City of Champions

Thomas M. Burgasser, Fire Chief
Fire Department | 233 Erie Street South, Massillon, OH 44646 | 330.833.1053

As with every new year, much of the month was spent accomplishing fiscal tasks such as purchasing and requisitioning funds. The Auditor's staff has been a tremendous help in accomplishing these tasks year in and year out.

The FEMA Grant Period has opened and a grant was written for Diesel Exhaust Removal Systems at each of the 4 stations. The grant was written in the amount of \$162,000.

Covid continues to hamper daily operations but Incident Action Planning remains constant with a bi-weekly review. Approximately 60% of our employees have received the second vaccine.

Respectfully,

Chief Burgasser

- **Emergency Rehabilitation Projects:** We have completed one roof for a homeowner, and had a pre-construction meeting and paperwork filled out for another homeowner in need of a roof. Due to the weather the start for this roof has been postponed for a couple of weeks. Temperatures and snow are major stopping factor for new roofs.
- **First time Homebuyer Assisted:** First time homebuyer is scheduled to close the first week of February. We have a couple who has not responded, even though they began the process. Calls have been made but we are not hearing back, so we are moving forward.

- **Housing:** Final payment was made on an open full rehab project. Two new homeowners have been contacted for full rehabs. We had two potential that fell through, one was over income, and one didn't need any work per inspection. A down payment recipient is scheduled to close next week. We have two more approved, one was trying to establish a lender. We have another application being verified.
- **Fair Housing:** For the month of January I received 11 fair housing calls. Calls included both landlord, tenant and neighbor issues. Code has assisted with repair calls. As of the end of this month evictions are being filed again. Callers are still inquiring about this.
- **Community Development:** A roof was finished and paid out using emergency funds. A minor repair for roof and windows using Covid funding was also completed this month. Another emergency project for a roof is ready to go, we are waiting on a few warmer days to knock this out. We have another application pending for a roof, and an application out for a new furnace. We continue to provide information to small business owners that would like to apply for small business loans.
- **Administrative:** Prepared and paid bills/ IDIS drawdowns for funds. Updated activities as necessary. Ledger balanced and maintained accurately throughout the month. Other tasks upon assignment.
