# CITY OF MASSILLON

## IMPORTANT INFORMATION

**WHO MUST FILE:** Every resident or part-year resident of the City of Massillon, Ohio who is 18 years of age or older must file a City tax return, even if no income was earned in 2022 or no tax is due, or if all of the taxes were withheld by an employer, or if the resident worked in another city, village, or Joint Economic Development District where income taxes were withheld. Every non-resident who has a business, profession or trade operation, or rental property or receives wages, salary, commissions, or other compensation from employment performed within the City of Massillon and City tax is either not withheld or the amount of such withholding is less than 2% of such income must file a City of Massillon Income Tax Return. A taxpayer who is exempt from filing must complete the exemption box, sign and file the return.

**WHEN YOU MUST FILE:** The filing deadline is no later than April 18. Failure to timely file will result in a \$25.00 per month up to \$150.00 late filing penalty and may result in additional administrative, civil, or criminal penalties and interest. A return is considered timely filed when received in the Massillon City Income Tax Department. A return that is mailed through the U.S. Postal Service is considered received by the City of Massillon Income Tax Department if it is postmarked April 18, or earlier, by the U.S. Postal Service. The cancellation from a postage meter does not constitute a postmark and the day that the City of Massillon Income Tax Department receives that tax return will determine the date of filing. Deposit of mail late in the day on April 18, may result in a later postmark and a late filing penalty.

**EXTENSION OF TIME TO FILE:** Any taxpayer that has duly requested an automatic six-month extension for filing the taxpayer's federal income tax return shall automatically receive an extension for filing of a municipal income tax return. The extended due dates of the municipal income tax return shall be the fifteenth day of the 10<sup>th</sup> month after the last day of the taxable year to which the return relates. To avoid a late filing penalty, it is recommended that the taxpayer attach a copy of the extension to the return. A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may request that the tax administrator grant the taxpayer a six-month extension of the date for filing the taxpayer's municipal income tax return. If the request is received by the tax administrator on or before the date the municipal income tax return is due, the tax administrator shall grant the taxpayer's requested extension. **An extension of time to file is not an extension of the time to pay any tax due unless the tax administrator grants an extension of that date.**
