as a condition of assistance being provided.

Housing Objective: Increase access to decent affordable housing by providing homeownership opportunities for low-and-moderate-income households and for minority households.

Funding Source: HOME funds from Stark Consortium

Target Area Code Enforcement - Under this activity, the City of Massillon will utilize CDBG funding to operate a housing code enforcement program within the City's identified target area neighborhoods - Census Tracts 7137, 7141, 7142, 7143.02 (BG 2), 7144 (BG 2), and 1750. The City code enforcement officers will inspect homeowner-occupied and rental dwelling units within these neighborhoods, report all code violations to the property owner, require mandatory rehabilitation and repair of these violations, and provide follow-up inspections to determine compliance with repair orders.

Housing Objective: Increase the availability of decent housing through enforcement of local housing codes. This project activity will help to preserve and improve the City's quality of affordable existing rental and owner-occupied housing for low income households and will help to improve living conditions within the City's identified LMI neighborhoods.

Funding Source: CDBG Entitlement Funds

Actions planned to reduce lead-based paint hazards

Housing Rehabilitation Program - The City of Massillon, in an effort to upgrade its residential neighborhoods, offers housing rehabilitation financial assistance to lower income homeowners. The City will utilize HOME funds from the Stark County Consortium to provide deferred payment loans, of up to \$25,000, to low income owner/occupants to make repairs and improvements to their dwellings to bring these units up to local code standards. This funding assistance is being provided to achieve the following rehabilitation objectives, in order of priority:

- 1) Eliminate the presence of lead-based paint hazards;

- 2) Bring the property into compliance with HUD Housing Quality Standards (HQS);
- 3) Make other repairs deemed by the City to be a housing problem threatening the health and/or safety of the owner-occupants;
- 4) Energy conservation purposes, such as installation of storm windows and doors; and
- 5) Cosmetic corrections to the interior and exterior of the dwelling.

To be eligible for assistance, the applicant must be the owner/occupant of the dwelling situated within the city limits of Massillon, and must maintain taxes and insurance on the property. Financial assistance will be secured by a Promissory Note and a Mortgage and will be forgiven without repayment after ten years provided the property continues to be in the name of and the principal residence of the applicant, and is not used as collateral for a subsequent loan.

Housing Objective: Provision of decent housing that is affordable by upgrading the existing housing stock through selective rehabilitation and redevelopment to meet the needs of existing low-income homeowners.

Outcome: Undertake a total of 3 units of rehabilitation over the 1-year plan period.

Funding Source: HOME funds from Stark Consortium

In an effort to follow the Department of Housing & Urban Development's lead-based paint regulations, the City of Massillon, in conjunction with Stark County and the Stark County Regional Planning Commission, has adopted policies for dealing with lead-based paint in its housing programs. City Housing Department staff provides brochures regarding lead-based paint concerns to all housing rehabilitation participants and rehabilitation projects are tested for lead-based paint clearance to ensure compliance.

Actions planned to reduce the number of poverty-level families

The City of Massillon will continue to utilize federal resources to operate programs, such as rehabilitation assistance, which enable low and very low income households to remain in their homes and to keep these dwellings in decent, safe, and sanitary condition, while also enabling these households to use their limited resources for other necessary living expenses, such as food and clothing. The City will also continue to work with other members of the Stark County HOME Consortium and with other area housing and social service providers in carrying out its anti-poverty strategy, including job training, education, and self-sufficiency programs.

Through its cooperation with other local agencies and with the other governments in the Stark County Consortium, the City of Massillon has worked to develop a structure to enhance coordination between

local government and social service organizations serving the community. Because the continued existence of poverty is due to a complex combination of factors - some economic, some social, including housing, education, and personal problems, there needs to be strong coordination between the local government and the various agencies that deal with poverty issues. The City has proposed a comprehensive program of activities and programs designed to address these poverty issues:

1. Housing rehabilitation, homeownership assistance programs, and code enforcement activities to provide affordable housing and improve housing opportunities;
2. Public facility and infrastructure improvements to help stabilize and revitalize low income residential neighborhoods;
3. Economic development programs to create and retain jobs in the community, particularly to improve employment opportunities for low income persons; and
4. Public service activities to meet the social, economic, health, and educational needs of low-income persons, including the homeless and those threatened with homelessness.

Actions planned to develop institutional structure

Through its participation in the Stark County HOME Consortium, the City of Massillon works closely with the cities of Alliance and Canton and with Stark County to provide an area-wide approach to housing and community development issues. The City participates in the Homeless Continuum of Care of Stark County (HCCSC). The City also participates in the Western Stark County Homeless Task Force. Founded in 2006, the Western Stark County Homeless Task Force is a collaborative effort that involves leaders from Massillon Area Clergy Association, City Officials, and multiple Social Service Organizations (Salvation Army, Community Services of Stark County – Family Living Center, AHEAD) working together to identify the needs and address the issues, as a collective entity that involve the homeless and at-risk to be homeless of our community.

Actions planned to enhance coordination between public and private housing and social service agencies

The City of Massillon always strives to enhance the coordination between public and private housing and service agencies whenever necessary. Homelessness is a need that is addressed with the HCCSC which is comprised of public and private housing and social service agencies. The City of Massillon is connected to the HCCSC and helps other agencies assist homelessness. The City also provides funding to the Family Living Center Homeless Shelter, which is owned and operated by the Community Services of Stark County to assist in the operation of the Family Living Center Homeless Shelter, located at 412 Lincoln Way East. The City of Massillon also provides assistance to Stark County Mental Health & Addiction Recovery to assist in a countywide homeless hotline collaboration.

Further coordination is shown at the Stark County Continuum of Care, is a partnership of three entities across Stark County – the City of Massillon, City of Alliance and Regional Planning Commission. Daily interaction takes place between Massillon, Alliance and Stark County, as members of the HOME consortium. The City of Massillon Housing Department staff works with the RPC through housing rehab programs under a contract. The RPC staff assists with inspections of both our HOME and CDBG funded projects.

The City of Massillon's staff provides CDBG funding to other non-profit agencies to maximize their work for the community. The Domestic Violence Shelter assists in providing safe housing for victims of domestic violence, including short-term emergency housing and supportive services for women and children who are victims of domestic violence. Also, the Massillon Main Street Program provides a downtown rehabilitation program, offering grant assistance to downtown property owners for exterior building renovations.

The City also provides funding to two groups for day care and home care. The Westark Family Services Elderly Homemaker Program has in-home elderly and handicapped homemaker services, including light housekeeping, laundry, marketing and errands, serving of meals, personal care and assistance. The second entity is Faith in Action Elderly Caregiver Program, which provides in-home services and assistance to the ill, frail elderly, and disabled population.

Massillon provides CDBG funding to the Boys & Girls Club of Massillon for a program that provides education, experience, and training for youth ages 14-18 in the development of skills for future employment. The City also provides funding to the YMCA of Western Stark County for their "All Access" program to provide membership assistance to low- and moderate-income persons. The Boys & Girls Club primarily serves youth residing in low income neighborhoods of Massillon. In addition, the City provides CDBG funds to the Canton Ex-Newsboys "No Child Shall Miss School" program, which focuses on providing clothing for students from low- and moderate-income households in Massillon.

CDBG funds are also provided by the City of Massillon to Make A Way, which supports various programs for disabled persons, as well as Vantage (Meals on Wheels), which assists low- and moderate-income seniors in Massillon to receive healthy meals.

Discussion

The City of Massillon continues to utilize CDBG funding to serve the community. The planning and program administration are key activities in the implementation and management of these programs. The City will use CDBG funding for administrative activities, including the overall management, coordination, reporting and record-keeping requirements of the CDBG Program. CDBG funds will also be used for planning activities, including economic development planning. The City will utilize CDBG funding for the provision of fair housing services and activities to improve and promote housing opportunities in the community, including education, outreach, monitoring and evaluation, as well as activities designed to address identified impediments to fair housing.

Citizen Participation Comments

CITIZEN PARTICIPATION PLAN

The City of Massillon shall provide citizens with an adequate opportunity to participate in the development of the application and in implementation, monitoring, and evaluation of the Community Development Block Grant (CDBG) Program and other Federal and State housing and community development programs, including the Section 108 Loan Guarantee Program, especially those who are low and moderate income and/or are residents of slum or blighted areas. The City shall provide adequate information to citizens, hold public hearings to obtain the views of citizens, and provide citizens an opportunity to comment on the various programs being carried out by the City. The City shall provide information regarding Assessment of Fair Housing (AFH) to all residents and organizations of the community.

CDBG Application

Prior to submission to the U.S. Department of Housing and Urban Development (HUD) for its annual entitlement under the CDBG Program, or for an application for guaranteed loan funds under the Section 108 Program, the City shall comply with the following:

1. The City shall furnish residents with information concerning:
 - a. The amount of CDBG funds, or guaranteed loan funds, expected to be available during the program year.
 - b. The range of activities that may be undertaken with CDBG funds, or guaranteed loan funds, in accordance with Federal regulations.
 - c. The estimated amount of those funds proposed to be used for activities that will benefit low and moderate income (very low and low) income persons.

Public Awareness/Citizen Participation

1. The City shall hold public meetings as part of its CDBG application process to obtain the views of residents on the City's housing and community development needs. As part of these meetings, the City will provide assistance to individuals, groups, or organizations representing low and moderate (very low and low) income persons in the development of project proposals. These hearings will address the City's housing and community development needs, the development of proposed activities, and a review of project performance.
2. The City shall publish community-wide its proposed Statement of Community Development Objectives and Projected Use of Funds (or One-Year Action Plan), and/or its Section 108 Loan Guarantee Application, to afford affected citizens a minimum time period of at least thirty (30) days to examine the Statements contents, and to provide comments on the proposed Statement and/or Loan Guarantee Application, and on the City's community development performance. This Statement or Action Plan shall include the proposed amount of CDBG funds, and/or Loan Guarantee Funds, to be used for activities

benefiting low and moderate income persons. The 30-day period may be expedited under urgent circumstances, such as declared disasters or emergencies, but never less than a 5-day period.

3. The City shall consider any such citizen comments and views received, and if deemed appropriate, modify the proposed Statement or Action Plan. The City shall make the final statement available to the public.
4. The City shall publish notices for public hearings and other required notices in the non-legal section of the local newspaper of general circulation, the city's website www.massillonohio.gov, the Massillon Public Library, and access to records at the Community Development Office. The City shall provide a minimum of fourteen (14) days' notice regarding such public hearings. The notification period may be expedited under urgent circumstances, such as declared disasters or emergencies, but never less than a 5-day period. Notifications sent during this expedited 5-day period will be via the website **only** at www.massillonohio.gov.
5. The City shall encourage residents to participate in the development and process of Assessment of Fair Housing especially persons living in areas designated as a revitalization area and areas designated as a slum and blighted area.
6. The City shall provide technical assistance to persons and/or groups representative of persons of low and moderate income that request such assistance in commenting on the AFH and in developing proposals for funding assistance under any of the programs covered by the Consolidated Plan, with the level and type of assistance as determined by the City.
7. In the event of a declared disaster or emergency the Community Development Department will operate using virtual hearings. If virtual hearings are used, real-time responses and accommodation for persons with disabilities and/or with limited English proficiency will be made available to the greatest extent possible. A virtual hearing method will only be used in lieu of in-person hearings under urgent circumstances, such as declared disasters or emergencies

Submission and Evaluation of Project Proposals

Project proposals for the CDBG Program and/or the Section 108 Loan Guarantee Program will be accepted by the City any time after October 1 prior to the start of the City's next program year. Proposals will be handled in the following manner:

1. Proposals for funding must be submitted in writing to either the Mayor's Office or the Community Development Department. The City has application forms for this purpose. All applications must be complete and shall contain a brief description of the project, the purpose of the project and if applicable, its intended beneficiaries, the amount of funding being requested, and the name and address of the agency which will be responsible for undertaking the project. The Development Committee will score every application received. CDBG funding is then allocated to projects receiving the highest scores. It must be kept in mind that even though a public services project may score very high, the City may only allocate up to fifteen percent (15%) of its CDBG funds to these types of activities and therefore they may not receive funding.
2. The Development Committee shall review all project proposals for eligibility under the CDBG or applicable program regulations. All proposals will be reviewed by the Mayor. The Development Committee will prepare a proposed budget for submission to City Council.

3. Prior to formal adoption of the proposed Statement of Action Plan, City Council shall hold a public hearing, with notice given as previously described in the preceding section. At this hearing, City Council will receive public comments, either verbal or written, concerning the activities proposed to be funded and/or undertaken by the City.

4. City Council will adopt the proposed Statement or Action Plan after review of any comments received after publication of the proposed Statement and after the final public hearing has been held.

Program Amendments – Citizen Participation

The City may, from time to time, elect to amend its Final Statement or Action Plan by revising the amount projected in the Final Statement to be expended for an activity by more than fifty percent (50%), by changing the location of any activity, or by adding an activity not described. In the case of substantive program amendments, the City shall meet the following citizen participation requirements:

1. The City shall provide residents with a thirty (30) day notice, to be published in the local newspaper of general circulation, of such a proposed change in the use of its CDBG funds in order to provide residents with an opportunity to comment on the proposed change. The notification period may be expedited under urgent circumstances, such as declared disasters or emergencies, but never less than a 5-day period.
2. The City shall hold one public hearing, where practical or deemed appropriate, in order to receive residents' comments on the proposed amendment. The City shall consider any such citizen comments, and if deemed appropriate, shall modify the proposed change.
3. The City shall make the modified Final Statement or Action Plan available to the public as previously described in the preceding sections and shall submit a copy of the modification or amendment to HUD.

Limited English Proficiency Residents

1. The City of Massillon will undertake reasonable actions to facilitate the participation of persons with Limited English Proficiency in the community development process. Such actions may include the provision of an interpreter and/or the provision of materials in the appropriate language or format for persons with Limited English Proficiency.

Other Citizen Participation Requirements

1. In the planning and implementation of CDBG and/or Loan Guarantee projects that will affect low and moderate (very low and low) income persons residing within a particular designated target area neighborhood, the City will hold public informational meetings to explain the program activity as well as provide a forum for resident's comments, questions, or views concerning the proposed activity. Community Development Department will respond to any and all questions within 15 business days.
2. Any comments or views of residents of the City received in writing or orally shall be attached to the final AFA or the final Consolidated Plan or Action Plan (as applicable). Direct questions, concerns, or comments to:

The Community Development Department manages the City's Community Development Block Grant (CDBG) funds. Massillon receives this funding as an entitlement Community through the U.S. Department of Housing and Urban Development (HUD). Being an entitlement community means rather than having to apply to receive CDBG funding, the City is automatically awarded funds through a formula allocation. Each activity that we undertake using CDBG dollars must meet one of the three National objectives outlined by HUD. The three national objectives are as follows:

1. Benefit to low- and moderate- income (LMI) persons;
2. Aid in the prevention or elimination of slums or blight; and
3. Meet a need having a particular urgency (referred to as urgent need).

In addition to the CDBG funding, the City receives HOME Investment Partnership funds as a Stark County HOME Consortium member. For more information on the City's HOME funded programs visit the Housing Department page: <https://massillonohio.gov/housing/>.

Prior to submission to the U.S. Department of Housing and Urban Development (HUD) for its annual entitlement under the CDBG Program, or for an application for guaranteed loan funds under the Section 108 Program, the City shall comply with the following:

1. The City shall furnish residents with information concerning:
 - a. The amount of CDBG funds, or guaranteed loan funds, expected to be available during the program year.
 - b. The range of activities that may be undertaken with CDBG funds, or guaranteed loan funds, in accordance with Federal regulations.
 - c. The estimated amount of those funds proposed to be used for activities that will benefit low and moderate income (very low and low) income persons.

Public Awareness/Citizen Participation

1. The City shall hold public meetings as part of its CDBG application process to obtain the views of residents on the City's housing and community development needs. As part of these meetings, the City will provide assistance to individuals, groups, or organizations representing low and moderate (very low and low) income persons in the development of project proposals. These hearings will address the City's housing and community development needs, the development of proposed activities, and a review of project performance.
2. The City shall publish community-wide its proposed Statement of Community Development Objectives and Projected Use of Funds (or One-Year Action Plan), and/or its Section 108 Loan Guarantee Application, to afford affected citizens a minimum time period of at least thirty (30) days to examine the Statements contents, and to provide comments on the proposed Statement and/or Loan Guarantee Application, and on the City's community development performance. This Statement or Action Plan shall include the proposed amount of CDBG funds, and/or Loan Guarantee Funds, to be used for activities

benefiting low and moderate income persons. The 30-day period may be expedited under urgent circumstances, such as declared disasters or emergencies, but never less than a 5-day period.

3. The City shall consider any such citizen comments and views received, and if deemed appropriate, modify the proposed Statement or Action Plan. The City shall make the final statement available to the public.
4. The City shall publish notices for public hearings and other required notices in the non-legal section of the local newspaper of general circulation, the city's website www.massillonohio.gov, the Massillon Public Library, and access to records at the Community Development Office. The City shall provide a minimum of fourteen (14) days' notice regarding such public hearings. The notification period may be expedited under urgent circumstances, such as declared disasters or emergencies, but never less than a 5-day period. Notifications sent during this expedited 5-day period will be via the website **only** at www.massillonohio.gov.
5. The City shall encourage residents to participate in the development and process of Assessment of Fair Housing especially persons living in areas designated as a revitalization area and areas designated as a slum and blighted area.
6. The City shall provide technical assistance to persons and/or groups representative of persons of low and moderate income that request such assistance in commenting on the AFH and in developing proposals for funding assistance under any of the programs covered by the Consolidated Plan, with the level and type of assistance as determined by the City.
7. In the event of a declared disaster or emergency the Community Development Department will operate using virtual hearings. If virtual hearings are used, real-time responses and accommodation for persons with disabilities and/or with limited English proficiency will be made available to the greatest extent possible. A virtual hearing method will only be used in lieu of in-person hearings under urgent circumstances, such as declared disasters or emergencies

Submission and Evaluation of Project Proposals

Project proposals for the CDBG Program and/or the Section 108 Loan Guarantee Program will be accepted by the City any time after October 1 prior to the start of the City's next program year. Proposals will be handled in the following manner:

1. Proposals for funding must be submitted in writing to either the Mayor's Office or the Community Development Department. The City has application forms for this purpose. All applications must be complete and shall contain a brief description of the project, the purpose of the project and if applicable, its intended beneficiaries, the amount of funding being requested, and the name and address of the agency which will be responsible for undertaking the project. The Development Committee will score every application received. CDBG funding is then allocated to projects receiving the highest scores. It must be kept in mind that even though a public services project may score very high, the City may only allocate up to fifteen percent (15%) of its CDBG funds to these types of activities and therefore they may not receive funding.
2. The Development Committee shall review all project proposals for eligibility under the CDBG or applicable program regulations. All proposals will be reviewed by the Mayor. The Development Committee will prepare a proposed budget for submission to City Council.

3. Prior to formal adoption of the proposed Statement of Action Plan, City Council shall hold a public hearing, with notice given as previously described in the preceding section. At this hearing, City Council will receive public comments, either verbal or written, concerning the activities proposed to be funded and/or undertaken by the City.

4. City Council will adopt the proposed Statement or Action Plan after review of any comments received after publication of the proposed Statement and after the final public hearing has been held.

Program Amendments – Citizen Participation

The City may, from time to time, elect to amend its Final Statement or Action Plan by revising the amount projected in the Final Statement to be expended for an activity by more than fifty percent (50%), by changing the location of any activity, or by adding an activity not described. In the case of substantive program amendments, the City shall meet the following citizen participation requirements:

1. The City shall provide residents with a thirty (30) day notice, to be published in the local newspaper of general circulation, of such a proposed change in the use of its CDBG funds in order to provide residents with an opportunity to comment on the proposed change. The notification period may be expedited under urgent circumstances, such as declared disasters or emergencies, but never less than a 5-day period.
2. The City shall hold one public hearing, where practical or deemed appropriate, in order to receive residents' comments on the proposed amendment. The City shall consider any such citizen comments, and if deemed appropriate, shall modify the proposed change.
3. The City shall make the modified Final Statement or Action Plan available to the public as previously described in the preceding sections and shall submit a copy of the modification or amendment to HUD.

Limited English Proficiency Residents

1. The City of Massillon will undertake reasonable actions to facilitate the participation of persons with Limited English Proficiency in the community development process. Such actions may include the provision of an interpreter and/or the provision of materials in the appropriate language or format for persons with Limited English Proficiency.

Other Citizen Participation Requirements

1. In the planning and implementation of CDBG and/or Loan Guarantee projects that will affect low and moderate (very low and low) income persons residing within a particular designated target area neighborhood, the City will hold public informational meetings to explain the program activity as well as provide a forum for resident's comments, questions, or views concerning the proposed activity. Community Development Department will respond to any and all questions within 15 business days.
2. Any comments or views of residents of the City received in writing or orally shall be attached to the final AFA or the final Consolidated Plan or Action Plan (as applicable). Direct questions, concerns, or comments to:

The Community Development Department manages the City's Community Development Block Grant (CDBG) funds. Massillon receives this funding as an entitlement Community through the U.S. Department of Housing and Urban Development (HUD). Being an entitlement community means rather than having to apply to receive CDBG funding, the City is automatically awarded funds through a formula allocation. Each activity that we undertake using CDBG dollars must meet one of the three National objectives outlined by HUD. The three national objectives are as follows:

1. Benefit to low- and moderate- income (LMI) persons;
2. Aid in the prevention or elimination of slums or blight; and
3. Meet a need having a particular urgency (referred to as urgent need).

In addition to the CDBG funding, the City receives HOME Investment Partnership funds as a Stark County HOME Consortium member. For more information on the City's HOME funded programs visit the Housing Department page: <https://massillonohio.gov/housing/>.

Specific Community Development Block Grant Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, primarily for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan -- It is following a current consolidated plan that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program year(s) _____ [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.
