

Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The enclosed City of Massillon One Year Action Plan is a summary of the City of Massillon CDBG and HOME funding programs for the coming year. The City of Massillon Community Development Department is responsible for the planning, administration, and execution of CDBG activities under this Action Plan. In addition, Massillon is a member in the Stark County HOME Consortium and the lead is Stark County Regional Planning Commission (the HOME PJ) in the administration and management of HOME funded activities which are conducted in Massillon. The City of Massillon is a member of the Consortium as is the City of Alliance.

This Action Plan for both the City of Massillon CDBG funds and the Stark County Consortium HOME funds are in the third year of a five-year Consolidated Plan. The Consolidated Plan for Massillon's CDBG funds was created by City staff in partnership with Placemark Collaborative consulting firm. The Consolidated Plan for the Stark County Consortium HOME program was developed by the Stark County Regional Planning Commission (SCRPC) staff as the lead agency with assistance from the City of Alliance and Massillon staffs.

The City of Massillon's housing and community development strategy includes an assessment of the City's housing and homeless needs, public facilities, infrastructure improvements, public services, historic preservation, economic development, and planning needs. The City's strategy was developed through a two-pronged approach. First, a city-wide planning approach, with citizen participation effort that solicited proposals from local groups and citizens and then work with the City Council in the development of its Non-Housing Community Development Needs. Second, the HOME strategy was a County-wide regional planning approach, in which the City worked with Alliance and Stark County in the study and analysis of housing needs, goals, and objectives on an area-wide basis. Other local agencies and service providers were contacted and participated in this process.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

In preparing the City of Massillon's One-Year Action Plan, the City addressed those needs that met one of the three statutory objectives of the CDBG program: benefit low-and-moderate-income persons, elimination of slum and blighting conditions, or an urgent community development need. And the Action Plan further targeted specific goals which were raised and identified during the creation of the five-year Consolidated Plan. Specific goals, objectives and outcomes include: local support for housing rehabilitation, targeted street improvements in low-and-moderate-income neighborhoods, and moderate-income neighborhoods, and provide public services for low-and-moderate-income income persons.

The HOME funding has specific goals of preservation of affordable housing; funding to improvements for storm sewers; targeted public services for low- and moderate-income persons; rental assistance to increase affordability to low- and moderate-income persons and funding for housing rehab.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

The City of Massillon has used its Federal entitlement funds to productively respond to the community needs of residents, businesses, and other community stakeholders. In addition, the City has developed relationships with community-based organizations, which are essential in addressing neighborhood needs and strengthening the community as a whole.

The City of Massillon will continue to program its Community Development Block Grant and HOME funds for activities to address neighborhood and community issues. For example, housing rehabilitation eliminates significant health and safety deficiencies; neighborhood level needs are addressed with infrastructure improvements, public facilities upgrades, and demolition of abandoned, deteriorated buildings; economic development efforts create or retain jobs; and public service activities focus on maintaining and improving household stability.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

Summary from citizen participation section of plan.

The City of Massillon utilizes its Citizen Participation Plan, which outlines the procedures and processes to solicit citizen input in the development and reporting of HUD-funded activities.

During the development of the FY 2026 Annual Action Plan, the City of Massillon utilized notices in a newspaper of general circulation, public meetings, and internet outreach to solicit public comment.

During the 30-day comment period, hard copies of the documents were available in City Hall and the public library.

Massillon City Council discussed the FY 2026 CDBG allocations and the FY 2026 Annual Action Plan at regularly scheduled public meetings.

For more specific details about the citizen participation process, please refer to section **AP-12 Participation**.

The City of Massillon is active throughout the year in monitoring its subrecipients and consulting with nonprofit organizations and public agencies to gain input and feedback. For more specific details about the consultation process, please refer to section **AP-10 Consultation**.

Regarding HOME program funding, the City of Massillon participated in the planning and development of the FY 2024-2028 Five-Year Consolidated Plan and FY 2026 Annual Action Plan for the Stark County HOME Consortium, prepared by the Stark County Regional Planning Commission (SCRPC). More information on the citizen participation and consultation process is available in the SCRPC document.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

This question intentionally left blank.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

The types of providers and agencies listed in this question most often operate on a countywide basis. The Stark County Regional Planning Commission (SCRPC) provided information in its FY 2024-2028 Five-Year HUD Consolidated Plan concerning coordination between public and assisted housing providers and private and government health, mental health, and service agencies in Stark County, which has the potential to involve residents of Massillon.

During the second half of 2023, SCRPC managed two online Needs Assessment surveys to a wide variety of agencies and organizations, including public and assisted housing providers, private and governmental health, mental health and service agencies, as well as political subdivision leaders in the county. Additionally, each of these stakeholders was invited to participate in one of the four public meetings. The general public was also able to participate in the surveys and public meetings.

The City of Massillon works to enhance the coordination between public and private housing and service agencies whenever possible.

Homeless needs are addressed through the HCCSC, which is comprised of public and private housing and social service agencies, including the City of Massillon. Through its CDBG allocation, the City of Massillon also provides funding to several social service agencies and organizations to partially fund key aspects of the Continuum of Care's operations and programs.

Further coordination is the Stark County HOME Consortium, a partnership of the Cities of Massillon and Alliance, plus the Stark County Regional Planning Commission (SCRPC) on behalf of Stark County. The Consortium coordinates the expenditure of HUD HOME Investment Partnerships Program funds within Stark County. In addition, the City of Massillon has a contractual relationship with SCRPC, with SCRPC staff assisting with inspections of Massillon's CDBG-funded housing rehabilitation projects.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Massillon participates in the Homeless Continuum of Care of Stark County (HCCSC), which coordinates activities and operates on a countywide basis.

The Stark County Regional Planning Commission (SCRPC) provided information in its FY 2024-2028 Five-Year HUD Consolidated Plan describing coordination among the Continuum of Care, housing providers, and health and service agencies to address the needs of homeless persons, including the chronically homeless, families with children, veterans, and unaccompanied youth, as well as persons at risk of homelessness.

SCRPC conducted an online survey to the HCCSC and other homeless services-related agencies to gather input on program needs. During Consolidated Plan preparation, a public meeting was held as part of a HCCSC meeting. The draft Plan was made available to the CoC and its members for comments.

More locally within Massillon, coordination efforts are discussed in the Annual Action Plan, section AP-35, Projects.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The City of Massillon is not a recipient of Emergency Solutions Grant (ESG) funding.

The only jurisdiction in Stark County that receives ESG funding is Canton. The Stark Housing Network manages Canton's ESG funds.

Expected Resources

AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)

Introduction

The City of Massillon is an entitlement community for the Community Development Block Grant (CDBG) Program. As such, Massillon receives an annual allocation of Federal funding from the U.S. Department of HUD for CDBG.

Massillon is also a member of the Stark County Consortium through which it receives funds from the HOME Investment Partnership (HOME) Program. The Consortium members are Stark County and the cities of Alliance and Massillon. Information about the HOME Program and annual funding availability to the Consortium members is contained in the 2026 Annual Action Plan prepared by the Stark County Regional Planning Commission

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City of Massillon leverages CDBG funds with local and state funds to maximize results. For the Stark HOME Consortium, HOME projects that are funded as part of the Low-Income Housing Tax Credit (LIHTC) program are a source of matching funds. Additionally, large projects such as new construction often utilize HOME funds along with multiple private and public funding sources, which also leverages Federal funds.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

The City of Massillon Parks & Recreation Department maintains parks and recreation facilities that may be maintained, repaired, or modernized in order to increase the livability and sustainability of neighborhoods.

Publicly owned land such as street rights-of-way, including sidewalk areas, may be improved above and below the surface to remedy infrastructure priorities and to improve public access, safety, and ADA compliance.

The City of Massillon may acquire property tax delinquent vacant parcels in order to increase the livability and sustainability of particular neighborhoods.

The Stark County Land Reutilization Corporation (Land Bank) may hold vacant parcels and/or vacant buildings in Massillon. Vacant parcels may be sold. Properties with buildings may be rehabilitated or demolished, after a case-by-case analysis, in order to improve the sustainability of housing in particular neighborhoods.

Discussion

Funding Contingency Plan

In the event that there is:

Annual Action Plan
2026

1) A difference (increase or decrease) between the estimated FY 2026 CDBG Entitlement Grant funding listed in this document compared to the actual HUD allocations to be announced in 2026; and/or

2) A difference in the estimated and actual amount of carryover funds and/or program income from FY 2025 to FY 2026.

The budgets for activities identified in the FY 2026 Annual Action Plan will be increased/decreased proportionally in relation to the overall change in funding if the difference is greater than 1%. If the difference is less than 1%, that increase/decrease will be applied to the highest funded project only.

AP-35 Projects - 91.420, 91.220(d)

Introduction

Under its FY 2026 Action Plan, Massillon will undertake a variety of projects designed to meet housing needs and address affordable housing issues. The City will continue to operate its own housing rehabilitation program, offering deferred payment loans up to \$25,000 to low-and-moderate-income homeowners for the repair and rehabilitation of their homes. The City will continue its emergency home repair program, providing up to \$10,000.00 to assist LMI homeowners with needed repairs to correct one emergency housing problems, such as electrical, heating, or plumbing. To bridge the gap between the Full Rehabilitation program and Emergency Repair Program, the City implemented a minor repair program several years ago. The Minor Repair Program allows for two or more items to be completed, with a maximum assistance limit of \$15,000.

The City of Massillon will undertake two neighborhood improvement programs: City Demolition Program and Target Area Street Program. The City Demolition Program consists of demolition of deteriorated and/or abandoned buildings, as well as buildings that must be demolished due to emergency situations such as fire damage, will alleviate blighting influences on neighborhoods. The Target Area Street Program consists of street resurfacing in low to moderate income neighborhoods within the City's Target Area Map which includes all low to moderate income block groups as defined by HUD low to moderate income data.

The City will continue to work with Massillon Main Street in undertaking an exterior renovation/facade improvement program for downtown buildings.

Utilizing the 15% grant allowance for public service activities, the City will provide funding to the following agencies:

Habitat for Humanity of Northeast Ohio for its Hope ReStored program. The Hope ReStored program provides household furnishing vouchers to low-to-moderate income families in need of beds, dressers, etc. These vouchers will be distributed through local non-profit partners.

CDBG funding will be provided to CommQuest to assist in the operation of the Family Living Center, which provides shelter and supportive services to families and single women. The City will also provide CDBG funding to the Domestic Violence Project for its Western Stark Emergency Housing Program to provide short-term emergency housing and supportive services for victims of domestic violence and families in Massillon. The City will also provide funding to Salvation Army for their Emergency Shelter Services Program, and Stark Mental Health and Addiction Recovery for their county wide homeless hotline management.

Additionally, the City will utilize CDBG funds for a variety of public service programs designed to meet the needs of low-income persons in the community. Public Service activities include the YMCA of

Western Stark County, Akron Canton Food Bank, Vantage Aging, Make A Way, and Habitat for Humanity ReStored.

Elderly and handicapped needs will be served by Vantage Aging/Meals on Wheels and the Faith in Action Elderly Caregiver Program.

Table 7 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

CDBG program funding decisions made by the City of Massillon as part of the Annual Action Plans coordinate with the priorities and needs identified in the Five-Year Consolidated Plan.

On an annual basis, CDBG allocations related to program areas such as housing and program administration are prepared by City staff.

On an annual basis, CDBG public service allocations are awarded on a competitive basis following an application process. CDBG applications are reviewed, scored, and ranked by a committee of City Staff to determine funding recipients.

The entire proposed budget plan is presented to the City of Massillon City Council for discussion at work sessions and during regular Council meetings. The City Council makes the final decisions concerning project budget allocations. Roughly concurrently with City Council review, a 30-day public comment

period, including a public meeting, is held to solicit comments from the community.

Current HUD funding is inadequate to meet community needs, and HUD, through annual Congressional appropriations, is the most significant source of funds to address those needs. No other Federal agency directs significant amounts of funding toward low-and moderate-income persons and neighborhoods. Any potential reduction in HUD funding represents the greatest obstacle in meeting community needs.

Target Area	Percentage of Funds
City Target Area	75

Table 8 - Geographic Distribution

Rationale for the priorities for allocating investments geographically

Based on HUD data, 42.58% of Massillon residents are low- and moderate-income. The City's Target Area is comprised of U.S. Census Block Groups where a majority of persons (50% or more) are identified as low- and moderate-income. The City of Massillon prioritizes CDBG-funded programs to the Target Area, such as housing rehabilitation and street improvements, in order to improve the quality of life and safety of residents.

AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

The City of Massillon CDBG funding is heavily focused on addressing the barriers of Affordable Housing. The City of Massillon's program for housing rehabilitation is focused on assistance to overcome housing needs. The City of Massillon Housing Director serves as the Fair Housing administrator to help identify, advocate, enforce and promote all elements of Fair Housing. SCRPC employs the Fair Housing Coordinator for Stark County. She and the Community Development and Planning staff work together towards removing barriers to affordable housing.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

The City of Massillon uses several activities to address Affordable Housing including Code Enforcement throughout the city. It also uses a Fair Housing program. The Fair Housing Coordinator for Stark County as part of the Continuum of Care is a regular speaker in Massillon and across the County. Staff will review and modify, as needed, funding agreements with subrecipients to include a disclaimer that the subrecipient/local government will further fair housing.

Discussion

The City of Massillon will continue to administer and enforce its Marketing Policy in order to reduce or remove barriers to affordable housing.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

The City of Massillon has many activities and projects planned for the upcoming year that will address the needs, however, the most persistent obstacle to meeting the needs is adequate funding through HUD's CDBG program. Over time, there has been an overall decrease in CDBG funding through Congressional appropriations. The City will continue to work with Federal, state, and local agencies and elected officials, as well as foundations and other non-public sector sources, to leverage funds to better serve the community.

Actions planned to address obstacles to meeting underserved needs

The City of Massillon has many activities and projects planned for the upcoming year that will address the needs, however, the most persistent obstacle to meeting the needs is adequate funding through HUD's CDBG program. Over time, there has been an overall decrease in CDBG funding through Congressional appropriations. The City will continue to work with Federal, state, and local agencies and elected officials, as well as foundations and other non-public sector sources, to leverage funds to better serve the community.

Actions planned to foster and maintain affordable housing

The City of Massillon has three programs as part of its housing rehabilitation assistance efforts for low- and moderate-income homeowners. The dollar amounts listed are maximums for materials and labor per household.

The Full Rehabilitation program offers deferred payment loans to homeowners (maximum \$25,000 HOME funds)

The Code Enforcement Violation program will correct violations issued by City code enforcement staff. Eligible repairs include repair/replacement of porches, railings, and/or steps; siding; fascia; soffit; and gutters and/or downspouts (maximum \$10,000)

The Emergency Home Repair Program will correct one emergency housing problem, such as electrical, heating, or plumbing (maximum \$15,000)

Actions planned to reduce lead-based paint hazards

As part of assessing the repair needs of a dwelling through the City's housing rehabilitation programs, lead-based paint issues are identified. Remediating lead-based paint issues can be part of the scope of work of a rehabilitation project, and the City will work to address lead-based paint issues whenever possible.

To meet HUD's lead-based paint regulations, the City of Massillon, in conjunction with Stark County and the Stark County Regional Planning Commission, has adopted policies for addressing lead-based paint issues in housing programs. City Housing Department staff provides brochures regarding lead-based paint concerns to all housing rehabilitation participants and rehabilitation projects are tested for lead-based paint clearance to ensure compliance.

Actions planned to reduce the number of poverty-level families

The City of Massillon will continue to utilize Federal resources to implement programs, such as rehabilitation assistance, which enable homeowners to remain in their homes and keep these dwellings in decent, safe, and sanitary condition. Depending on the scope of work, rehabilitation projects also improve the efficiency of plumbing, electrical, and HVAC systems, which can reduce household energy costs.

Actions planned to develop institutional structure

Through its participation in the Stark County HOME Consortium, the City of Massillon works closely with the cities of Alliance and Canton, as well as Stark County, to provide an areawide approach to housing and community development issues.

For example, the City participates in both the Homeless Continuum of Care of Stark County (HCCSC) and the Western Stark County Homeless Task Force (WSCHTF). The WSCHTF is a collaborative effort that involves leaders from the Massillon Area Clergy Association, City officials, and social service working together to identify needs, address issues, and assist persons who are homeless and persons at risk of homelessness.

Actions planned to enhance coordination between public and private housing and social service agencies

The City of Massillon works to enhance the coordination between public and private housing and service agencies whenever possible.

Homeless needs are addressed through the HCCSC, which is comprised of public and private housing and social service agencies, including the City of Massillon. Through its CDBG allocation, the City of Massillon also provides funding to several social service agencies and organizations to partially fund key aspects of the Continuum of Care's operations and programs.

Further coordination is the Stark County HOME Consortium, a partnership of the Cities of Massillon and Alliance, plus the Stark County Regional Planning Commission (SCRPC) on behalf of Stark County. The Consortium coordinates the expenditure of HUD HOME Investments Partnership Program funds within Stark County. In addition, the City of Massillon has a contractual relationship with SCRPC, with SCRPC staff assisting with inspections of Massillon's CDBG-funded housing rehabilitation projects.

Stark County. In addition, the City of Massillon has a contractual relationship with SCRPC, with SCRPC staff assisting with inspections of Massillon's CDBG-funded housing rehabilitation projects.

Discussion

The City of Massillon continues to utilize CDBG funding to serve the community. The planning and program administration are key activities in the implementation and management of these programs. The City will use CDBG funding for administrative activities, including the overall management, coordination, reporting and record-keeping requirements of the CDBG Program. CDBG funds will also be used for planning activities, including economic development planning. The City will utilize CDBG funding for the provision of fair housing services and activities to improve and promote housing opportunities in the community, including education, outreach, monitoring and evaluation, as well as activities designed to address identified impediments to fair housing.

Discussion

The City of Massillon's Housing Department and Community Development Department use the one-year period to provide overall benefits to persons of low and moderate income. The City of Massillon has estimated that 75% of CDBG funds for Program Year 2026 will benefit persons of low and moderate incomes. The City of Massillon is striving to provide a better quality of life, to improve safety, health, and welfare to all persons in the City. The City is strongly committed to meeting the National Objectives.

The City of Massillon has made concerted efforts in addressing fair housing for persons of the City by promoting housing opportunities through public meetings, newspaper publications, public luncheons, City website links, brochures distributed throughout the City to Nonprofit Agencies, the Public Library, Chamber of Commerce, etc. Guidance, procedures, and support is given from the Housing Department and the Community Development Department of the City.
