The department responded to a total of 542 alarms during the month. This averages to 17.5 alarms per day. There were 107 fire alarm and public service calls, and 435 rescue and EMS calls. There were no injuries due to fire.

On the 3rd of the month, Fire Prevention Officers and I attended a Board of Building Appeals Hearing in Ashland, Ohio regarding the NAPA Building. Also in attendance was the Building Department and a representative from the Prosecutor's Office.

On the 4th of the month, I attended the monthly L.O.G.I.C. Board meeting.

On the 9th of the month, the FPB attended the City of Canton Fire Prevention breakfast for fire prevention month. Also, the biweekly construction meeting was held at Station # 3.

On the 10th of the month, I attended a demonstration on Fireground Accountability software at Jackson Township FD.

On the 13th of the month, I participated in the Stark County Firefighters Memorial Service held at the First United Methodist Church in Massillon. Also, the department participated in the Massillon Parks and Recreation "Trunk or Treat" event for Halloween.

On the 21st of the month, the annual Open House was conducted at Station # 1 to recognize Fire Prevention month.

On the 25th of the month, the Massillon/McKinley parade and bonfire was held.

On the 26th of the month, Fire Act grants were due.

On the 30th of the month, I attended the monthly Haz Mat Executive Committee meeting.

October is Fire Prevention month and our Fire Prevention Bureau has been busy with school intervention, public awareness and also several fire investigations. The Fire Prevention Bureau and our Suppression forces are doing an excellent job and I applaud them for their efforts.

Thomas M. Burgasser, Fire Chief
Fire Department | 233 Erie Street South, Massillon, OH 44646 | 330.833.1053

There was also an Open House at Station # 1 on October 21st. Those who visited were treated to numerous displays, station tours, and various demonstrations of as well as refreshments. Thanks to all who helped to make our Fire Prevention month and the Open House the great success that it was.

During the month, interviews were conducted to hire one additional employee to replace Captain Murrey's slot.

Regarding the radio migration, fleet maps were due in this month and there is a coordination being undertaken to allow for transitioning the entire county from the County Legacy radio system to the statewide MARCS system. It appears this will take place sometime between late December and early January of 2019.

The new trucks are being outfitted for service and the in service date appears to be around mid to late November.

Station # 3 renovations are a little behind schedule due to the weather but the project is coming along very well and there have been many positive comments from the general public as the outside takes shape.

Respectfully submitted,
