

VIRTUAL PUBLIC OPEN HOUSE

June 17, 2025- July 18, 2025

Main Avenue W & Tremont Avenue SW Roundabout Project

ODOT Project No. STA-Main/Tremont RAB; PID 120493

Visit Project Website: publicinput.com/MassillonRAB

You're invited to participate in a virtual open house!

The City of Massillon invites the public to participate in a virtual open house public involvement event by viewing a pre-recorded online presentation to learn more about the proposed roundabout project at the intersection of Main Avenue W, Tremont Avenue SW, and 23rd Street NW in Massillon, Stark County, Ohio.

The project proposes to construct a roundabout east of the existing Main Avenue W, Tremont Avenue SW, and 23rd Street NW signalized intersection. The proposed roundabout will be a single-lane roundabout. The project also proposes minor drainage improvements, the installation of new concrete curb/gutter, signs, and the adjustment of two driveway approaches.

The proposed project is currently in the planning phase which includes environmental studies and preliminary plan development. Construction is anticipated to begin in May 2026 and end in Fall 2026. During construction, the detour route will utilize 17th Street NW, Lincoln Way NW, 29th Street NW, and State Route 241 (Finefrock Rd SW), a total distance of 5 miles.

The virtual open house public involvement event will begin June 17, 2025, and last through July 18, 2025. Available project information (e.g., presentation, comment form, etc.) may be requested from the contact below or can be viewed on the project website at the following link or by scanning the QR code below on your mobile device:
