in this video you can clearly see that the user has generated some coins for their tiktok using this website and they were credited immediately to his account don t expect this much speed always because this website has a higher traffic now and therefore the server is a bit slow in functioning such as assigning the coins to the users a delay of up to one hour is possible at peak hours especially usa time 6pm to 12am

**unfortunately there are no legitimate ways to get free tiktok coins on the tiktok app nor on any website or third party app tiktok coins cannot be earned anywhere and must be bought within the tiktok ios or android app with real world money**

**this also helps you better know your audience you re not making videos for yourself nor should you make a wide range of videos trying to keep everybody happy successful tiktokers make videos that they know their audience will love it is much easier to devote your attention to a particular group of people rather than just making random content**

many tiktok users have asked me the same whether we can earn money on tiktok or not my short answer for them was yes you can but you need to find the right websites for that some may work always some may work for few days and some won t work at all it s all about updating the algorithms of these loot websites to match that of tiktok if a website s admin is active in updating its algo as soon as tiktok makes a change that website will bring the results always for every users such websites are rare of the rarest i would say the right websites that give tiktok coins will help you earn some bucks fortunately we have got one and now let s talk about making it to work to earn some real cash using coins

the tiktok money calculator allows you to calculate your estimated earnings from your tiktok account if you believe you are an influencer based on your engagement and number of followers this is for the western version of tiktok not the chinese version douyin

most people use tik tok for killing time but there are also some people who use this social media for becoming famous this is possible only by getting their tik tok featured when it is featured those accounts will get more reach for their videos this will then give a higher amount of likes and followers in return there is no need of spending money for fame when there are free alternatives available yes don t ever spend your hard earned money for silly things like these tik tok is a growing community and therefore there are more frauds to cheat you also

this also helps you better know your audience you re not making videos for yourself nor should you make a wide range of videos trying to keep everybody happy successful tiktokers make videos that they know their audience will love it is much easier to devote your attention to a particular group of people rather than just making random content
