MONTHLY REPORT: April 2025

From: Anna Jordan-Community Development Coordinator

- **Housing:** One full rehab project has been bid to contractors. An application packet has been sent to another full rehab prospect. We are monitoring any changes and information that is coming from HUD regarding upcoming funding. As needed we are providing information to persons that call looking for housing assistance, including down payment assistance, homeless assistance, and low-income housing.
- **Fair Housing:** For the month of April received 17 calls . We continue to deal with repair calls. We are providing info for Code as needed. Callers with questions regarding escrowing rent were given info and referred to courts. Callers inquired about eviction process and rights. Some were given information regarding legal aid. We continue to receive calls from people looking for subsidized or low-income housing, as well as homeless individuals looking for housing. . We supply as many resources as possible. A caller reached out with concerns regarding lead paint hazards in her home. Residents in a senior living center called with concerns regarding changes in the way they have to submit rent. Calls will be referred out as necessary.
- **Community Development :** This month we were able to replace another roof for a homeowner. We currently have another roof project bid, and one applicant approved awaiting specs. We have a scheduled pre-construction meeting for a bathroom rehab. This will give accessibility to a disabled homeowner. We just sent an application packet to a homeowner looking for assistance with plumbing issues, and another application to a homeowner that needs a new roof. We are watching our funding availability , and will continue to take applications for rehab assistance as funds allow. Comment period for our annual action plan was this month, the draft budget was prepared, and submitted to council for review. We will submit to HUD once we know about submission dates this year. I attended a training/conference presented by NCDA this month . It was very informative and a great networking opportunity.
- Sub recipients continue to submit requisition forms. Info is updated, and funding drawn and paid in a timely manner. Funding to sub-recipients was figured into our draft budget for 2025.
- **Administrative:** Manage phone calls. IDIS activities and projects set up, funded, and updated as necessary. Prepared and paid bills/ IDIS drawdowns for funds. Ledgers balanced and maintained accurately throughout the month. Other tasks upon assignment. Supplies ordered as needed. RPC set up and completions completed in a timely manner. Prepare documents as needed for meetings. Application packets prepared and mailed. New files set up as needed.
- **Meetings/Training/Events:** For the month of April I attended:
 - ▶ April 15th-pre-construction meeting
 - ▶ April 17th-Housing Barriers meeting at Stark health dept.
 - ▶ April 22nd-23rd- NCDA conference

Respectfully, Anna Jordan -Community Development Coordinator

Economic Development

Fielded calls regarding new business opportunities to discuss site location, zoning, and site plan review procedures. Attended NEFCO (Northeast Ohio Four County Regional Planning & Development Organization) monthly board meeting. Director of Development was appointed by the Stark County Commissioners to serve on this board. Met with developer of Massillon Community Health & Innovation Center to discuss timeline for opening and new service offerings. Held final demo meeting for LW and Erie properties to discuss temporary landscaping. Met with new area representative from Small Business Administration Thomas Sangrik. Reviewed all City TIFs, some inconsistencies exist that may need Council to amend.

Community Development

Continued CDBG administrative duties including accounting and financial management for CDBG expenditures, monitoring expenditures for all activities in IDIS, and monitoring of CDBG sub recipients and their programs. Fielded calls from residents regarding the City's vacant land reutilization program and questions regarding zoning requirements for various projects. Transferred five (5) City-owned properties through the Land Reutilization Program. Worked with code enforcement officers and held weekly status meetings to go over procedures, record keeping, and the passage of the International Property Maintenance Code (IPMC). Continued work on FY 2025 CDBG Annual Action Plan due May 15. Held second CDBG public hearing on FY 2025 CDBG budget.
