

Massillon City Health Department

Temporary Event

Temporary Event Food Licenses are issued for events that last no longer than five consecutive days. Operators must contact the Massillon City Health Department regarding licensing at least ten days in advance of the event, or a license will not be issued. Please direct all questions to (330) 830-1795.

The following requirements must be met to ensure the safety of the food that you will be serving:

1. No food is permitted to be prepared in a home. All food must be either prepared on site or in a licensed kitchen.
2. You must have a probe food thermometer available for use in the Temporary if any potentially hazardous foods are being served. The thermometer is necessary to ensure that cold foods stay at 41°F or below and hot foods stay at 135°F or above.
3. A means of washing hands is required at all times. This can include a way to wash with soap and water, or you are permitted to use hand wipes. Please note, hand wipes are not the same as Clorox or other disinfecting wipes.
4. A 3 compartment sink set-up is required to wash, rinse, and sanitize equipment during the event. Make sure you are set up to accommodate your largest piece of equipment. Please note: the license holder is responsible for disposing of wastewater in an approved manner. Dumping wastewater on the ground, into a storm sewer, onto the street, etc. is not permitted.
5. Approved sanitizers include quaternary ammonium (quat), chlorine, or iodine. You must have a sanitizer test kit available to ensure the sanitizer is meeting the following requirements:
Chlorine: 50-100ppm
Quaternary Ammonium (Quat): 200ppm
Iodine: 12.5-25ppm
6. Hair restraints must be worn by anyone handling food. Some acceptable restraints include hair nets, hats, or visors.
7. Unauthorized people, as well as pets, are not permitted within the operation, and all persons within the Temporary must be clean and in good health.
8. Smoking is not permitted within the Temporary.
9. The license holder is responsible for complying with all requirements of the Ohio Food Safety Code. The Ohio Food Safety Code can be found on the Ohio Department of Health's website at www.odh.ohio.gov or on the Massillon City Health Department's website at <https://massillonohio.gov/health-department/>.
10. Please direct questions regarding requirements of the Massillon City Fire Department to the Fire Department at (330)833-1053.

Food Safety is the most important aspect of any food service business. Temporary events are special situations that require the appropriate license and guidelines to follow. The purpose of this guide is to ensure that as a food service operator you are aware of your responsibilities for maintaining compliance with the Ohio Uniform Food Safety Code (Chapter 3717-1 of the Ohio Administrative Code). Questions can be directed to Bethany Perkowski, Environmental Health Director, by phone at (330) 830-1795 or email at bperkowski@massillonohio.gov.
