Subject: Monthly Report – January 2013

- 1. The City continued implementing activities under its FY 2012 CDBG Program Year, which began July 1, 2012. In regards to FY 2012, Congress has approved a HUD budget that reduces funding for CDBG by approximately 11.6%. The City's entitlement grant for FY 2012 is \$582,917. This represents the lowest CDBG allocation for Massillon since 1990.
- 2. This month the CD Department completed work on the implementation of its Neighborhood Stabilization Program (NSP). NSP funds are being used for the rehabilitation/new construction of 17 single family homes, and for the demolition of 39 vacant and dilapidated residential structures. The City has begun close-out procedures for the NSP grant and was complemented by the Ohio Development Services Agency, formally known as the Ohio Department of Development.
- 3. The CD Department began planning activities for the FY 2013 CDBG Program Year. Applications for CDBG funding were due January 31, 2013 and are currently being reviewed. HUD anticipates further cuts to the CDBG Program and has advised all grantees to assume an 8% decrease in CDBG funding for FY 2013. Assuming last year's grant amount of \$582,917, an 8% reduction in entitlement funding results in \$46,633.36 in additional cuts that will be made to the upcoming CDBG Program Year.
- 4. The CD Director attended the winter meeting of the Ohio Conference of Community Development on January 23, 2012. Topics included housing rehabilitation-related issues and Federal legislative panels, among others.
- 5. The Housing Department continued to implement emergency home repair projects to low/moderate income persons utilizing CDBG funding. The Housing Department also fielded several Fair Housing calls and provided homebuyer assistance to eligible homebuyers. There are currently five (7) full rehab housing projects at various stages of implementation.

Mayor Catazaro-Perry Municipal Government Center Annex 151 Lincoln Way East Massillon, Ohio 44646

Dear Mayor:

Attached is the monthly report for the Massillon Fire Department for January, 2013. I apologize for the late date at which this report comes, but the statistical data has been delayed due to the change over from the State EMS database as well as our change from Firehouse reporting software from computer-based to web-based. The process is slow but ongoing and should be resolved within the next week. A complete report of statistical items will follow with the February report.

The department responded to a total of 407 alarms during the month. This averages to 13.1 alarms per day. There were no injuries due to fire.

On the 2nd of the month, I attended the LOGIC Board meeting.

On the 16th of the month, I attended the planning sessions for the upcoming Rapid Intervention Team (RIT) training. I also attended a meeting to continue planning the power point presentation for first responder awareness of High Pressure Well situation.

On the 17th of the month, the department attended ALICE training which directs response to Active Shooters in the schools. The department participated in a trauma drill at Affinity Medical Center.

On the 23rd of the month, I attended the quarterly LEPC meeting.

On the 24th on the month, I went to Muncy, Pennsylvania with LEPC Director McDonald to learn about Boots and Coots which is a high-pressure well control specialist company.

Kathy Catazaro-Perry, Mayor

Massillon City of Champions

Thomas M. Burgasser, Fire Chief

Fire Department | 233 Erie Street South, Massillon, OH 44646 | 330.833.1053

On the 29th of the month, the High Pressure Drilling awareness program was presented to the Navarre Fire Department.

On the 30th of the month, the Mayor and I attended the Oil/Gas Symposium at the Canton Civic Center.

Much of January was spent preparing for the upcoming Rapid Intervention Training program that is to take place at the Canton Township Fire Department training center. This training will give firefighters an acute understanding of their airpack system and technology, methods for firefighter safety procedures in terms of self rescue, and techniques for developing a response to a firefighter mayday.

The High Pressure Drilling awareness presentation that Don McDonald (LEPC) and I have been working on for several months is finally ready to be made available to police, fire and EMS agencies. This presentation discusses the science of high pressure drilling including the hydraulic fracturing process during construction, an overview of the kinds of emergency situations that can be encountered during the construction and drilling phases of operation, and also how to preplan and/or prepare for a well control event that could impact safety for the Stark County community in general.

SAFER Act grant funding will be depleted in 21 months. The Fire Department has secured additional funding for an additional 12 months for those who are veterans (3) which is approximately \$260,000 additional dollars.

Respectfully submitted.

Tom Burgasser,

Fire Chief

CITY OF MASSILLON

INTERNAL CORRESPONDENCE

TO: Kathy Catazaro-Perry, Mayor

FROM: Kenneth Koher, Income Tax Administrator

SUBJECT: Income Tax Department Monthly Report – January 2013

DATE: February 19, 2013

Income Tax collections for the month of January 2013 of \$1,162,687.45 were up 66% (\$574,797.51) as compared to January 2012. As noted in the December report, there was a \$600k deposit on the last day of 2011, of which it appears that the parallel large dollar late-month deposit was received in January this time around. As an apples-to-apples basis of comparison, if we look at the last-three-months tax collections moving average (2013 vs 2012) the percentage increase is 12.6%. This represents a more realistic look at the trend of tax collections volume. Income tax revenue receipts encompass both, the General Fund and Parks and Recreation dollars.

The year-to-date total matches the monthly total since it is the first month of the year. Income tax receipts on an L-T-M (last-twelve-months) basis covering the period of February 2012 through January 2013 increased \$91,694 per month, from \$1,153,714 to \$1,245,408, or +7.95%. That amount equals an increase of \$1.1 million annualized and it is a comparison of Feb 2011 thru Jan 2012 to Feb 2012 to January 2013. The *last-twelve-months* calculation is a meaningful indicator as it tracks the trend of income tax revenue over a pertinent time period.

As a repeat additional note to this month's report, please remain informed that there is a significant-dollar 2011 corporate tax refund in continuing audit status.

CITY OF MASSILLON

PARKS & RECREATION

MONTHLY REPORT - January 2013

Please accept the following monthly report as well as the attached reports from the Parks, Recreation, Golf Course, and Senior Center Divisions.

RECREATION CENTER OPERATIONS

We are starting the year out on a positive stride. Membership purchases for January were at 1257. This marks the highest number of memberships sold in January since we have opened the recreation center. The number of visits to the recreation center were at 20,454. We have been working on some repairs to the fitness equipment to keep up with the very high demand for this time of year.

PARK MAINTENANCE

Work is ongoing trying to make repairs on mowing equipment and vehicles in the park maintenance fleet. We have had a few snow occurrences through January. Park department crews have been responsible for Duncan Plaza and the Rec Center sidewalks. The City's Street Department has been taking care plowing and salting the Rec Center parking lot.

MEETINGS/SPECIAL EVENT VISITS

Listed below are highlights of monthly meetings/special events that I participated in during the month of January.

- City Council Meetings 1
- Division Head Meeting 2
- ▶ Department Head Meeting 2

Respectfully Submitted,

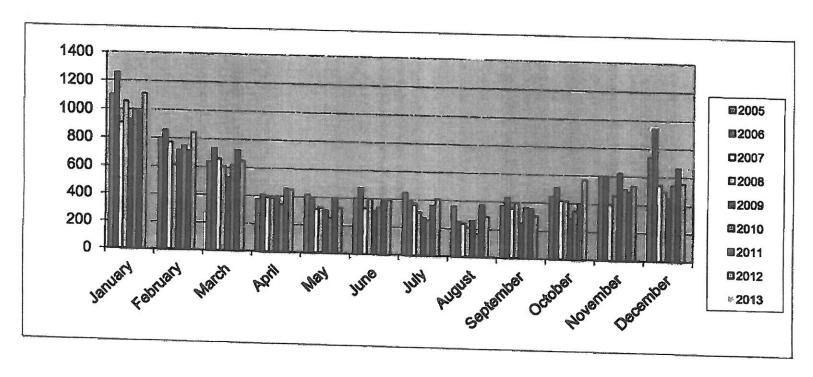

Douglas Nist

Interim Director of Parks and Recreation
