LISA REED, Mayor's Report - Administrative Assistant

From: Beverly A. Lewis, Housing Director, Massillon City

Date: Monthly Report August, 2024

- **Fair Housing Calls for the Month: Beverly 30 Anna 23**

Code Enforcement Involvement - Yes as needed - continually working together.

Were any of them discrimination related? NO

- **Housing Rehabilitation Projects:** We have one pending full rehabilitation; however, a bathroom modification may be all we are able to do. I am working on our new Policies and Procedures Manual for our existing programs that will benefit Massillon citizens.
- **Emergency Rehabilitation Projects/Minor Repair:** Request and approval for a homeowner for a roof, has been received. We are sending out our Intent to proceed and waiting for our home owner's response. We have a homeowner requesting for assistance with a roof, having solved the problem that prevented us from moving forward, this request has been approved and waiting for funds to fully complete this request. The previous applications mailed with no response have been removed. We do have homeowners request for a hot water tank, homeowner #2 for bathroom modification; homeowner #3 homeowner is in need of a roof and homeowner #4 is in need of plumbing or toilet replacement. Phone apps were taken and full application packets were mailed the later part of August.
- **First time Homebuyer Assistance Program is on HOLD until further notice from HUD.** Update: August 8, 2024, Ted Herncane, CDBG Director; Beverly Lewis, Housing Director; Anna Jordan, Administrative Assistant set up a call with Regional Planning, Diane Sheridan, Chief of Community Development and Lisa Snyder, Community Development Planner in regards to our next steps with our First Time Home Buyers Program. After serious discussion it was agreed upon that with all of changes that have been regulated to the First time Homebuyers Program we would not be able to continue and meet the guidelines set forth from HUD.
- **STATUS OF THOSE WAITING OR PRESENTLY BEING SERVED:** On-going
- **PROGRESS TO DATE:** SEE ABOVE
- **MEETINGS AND WEBINARS ATTENDED DURING THE MONTH WERE:** August 2, 2024 Webinar for Policy & Procedures 3:30-4:30; August 6, 2024 Staff Meeting 9:30 – 10:30; August 8, 2024 Virtual Meeting with RPC 10-11.00; Webina: Stark County CDBG Virtual application Workshop; August 10, 2024 Funfest in Duncan Plaza 10-2:00; August 13, 2024 OCCD Income determination Training, 9-12; August 28, 2024 OCCD Fair Housing Trends Training 10:30- 12:00, on line.

In the process of updating our information and contacts. Re: Monthly Report

Date: August 2024

Economic Development

Fielded several calls regarding new business opportunities to discuss site location, zoning, and site plan review procedures.

Met with owner of Massillon Energy & Technology Park and Stark Economic Development Board to discuss potential roadway options into site and new projects pending.

Met with building, code, and engineering departments to discuss software options that could streamline permitting and other functions. Software demonstrations to be scheduled for next month.

Community Development

Continued CDBG administrative duties including accounting and financial management for CDBG expenditures, monitoring expenditures for all activities in IDIS, and monitoring of CDBG sub recipients and their programs.

Fielded calls from residents regarding the City's vacant land reutilization program and questions regarding zoning requirements for various projects.

Worked with code enforcement officers and held weekly status meetings to go over procedures, record keeping, and legislation updates.

Continued work on FY 2023 CDBG Consolidated Annual Performance and Evaluation Report (CAPER) due September 30, 2024. This report summarizes all of the CDBG program's projects and activities, and funding during the program year.

The Housing Department will no longer offer downpayment assistance through the HOME Consortium due to new HUD regulatory changes. The City of Alliance and Stark County have also eliminated this from their programs for the same reason.
