

MASSILLON Augusta Lakes Storm Water Detention

BASIN A is a storm water detention/water quality/sediment basin in the Final Plat for Augusta Lakes Subdivision. It outlets into the City of Massillon Golf Course drainage system. The plat does not discuss ownership but there is a long-term maintenance plan submitted to the City. Unless stated within HOA documentation, the basin appears to be the responsibility of the Janda Development, parcel owner 10014679 (6360 Promler Ave NW, North Canton, Ohio 44720)
