

## 2019 RETURN OF EMPLOYEES' INCOME TAX WITHHELD AND ANNUAL RECONCILIATION

---

Pursuant to the passage of Amended Substitute House Bill 5 in December 2014, new State mandated municipal income tax guidelines have been established, effective with tax returns due for tax years beginning January 1, 2018 and after.

**Changes in filing due date for employee withholding.** Monthly Withholding returns and payment must be received no later than the 15<sup>th</sup> of the month following the reporting period.

**Changes in monthly and quarterly withholding thresholds;** Employers must remit monthly if withholding in the previous calendar year exceeded \$2,399 or if the amount required to be withheld during any month of the previous calendar quarter exceeded \$200.00.

Employers can remit quarterly if their withholdings are under the thresholds described for monthly filers. Quarterly withholding returns and payments must be received by the last day of the month following the quarter end.

**Changes in penalty and interest rates;** Late payment penalty is a one-time 50% penalty of the unpaid balance at the time payment is due. (Ohio Revised Code 718.27)

Interest will be calculated at the July federal short-term interest rate **plus** 5%.

### IMPORTANT INFORMATION

#### UNIFORM WITHHOLDING REQUIREMENTS for EMPLOYERS

The State legislature has amended Ohio Revised Code 718.03 (municipal income tax) to require that all employers withhold on the same wage base (known as “qualifying wages”) for municipal income tax purposes. This amendment was contained in House Bill 95 (2003) and is effective January 1, 2005. Beginning that date, all employers will withhold municipal income tax as follows:

#### **Medicare Wages**

An employer is required to withhold municipal income tax on “qualifying wages”, which are wages as defined in Internal Revenue Code Section 3121(a). This should equate to Box 5 (Medicare) of federal Form W-2.

**Medicare Exempt Employees** – These employees are subject to the requirements for “qualifying wages” withholding, even though Box 5 of federal Form W-2 will remain blank.

**Cafeteria Plans** – Internal Revenue Code Section 125 wages are not included in the definition of Medicare wages. Municipal income tax should not be withheld on these wages effective January 1, 2005.

**401(k), 457 and Supplemental Unemployment Compensation Benefits** - These items should always be included in the Box 5 and are subject to withholding requirements.

**Nonqualified Deferred Compensation Plan** – Income from nonqualified plans is included in the definition of “qualifying wages” at the time the income is deferred, and is now subject to withholding for municipal income tax.

**Stock Options** – Income from the exercise of stock options is included in the definition of “qualifying wages” and is subject to withholding requirements.

**Disqualifying Disposition of an Incentive Stock Option** – An employer is not required to withhold municipal income tax only if, at the time of the disqualifying disposition, the individual is not an employee of the corporation issuing the stock option. The individual remains responsible for payment of the tax.

*Massillon's tax rate is 2%. If the amount of tax withheld and remitted is not 2% of the "Subject to Massillon Tax" amount from block 1, please include an explanation/reconciliation for the discrepancy and attach a supplementary statement or other documentation as needed.*
