Dear Mayor:

Attached is the monthly report for the Massillon Fire Department for March, 2015.

The department responded to a total of 432 alarms during the month. This averages to 13.9 alarms per day. There were 71 fire alarms and/or public service calls, and 361 Rescue and EMS calls. There were no fire-related deaths or injuries.

On the 3rd of the month, I met with Asst. Prosecutor Simpson regarding an investigation. I also attended a countywide SCOG meeting as part of the Stark County Hazardous Materials Executive Board. We attended to present an overview of Haz Mat service to the committee.

On the 4th of the month, I attended a purchasing meeting regarding Large Diameter Hose. Using a bulk purchase, we are able to save significant dollars from the retail price on hose that is much lighter weight than the current LDH which will hopefully result in fewer injuries on the fireground.

On the 5th of the month, I attended the monthly LOGIC Board meeting.

On the 6th of the month, I attended the Diversity Committee meeting.

On the 9th – 12th of the month, I attended ICS L-962 Planning Section Chief class in Cuyahoga County.

Friday, April 10, 2015

On the 21st of the month, I met with Greg Songer from Public Entities Pool (City Insurance).

On the 24th of the month, I attended the countywide accountability meeting chaired by Asst. Chief Heck.

On the 25th of the month, I attended the monthly IMAT meeting.

On the 26th – 27th of the month, I completed the Lean Ohio Boot Camp by attending the final two days in Millersburg.

On the 31st of the month, I attended the Hazardous Materials Executive Board meeting.

On the 23rd of the month, Firefighter/Paramedics Timothy “Travis” Krieger and Brian Frank were sworn in as probationary firefighters. The fire department training committee has worked very hard at initiating a probationary employee training and qualification manual which these two new hires will be required to complete. The manual takes them through their probationary period and provides quarterly knowledge, skills, and abilities training, education, testing and evaluation.

FROM: Kenneth Koher, Income Tax Administrator
SUBJECT: Income Tax Department Monthly Report – March 2015
DATE: April 8, 2015

.....

Total tax revenue receipted for March 2015 was \$1,407,858.36, an increase of \$38,087.68 (+ 2.8%) as compared to last year's March total of \$1,369,770.68. *Withholding* tax payments from local employers were up \$11,232; *Business Net Profit* income tax was down \$40,922; and *Individuals* tax payments were up by \$67,778. The year-to-date income tax revenue stands at \$4,242,030.78, which is \$104,077.28 under last year's like-period total.

Payroll tax withheld by Massillon employers remains strong. The average monthly *Withheld Income Tax* payroll deductions paid to the City for the current period and the past three years are as follows:

- 2012 - for twelve months ending December 31, 2012 = \$ 884,640 per month
- 2013 - for twelve months ending December 31, 2013 = \$ 956,130 per month
- 2014 - for twelve months ending December 31, 2014 = \$ 990,970 per month
- 2015 - for three months ending March 31, 2015 = \$1,079,094 per month

Income tax revenue on a last-twelve-months ("L-T-M") moving average basis will be growing throughout the year, spurred somewhat by last year's tax credit reduction ("TCR"). Most of the TCR added tax revenue will be realized in March and April of this when the majority of tax returns are filed. To date an estimated \$126k has been receipted due to the TCR. The L-T-M average monthly tax revenue for March was \$1,320,706. The L-T-M monthly average target for this year is \$1,354,210.
