playing as colt vahn an amnesiac former big shot on the mysterious island of blackreef now trapped forever inside a single 24 hour cycle that resets every time you die or reach the end of the day you gradually uncover the story behind blackreef's descent into chaos and work out how you can escape the loop once and for all spoiler it involves killing some bad people

endlessly surprising as you connive your way to the top fall back down again then claw up the rungs once more as your disposed king's rightful heir crusader kings 3 shows that even though the weight of a crown wears heavy it's a lot of fun to try and keep it from toppling

each attendee of the prestigious hope's peak academy is known throughout the world as the ultimate practitioner of their chosen profession but when they're trapped in the school by the terrible teddy bear monokuma their only chance of escape is to murder one of their classmates and get away with it

though microsoft announces most xbox game pass games close to their release often around a week before they arrive with all xbox studio games titles Bethesda and Zenimax games as well as EA play titles coming to the service from day one we have an idea of some upcoming game pass games ahead of time

you play as a sleeper a corporate owned robotic body with a mind copied and pasted from a living person but none of the rights or privileges of an actual human and obsolescence built into your nature you're dying and decaying a little bit every day having arrived on a rundown space station it's up to you how to spend your cycles i.e. days working to make money eating to survive or helping out various factions with jobs essentially a sci-fi version of the gig worker your time is limited and you're living almost purely to work

hitman 2 and 3 are particularly great with tons of memorable setpieces like the country manor murder mystery where you impersonate a detective solving a previous crime while simultaneously killing the suspects

one of microsoft's greatest contributions to gaming is its online subscription service xbox game pass for just 10 a month you can play 200 games on microsoft platforms like xbox one xbox series x xbox series s pc and even ios and android devices via the cloud and if you're a first time subscriber you pay only 1 for the first three months if regular xbox game pass isn't enough and you want more you can pay 15 a month for xbox game pass ultimate to gain access to console pc and cloud games all at once instead of just one platform
