Coin Master is a slot machine masquerading as a game.

Depending on the players' level, the actual coin payoff they receive from these links will vary. The spins will however remain the same regardless of the level, but coins will vary. For example, at lower levels, some players would receive 600,000 coins instead of one million, but at higher levels, they could receive up to 1.2 million coins. Players with very high ranks have also reported receiving 25 million coins from Coin Master free spin links.

Once you unlock Pets (after you unlock the 4th village) you can hatch some pets that give you extra bonuses. Foxy helps you in raids, Tiger gives you rewards when attacking, and Rhino is great for blocking attacks. Although you can only have one pet active at all times, you can swap it out for another whenever you like.

Cyber Collection chests, token, up to 5,000 spins, and more

Successfully raiding a player for several hundred thousand coins obviously accelerates the process, but a series of barren spins is just as likely.

Coin Master free spins: How to get free spins and coins in Coin Master, daily free spin links, and more

Since the slot machine brings in a ton of coins, Spins are the most important element of Coin Master. Every hour you are granted five spins and fifty spins if you log in the next day. To gain Spins in Coin Master, you can purchase them through in-app purchases. But if you don't want to spend any real money on the game, there are some alternative ways to gain spins.

In reality, though, Coin Master's biggest problem is not that it uses the language and patterns of gambling. It's that it uses them to excuse the fact that its main - arguably its only - mechanic is barely accessible without spending money.

One of the easiest ways to get loads of free coins on Coin Master is with free Coin reward links. You will find multiple websites hosting these links. Simply click on the link on your phone which will redirect you to the Coin Master game. There, you will automatically get the number of coins mentioned in the link.
