Monthly Report – July 2017

- July 6, 2017 – Met with representatives from Stark County Regional Planning Commission to discuss our HOME Programs for FY 2017. RPC has agreed to provide to the City of Massillon's HOME program \$69,775.00. The Funding Agreement will be completed and given to the Mayor to review and sign.
- Monitored the work responsibilities, and procedures of the Independent Contractor. Reviewed and monitored to ensure all record keeping requirements are being followed. Implemented and completed documents for record keeping and maintaining accurate data and information. Reviewed required forms completed by the Contractor; Daily Log Form; Voucher Document; Detailed Inspection By Date Report. Ensuring that all records, paperwork, electronic entries are properly filled out and properly filed. All CDBG code enforcement target area files will be kept in their own separate filing cabinet in the City's local government offices
- Completed and filed the Standard Form 425 Financial Report for the second quarter, ending June 30, 2017, HUD requires the financial report to be submitted by July 10, 2017.
- Worked on the details for the Massillon Job Fair to be held on September 27, 2017. Worked with Josh and Bev to have items available for a table exhibit for Fair Housing & Housing Programs via the City of Massillon.
- The Housing Department and Community Development Department met to discuss this year's Fun Fest to be held on Saturday, August 12, 2017. The department will have a table at the event to share information about Fair Housing and our Housing Programs.
- Attended Visual Intelligence Portfolio (VIP) Training to learn the new PO software program.
- Attended the Summer OCCD Conference in Cleveland on July 26 & 27, 2017. The conference covered the accomplishments of our other communities, challenges and best practices. Key Note speaker was Matt Zone, NLC President / Cleveland City Councilman. Other items of interest were Innovations in Workforce Development and a Legislative Update was provided.
- During this month extensive work was put into the development, implementation and electronic filing of the 2016 Program Years HUD Required Consolidated Annual Performance Evaluation Report (CAPER). I invested a lot of time in educating myself on how to start a CAPER and inputting data into the IDIS system. I have spent an extensive amount of time reviewing the Desk Guide for Using IDIS to Prepare the CAPER. Within 90 days of the end its program year, a jurisdiction is required to provide this annual CAPER report to HUD.

The importance of timely and accurate performance reports is a very high standard and expectation of HUD. The CAPER is provided by the City of Massillon to give necessary information to the U. S. Department of Housing and Urban Development (HUD) to meet the requirements and compliance with all applicable rules and regulations. This CAPER also provides information and public awareness in the purpose and success of meeting the goals and objectives of the Community's CDBG program for the betterment of persons in need in the Massillon City limits. All work is on schedule and will be submitted and published in the newspaper for the required 15 day public review, evaluation, and comment period and is scheduled to be finalized and to be electronically filed with HUD September 27, 2017 (prior to the September 30th due date).

Administrative Support Staff Highlights for the Month:

- **Housing:** For this month we made progress with the moving forward of our Homebuyers program via working with current and new applicants to our program as well as our Full, Rehab program by continuing to work with the current 3 full rehab projects. Most of the funds for our emergency program have been committed. We have some new applicants that will be waiting until our new funding for 2017 becomes available.
- **Fair Housing:** For the month of **July** the Admin Asst. received **13** Fair Housing inquiries in addition to those that the Housing Director received. None of those calls were discriminatory. Most of such calls involved lease disputes or code violations. I worked with code enforcement on **3** of those calls to help resolve issues for the tenants or landlords.
- **NIP:** For the month of **July** progress was made by executing the work that was laid out within June's contracts. Work included asbestos abatement, cleanouts, and tree removal. All environmental reports were completed which resulted in clearance by the Ohio EPA & Ohio Department of Health for all ten properties. As a result, all ten properties are ready for ten day notification to the state for demolition.

=====

ACTIVITY REPORT:

- **FAIR HOUSING CALL FOR THE MONTH:** 29 includes the (13) Josh received, see his report.

Were any of them discrimination related? ___ No _____

Major Concerns? Most of the calls dealt with evictions and repairs that were promised but never were done. We were able to help, through mediation, speak with Landlords, Becky at the Salvation Army, to work out keeping a tenant who had been paying pieces of her rent because of her job cutting her hours. Some of the calls were referred to Stark County Fair Housing, if they were in the townships, or Canton Legal Aid if the process had been referred to the courts for a decision.

- **Code Enforcement Involvement?** We Continue working with Code who often have worked or are working with some of the same people who are calling to report. Code also helps because they know many of the Landlords and can provide an un-biased opinion.

Josh sent a communication to Fair Housing Board Members requesting their assistance for the upcoming Fun Fest in August, and the Job Fair to be held in September. We will have tables at both events to pass out information in regards to our services.

- **HOUSING REHABILITATION PROJECTS:** We presently have three Full Rehabilitations underway.
- **MINOR REPAIR:** - We have three Minor Repairs which are connected to our Full Rehabilitations which allow those in need of this vital help to receive the Full Rehabilitation many have been waiting for a few years. The Minor repair allows us to provide repair on those vital items that give 'reasonable accommodation' to their households.
- **EMERGENCY REHABILITATION PROJECTS:** We have some emergency requests for roofs and windows which we are in the process of determining their eligibility. We have been awarded funds but are waiting to receive them to continue providing assistance to those in need.
- **FIRST TIME HOMEBUYERS ASSISTED:** Questions: Can I purchase a Duplex? **No.** Does the home I purchase have to be in Massillon for me to receive help from the Homebuyers program? **Yes.** Are there income guidelines, are if so, who set them? **Yes, HUD provides Stark County CDBG & HOME Income Limits.**

STATUS OF THOSE WAITING OR PRESENTLY BEING SERVED?: In the last month we have completed five (5) First Time Homebuyers.

PROGRESS TO DATE: We have provided down payment assistance for one and in preparation to complete her in August. We have three first time homebuyers who are in varying stages of the process, all of whom have taken the homebuyers course to date.

- **MEETINGS ATTENDED DURING THE MONTH WERE:** Staff Meetings, Goals, Continuum of Care, Board Meeting and CoC Members Meeting. Met with Lynn Carlone at RPC, who went over the contract and what we needed to do for completion and submission; she also shared in regards to upcoming expectations for the 2017-18 year.

WEBINARS: None last month

Miscellaneous:

Again thank you for the opportunity to serve.

Massillon, Ohio 44646

Dear Mayor:

Attached is the monthly report for the Massillon Fire Department for July, 2017.

The department responded to a total of 484 alarms during the month. This averages to 15.6 alarms per day. There were 99 fire alarms and public service calls, and 385 rescue and EMS calls. There were 0 firefighter or civilian injuries due to fires.

On the 3rd of the month, the department provided service for the 3rd of July Independence Day Celebration. Although the pageant and twilight festivities were preempted because of poor weather, the fireworks were spectacular.

On the 6th of the month, I attended the monthly LOGIC Board meeting.

From the 11th through the 13th of the month, the fire department provided monthly EMS Continuing Education.

From the 15th through the 18th of the month, Assistant Chief Heck and I attended the Ohio Fire Chiefs Association Conference. The topic of current discussion was creating a cancer-resistant fire service as well as Community Paramedicine.

From the 19th through the 21st of the month, the department held high rise operations evolutions on all three shifts.

Thomas M. Burgasser, Fire Chief

Fire Department | 233 Erie Street South, Massillon, OH 44646 | 330.833.1053

SARTA came to the Station on all three shifts to demonstrate the new Hydrogen powered busses. The training was very well received.

The fire department is reviewing SCBA operations as they pertain to oxygen levels in the bottles themselves. There is much discussion on preventing firefighters from becoming disoriented while on air in IDLH atmospheres. Updates on this concept will follow in future reports.

Additionally, discussion continues regarding the following:

- providing a solution to increasing call volume and limited response to the NE side,
- providing interoperable communications, and
- consolidating dispatch.

Respectfully,

Chief Burgasser
Massillon Fire Department

Massillon Parks and Recreation Board Report – Thursday, August 3, 2017

- The senior trip to the Finger Lakes was wonderful. Everyone had a great time. Everything went smooth and according to schedule. The seniors are looking forward to another trip in the spring to Kentucky.
- The Activity Clubs major fund raiser is underway. Tuesday, September 12th is the annual Steak Fry. Tickets are on sale now for \$8.00.
- The Massillon Senior Citizen Activity Club has received a generous donations of \$350.00 from *Amherst Meadows Care Center*. Twelve new table covers for our dining room have been purchased as earmarked. The seniors deeply appreciate their generosity.
- Just to enlighten everyone on some of our activities. The Senior Center Activity Club bowling league has been doing really well in attendance. In May they bowled 4 days, which is every Wednesday. There were 202 bowlers. June we had 156 bowlers and July 154. June, July and August are lower in attendance do to vacations. Norma and Bill Morehead over see this activity at the Hall of Fame Lanes and deserves a tremendous amount of credit for their help and dedication.

TRAFFIC ACTIVITY REPORT

MONTH OF JULY 2017

TO:	Chief Keith T. Moser
FROM:	Patrolman Jeffrey A. Crawford
DATE:	August 2, 2017

In July of 2017, the Massillon Police Department issued a total of 165 traffic citations, 8 less traffic citations than were issued during the same time period last year. The Massillon Police Department made 17 arrests for OVI, 3 more than were made in July of 2016. Radar Citations for the month totaled 17; this was 19 less than last year during the same time period.

The Massillon Police Department handled a total of 80 traffic accidents during July 2017. That was 5 more accidents than occurred last year during the same time period. There were 49 property damage accidents, 11 injury accidents, and 20 accidents that occurred on private property. Of the above accidents, there were 24 hit skip accidents, and there were 3 accidents that occurred as a direct result of alcohol and/or drugs. There were no pedestrian or bicycle accidents and there were 3 motorcycle accidents during the month. The Massillon Police Department investigated 11 accidents involving juveniles resulting in 4 reported injuries. There were no fatal accidents.

In July of 2017 there were 71 motor vehicles towed by the Massillon Police Department. This was 15 more than were towed in July of 2016. Of the above tows, 35 vehicles were towed from traffic accidents, 5 for traffic offenses of some type, 16 as a direct result of an arrest, and 13 for parking violations. There was no vehicles towed as stolen/ recovered and there were 2 misc. tows.

During the month of July 2017 the traffic officer mailed 25 certified letters in regards to junk and/or abandoned motor vehicles. The traffic officer made 14 title searches to the State of Ohio, Bureau of Motor Vehicles. During July 2017, the traffic officer was able to junk or title 20 motor vehicles. Also during the month of July, the traffic officer issued or acted upon 33 notices (48/72 hour and/or 10/20 day notices). The traffic officer further sent numerous 2255's and driver's licenses to the state. The traffic officer logged and filed several license plates, and kept track of the motor vehicles awaiting court order for immobilization, confiscation or return to the owners. The traffic officer issued 15 parking citations and conducted 35 garbage truck inspections.

As of the last day of July 2017 there were 52 motor vehicles sitting upon the impound lots of Reed's and Patriot Towing Services. Of the 52 vehicles several, are waiting for court order to dispose of them.

Following is a breakdown of the individual tows, accidents, citations and OVI arrest for the month of July 2017.
