MONTHLY REPORT: June 2024.

From: Anna Jordan-Community Development and Housing Assistant

- **Housing:** Down payment assistance program is currently on hold waiting instruction from HUD. We have received updates from RPC, and anticipate we will have the details regarding this soon.
- Meeting scheduled with regional planning commission in August. We are hoping to have more information and provide these services to hopeful home buyers soon.
- With the budget limit on the full rehabs we continue to struggle to find qualifying and interested applicants. We are hopeful this will be raised in future or we are able to find homeowners we are able to assist.
- **Fair Housing:** For the month of June, I received 19 calls . Call regarding housing issues, landlord/tenant issues. We continue to get calls regarding neglected repairs, these callers are referred to Code enforcement as needed. Tenants are given info regarding escrowing rent as well. We navigated calls from tenants given 30-day notices to vacate, who were on month to month lease agreements as well.
- **Community Development :** Whole house electric update for a homeowner using our rehab program has been completed. House is completely up to code and has safe working electric. We have two homeowners receiving new roofs and gutters through our emergency repair program currently. We have a third homeowner we are waiting on specifications for a roof replacement. Our new program year begins July 1, we are watching our funding closely as we reach the end of the program year. Sub-recipient' activities and requisitions are being processes for any work in 2023 program year . CDBG ledger is continually updated. Contractors are paid quickly and efficiently.
- We are in anticipation of funding for 2024 program year, and have several pre-apps for homeowners looking forward to being able to utilize our programs.
- **Administrative:** Manage phone calls. IDIS activities set up, and updated as necessary. Prepared and paid bills/ IDIS drawdowns for funds. Ledgers balanced and maintained accurately throughout the month. Other tasks upon assignment. Supplies ordered as needed. RPC set up and completions completed in a timely manner. Prepare documents as needed for meetings. Application packets prepared and mailed. New files set up as needed.
- **Meetings/Training/Events:** For the month of June I attended:
 - ▶ June 12th-Pre-construction meeting
 - ▶ June 25th -listening session-HOME proposed rule.

Respectfully, Anna Jordan -Community Development and Housing Assistant

From: Beverly A. Lewis, Housing Director, Massillon City

Date: Monthly Report June, 2024

- **Fair Housing Calls for the Month: Beverly 20 Anna 19**

Code Enforcement Involvement - Yes as needed - continually working together.

Were any of them discrimination related? NO

- **Housing Rehabilitation Projects:** We have no pending full rehabilitations at this time. However, we do have flyers out for contractors. Presently we have six (6) new contractors: four general contractors, one roofing specific, one electrical specific and one specific to stair lifts, ramps, power doors, porch lifts and vertical platforms lifts. We have
- **Emergency Rehabilitation Projects/Minor Repair:** We received a call from our homeowner who is in need of a stair lift, wanting to know if we checked with the two companies he found. I checked, for his comfort, and found that they were not registered with the City of Massillon, and that the process would take a lot of time. The second reason would be that we had already be advised from the Regional Inspector that the extensive work we did with the previous company address the issue that the stair well was too narrow to add a stair lift without possible hurt or harm being done to the homeowner. We suggested again that a modification down stairs would eliminate him having to go upstairs to the bathroom; he does not want to transform his down stairs to accommodate his needs. We have closed the book on this one understanding that the liability to the city as well as homeowner, is too great to continue further. Please see this home owners' folder for complete transparency in regards to this matter. We have completed a roof for one homeowner, payment pending, with another one in the process, and one more just beginning.
- **First time Homebuyer Assistance Program is on HOLD until further notice from HUD.** Since the beginning of the year, we have had several calls for assistance. People who are ready to buy in Massillon, but cannot use our program for their down payment assistance. This I do not believe in our fault, since we had not communication with our Reps for at least five years. Had I thought anything was wrong, I would have reached out to them. I believe there was a learning curve, with all of the new reps, that has been assigned but not seen over those years. A Virtual meeting is set with Regional Planning, August 8, 2024. Revisions to Policy and Procedures will be the topic of discussion.
- **STATUS OF THOSE WAITING OR PRESENTLY BEING SERVED:** On-going
- **PROGRESS TO DATE:** SEE ABOVE
- **MEETINGS ATTENDED DURING THE MONTH WERE:** June 4, 2024 – Staff meeting 9:30 – 10:30 in Mayor's conference room; June 11, 2024 HCCSC Board meeting cancelled June 12, 2024 @10:30 am pre-construction meeting; Webinar, June 13, 2024 10:00-12:00 noon, Environmental Review Policies and Procedures ; June 18, 2024 System Performance meeting (unable to attend); Webinar, June 25, 2024 HUD Home Rule listening session; June 28, 2024 West Start Homeless Coalition @ Salvation Army, 11:45-1:00 – absent day off.
