fable 2 s critical reception upon launching in 2008 was on par with the landmark release of bethesda s fallout 3 no mean feat considering the impressive legacy of the latter fable 2 isn t an 80 hour epic open world rpg with endless possibilities still the decisions players make and the impact these have on the world still feel more tangible than a lot of modern games with branching narratives fable 2 s setting evokes whimsy and wonder but it never feels toothless or childish it s a perfect taste of the universe lionhead and peter molyneux created and a great entry to jump into before the microsoft studios franchise reboot set to release on the xbox series x s

endlessly surprising as you connive your way to the top fall back down again then claw up the rungs once more as your disposed king s rightful heir crusader kings 3 shows that even though the weight of a crown wears heavy it s a lot of fun to try and keep it from toppling

you re tasked with ascending the titular spire a many levelled fantasy fortress populated with deadly monsters strange but sometimes helpful citizens and covetous shopkeepers over a three act structure with a boss fought at the end of each act as you progress through the randomly generated quest you build a deck of cards and collect magical relics in order to both survive the journey and beat the final boss this indie gem s mixture of rng roguelike and deck building gameplay is beautifully elegant while its brisk pace gives it a just one more go feeling that ll have you battling beasties until the early hours

based in a procedurally generated world inspired heavily by norse mythology valheim is about more than just surviving it s about the story that unfolds too you start out as a legendary warrior whose soul has gone to valheim where you must restore piece and fend off the enemies of odin

combine all this with developer playdead's now signature morbid puzzle solutions and carnal audio design and you get an unmissable experience that fans of 2d puzzle games absolutely must play assuming they can handle its intense and violent world building

each attendee of the prestigious hope's peak academy is known throughout the world as the ultimate practitioner of their chosen profession but when they're trapped in the school by the terrible teddy bear monokuma their only chance of escape is to murder one of their classmates and get away with it

riot games and xbox join forces in a partnership that welcomes riot's biggest titles to xbox game pass as two of the most passionate gaming communities in the world come together we're excited to share our love of player focused competitive games with xbox players in a first for game pass our partnership extends beyond pc to include riot's mobile only and mobile accessible titles with a riot account and game pass membership players can unlock premium xbox game pass rewards and member only benefits across our games starting december 12th
