load back in and immediately fast travel by hitting the right bumper if the glitch is done right you ll see that the game still acts as though you never played that game but you still get to keep whatever badge progress or vc you earned from the previous win so just keep playing your first game keep winning and enjoy the profits

another easy vc method that s making waves in the 2k community over the past few hours involves a glitch on the current gen courts more specifically this glitch works best on the 10k vc courts but it technically functions on any court if you d like to earn a smaller reward
