1. Office continues implementing activity under FY 2013 CDBG Program Year, ended 6/30/14. Massillon funding of \$607,065 in CDBG remains open until the new funding is received. The FY 2014 CDBG Program Year funding will be \$611,400. We are one of only seven cities in Ohio to receive a small increase for the coming year out of the thirty five total CDBG cities.
2. The Housing Department continued to implement emergency home repair projects to low/moderate/income persons utilizing CDBG funding. The Housing department received 39 fair housing calls. The Housing Department does administer rehabilitation projects utilizing HOME Consortium funds in conjunction with the Stark County Regional Planning. And the department is having a good year for first time homebuyers and their financing assistance.
3. Code Enforcement staff conducted 44 site inspections which is again up from last month. And 38 of those inspections were in HUD targeted areas. Most all of these inspections are for property maintenance needs and claims.
4. Large work to gain HUD approval for Hampton Inn owners to refinance HUD bonds originated 14 years ago. Extensive analysis and paperwork to gain approval for release of collateral and altered payment schedule. HUD bondholders receive the proceeds over remaining five years.
5. Community Development Director worked through economic development grants for Matt Heck/Sangria Stand and Jamie Anania/Sugar Mama's Sweet Shop to help promote economic development and downtown growth. Counseled other prospective applicants.
6. Participated in luncheon with Mayor and Buehler's CEO and new local general manager for their store to be opened here. Welcomed them to City and sought ways to help them.
7. Attended first Stark Regional Planning Commission monthly meeting on behalf of Massillon and reconnected with staff members, many I have previously worked with. Asserted our commitment to be productive partner in mutually beneficial CDBG and housing programs.
8. Two CIC meetings plus subcommittee meetings with much focus on downtown businesses and vacancies.
9. Facilitated Historical Preservation Commission meetings to approve sign and façade design plans for Matt Heck/Sangria Stand at 39 Lincoln Way East and Jamie Anania/Sugar Mama's Sweet Shop at 44 Lincoln Way East. Both were passed.

*September 17, 2014*

10. Attended luncheon along with Massillon Chamber with Stark State College to consider ways in which we can connect their workforce education programs and internships with local employers.
11. Attended Stark Broadband Task Force meeting – a Walsh University Intelligent Community initiative. They have sought support from and inclusion of Massillon in effort to promote and expand communication infrastructure across county that will benefit large commercial users and is funded by grants.
12. Met with three different companies over several meetings seeking specific sites within the City of Massillon for relocation to bring job creation and investment. Have made them aware of other resources and potential partners available in our City.

### ACTIVITY REPORT:

- **Fair Housing Calls for the Month:** - The number of calls received for the month of August totals 39. Decline in the trailer parks is ongoing. Persons with disabilities are being denied the opportunity to renew their lease agreement without an explanation. Landlord choose to 'quit.' There seems to be very gray area that invades the persons with disabilities and fair housing laws that protect the disabled. Some Landlords are also using their no pet policies to keep persons with service dogs away. They are questioning the size of the dog verses the need of the service dogs for the tenant. I have been networking with the Salvation Army, Homeless Shelter, Health Department, and Code Enforcement to get as much done for Massillon citizens as possible.
- **Housing Rehabilitation Projects:** Presently, we are finishing up one full rehab, and waiting for final inspection. We have two full rehabs in the beginning stages.
- **Emergency Rehabilitation Projects:** We have been trying to get proper bids for many of the homeowners who need roofs, however the amount we allow for replacing a roof, is limited. Likewise, many of the homes requiring a new roof, the size and cost is far beyond the limit. However, we have four (4) roofs pending and two (2) furnaces if the homeowners qualify for the assistance.
- **First-time Homebuyers Assistance:** this has been a good year for First-time Homebuyers. We have one we just closed on, and one pending. There are also three more perspective Massillon Homebuyers in the wings.

**Miscellaneous:** We send out comment sheets following service provided to our homeowners. We have been getting good responses from them. It is refreshing to hear good things and to experience the joy people really have when they have been able to receive assistance for their homes. People do have a lot of pride and are thankful that the Housing Department and the City of Massillon is here for them.

Again thank you for the opportunity to serve.

Beverly A. Lewis

Dear Mayor:

Attached is the monthly report for the Massillon Fire Department for August, 2014.

The department responded to a total of 407 alarms during the month. This averages to 13.1 alarms per day. Because of wireless reporting constraints of quality assurance coupled with the need to have monthly reports generated by the 15<sup>th</sup> of the month, statistical reporting will be for the prior month. In July, the department responded to a total of 386 alarms during the month. This averages to 12.5 alarms per day. There were 126 fire alarm and public service calls and 260 rescue and EMS calls. The total estimated fire loss for the month was \$81,500.00. There were no fire-related injuries or deaths.

On the 4<sup>th</sup> of the month, the fire department deployed EMS resources to stand-by at the Hall of Fame Drum and Bugle Corps event at Paul Brown Tiger Stadium. We also sent the tanker to "Target" store for its National Night Out.

On the 7<sup>th</sup> of the month, I attended the monthly LOGIC Board meeting. I also attended the monthly IMAT meeting which was held at Marathon Refinery. We discussed the radios and had our computers updated.

On the 8<sup>th</sup> of the month, I attended a Stark County Fire Chief's Executive Board meeting to discuss wireless reporting and the topic of Community Paramedicine.

On the 9<sup>th</sup> of the month, the fire department participated in the annual downtown Fun Fest.

On the 11<sup>th</sup> of the month, the AA Hammersmith Building in downtown Massillon caught fire as a result of a weather-related incident.

On the 13<sup>th</sup> of the month, I attended a wrap of meeting for the 3<sup>rd</sup> of July Independence Day Celebration.

On the 14<sup>th</sup> of the month, I attended a Countywide Dispatch Governance Board meeting. I also attended a Hazardous Materials Executive Board meeting with County Administrator Luther and Fiscal Officer Nichols to discuss purchase of a building for the Haz Mat Team.

On the 21<sup>st</sup> of the month, I participated (using flex time) in the ALS Cold Water Challenge along with other city administrators. I also attended a meeting with the Mayor and Perry Township officials regarding joint fire department operations and planning.

On the 26<sup>th</sup> of the month, I attended the monthly Haz Mat Executive Board meeting. I also met with Fire Dex turnout gear representatives.

On the 30<sup>th</sup> of the month, the fire department assisted the Parks and Rec. department by filling the pool with permission from the water company.

Much of the month was spent on an Administrative Investigation. Wireless reporting began this month and is currently operating efficiently. It should be noted that the SAFER grant will sunset in 1 months, although the 3 veteran employees have been given an extra 12 months of funding by the federal government.

Respectfully submitted,

Tom Burgasser  
Fire Chief

*Please accept the following monthly report from the Parks, Recreation, Golf Course, and Senior Center Divisions.*

**RECREATION CENTER OPERATIONS**

Membership purchases for August were at 131. Total membership purchases for 2014 are at 3,737. The number of member visits to the recreation center for August was 9,015 bringing the year to date member visits to 125,737. During our "shut down" week we were able to get many repairs and improvements done throughout the building. Some work that was done includes: replacing lights in the aquatic area, new paint on aquatic area walls, carpet in the lobby area, all carpets were cleaned throughout the facility, gym floor resurfacing was done and an over-all cleaning was done as well. Fall programming has started throughout the department.

**PARK MAINTENANCE**

Crews continue regular mowing and string trimming throughout the parks. We purchased 80 tons of ball field mix for Community Park fields 4, 5 and 6. Six yards of mulch was installed around the concession stand beds. The Massillon ASA youth parents and volunteers are helping with work at Community Park. They have been working the past few weeks to make fields 4, 5 and 6 better for their participants. We will continue to assist them when we can.

Listed below are highlights of monthly meetings/special events that I participated in during the month of June.

- City Council Meetings – August 4<sup>th</sup> and 18<sup>th</sup>
- Council Work Sessions – August 11<sup>th</sup> and 25<sup>th</sup>
- Recreation Staff Meeting – 1

## **Massillon Parks and Recreation Board Report – Thursday, September 11, 2014**

The Massillon Senior Center currently has 364 paid memberships.

On Monday August 25, 2014 we had our annual Steak Fry in Community Park, 73 people attended. An 8oz. strip steak, baked potato, tossed salad, dinner roll and Friendly's cream was served. This is one of many fund raising events held throughout the year to help support the Senior Center. A special note of thanks to Doug Nist and the Parks crew, I really appreciated their help!

On Wednesday, September 17<sup>th</sup> the Center will have a table at the Massillon AAA Senior Driving/Wellness Expo. This is a community event being held at the Massillon Eagles. This will be one of many marketing opportunities for me to promote the programs and services offered at the center. Then on Thursday, September 25<sup>th</sup> I will be at the Faith in Action Health Fair held at the Massillon Recreation Center. Once again this is an event to showcase and endorse the Senior Center which is a division of the Massillon Parks and Recreation.

On October 6<sup>th</sup> 47 seniors and I will take a trip to Pittsburg Pennsylvania to board the Great Clipper River Boat. After the two ½ hour lunch cruise we will spend the remainder of the afternoon and evening at the 3 Rivers Casino. Arriving back home with all of our winnings around 11:00 p.m.
