MONTHLY REPORT: JULY 2019

To : Samantha Walters-Community Development Director

From: Anna Jordan-Community Development and Housing Assistant

- **Housing:** One Full Rehabilitation project under way, pre construction meeting took place. Funds were available from 2018 fiscal to begin process on another project. Homeowner was contacted with the great news. A lot of calls regarding assistance programs. New program year began July 1, we are waiting for funding.
- **Fair Housing:** For the month of June I received 20+ fair housing calls. Callers included both tenants and landlords. With a more expanded understanding of fair housing regulations and help of department director, I have become more confident in handling these calls accurately. A lot of issues were resolved with communication and help of fair housing. We discussed plans for the Fair housing booth at the fair housing meeting this month. I also took notes at this meeting to prepare and update minutes and agenda.
- **Community Development:** Began preparing IDIS for new fiscal year programs. Still waiting on deposit of funding. Attended OCCD conference in Columbus for first time this was both a great networking and very educational experience.
- **NIP:** Beginning to prepare packets for NIP reimbursements. Prepared contracts on current NIP projects, clean out and asbestos abatement under way for current projects. Also, prepared several items for board of control. We are working vigorously on these items, as the NIP program concludes.
- **Administrative:** Prepared and paid bills/did IDIS drawdowns for funds. With assistance of department director, ledgers have been updated and are accurate going into the new fiscal year. Ordered and have been able to execute documents with my notary stamp.
