Kathy Catazaro-Perry, Mayor

Massillon

City of Champions

Wednesday, October 8, 2014

The Honorable Mayor Kathy M. Catazaro-Perry
City of Massillon
Municipal Government Administration Building
151 Lincoln Way East
Massillon, Ohio 44646

Reference: Monthly Report for the Civil Service Commission and the Equal Employment Opportunity Office

Dear Mayor Catazaro-Perry:

I continue to assist the Director of Public Safety – Service in the search for a Chief Custodian and Electrician III (both supervisory positions).

I also continue to assist the Director of Public Safety – Service with researching minority hiring and recruiting practices.

I have updated the Equal Employment Opportunity Posters required by the state and federal government.

Sincerely,

Jon C. Roethlisberger

Jon C. Roethlisberger
Public Administration Consultant

Memorandum

To: Mayor Kathy Catazaro-Perry 
From: Larry Marcus – Community Development Director
Date: 10/15/2014
Re: Monthly Report – September, 2014

1. Office just received funding for the new FY 2014 CDBG Program Year, started 7/1/2014, and is completing reporting to HUD of results for past FY 2013 period, ended 6/30/2014. Massillon funding from CDBG moved from \$607,065 FY 2013 to \$611,400 FY 2014. We are one of only seven Ohio cities to receive a small increase for this year out of the thirty five CDBG cities.
2. The Housing Department continued to implement emergency home repair projects on three homes during the month using CDBG funding as well as specific projects for other housing repairs. The Housing Department administers rehabilitation projects utilizing HOME Consortium monies with Stark County Regional Planning. The Housing department received 30 calls on various issues including trailer park communities, rental housing for disabled and support dog issues. And the department is having a good year for first time homebuyers and financing assistance.
3. Code Enforcement staff conducted 44 site inspections - up above the prior year for the third consecutive month. All but six inspections were in HUD targeted areas. Most of these inspections are for property maintenance needs. Staff has also been working hard along with the law director to pursue the owners of multi-unit properties to register their property with the City. Staff worked hard during month to address code and property issues on buildings downtown.
4. Completed Hampton Inn owners refinancing with a private bank to address repayment of HUD bonds issued 14 years ago. These proceeds were placed in a bond reserve account to be paid to bond holders semiannually over the remaining five years. The City of Massillon still remains liable on this bond and must make much small payments from annual allocations of federal CDBG funds. The City's payments on the Hampton Inn are much reduced from prior years.
5. Department worked through economic development grants for Matt Heck/Sangria Stand, Jamie Anania/Sugar Mama's Sweet Shop and PSC Metals to help promote economic development and downtown growth. Counseled other prospective grant applicants.
6. Participated in area hunger awareness and work event with Mayor at the Akron Canton Food-bank complex in Akron.
7. Administered a Site Plan review of drawings, development plans and a variance for University Drive property owned by Lemmon and Lemmon as part of opening of one story, 96 unit memory care facility with significant new jobs and payroll. Project also received Planning Commission approval.

8. Attended Stark Regional Planning Commission monthly meeting on behalf of City of Massillon.
9. Completed a CIC meeting including a walking tour of downtown Cleveland street-scape projects with design/architect professional that has been counseling Massillon on future streetscape development considerations and options.
10. Worked with two downtown properties to help communicate and insure compliance with sign approvals from the Historical Preservation Commission.
11. Met with six companies over several meetings seeking specific sites within the City of Massillon for relocation and to bring job creation and investment. Included trip to PSC Metals leadership in Cleveland to campaign for their investment in Massillon versus their alternative sites. Counsel on benefits and incentives in Massillon.
12. Met with City of Alliance community development director to develop more peer interaction and sharing on CDBG issues, reporting and our joint housing Consortium at the Stark County Regional Planning.

Larry Marcus, Community Development Director

From: Beverly A. Lewis, Housing Director, Massillon City

Date: Monthly Report September , 2014

=====

ACTIVITY REPORT:

- **Fair Housing Calls for the Month:** - The number of calls received are 30 for the month of September. I am still concerned about the lack of assistance provided to our Trailer Parks. We also have a lack of services that can assist those who are disabled and come to the end of their lease. We are finding that the landlord's desire to quit, causing the disabled persons many problems in re-locating. Time, place, and conditions are super factors when these persons need to find a new home. Service animals also are used as obstacles when disabled people are looking for a new residence. Some landlords are telling them that they will not take animals, especially large dogs (many of these service animals are large) no matter what the law says. They are in direct violation of Fair Housing Laws that provide security for these persons. Even though charges can be brought against these landlords, the disabled person often does not want to follow through because of the retaliation that can happen against them.
- **Housing Rehabilitation Projects:** The Housing Rehab is ongoing. We have one that just finished and two that are in various stages of production.
- **Emergency Rehabilitation Projects:** We are forward moving with our Emergency roof, furnace, and misc. assistance to homeowners. We have been able to put in one furnace and we have four roofs pending. We also provided electrical repair to one of our homeowners who is unable to get out of the house and has multiple conditions that she is dealing with, including having to use oxygen daily.
- **First-time Homebuyers Assistance:** This program is operating at full capacity. Three of our first-time homebuyers are receiving the RRS part of the program now that their names are on the deed as the homeowner. This addresses the minimum code items that need fixing in their new residence; which our Home program provides up to \$5,000.00.

Miscellaneous: My concern for our homeowners who are in need of roofs is that many of them are in large homes with large sometimes two or three roofs for repair. Bids come back that are way over our limit of \$7,000.00 for a new roof. We then are unable to provide them the assistant needed. I do exhaust trying to eliminate some of the expense if they have someone who can assist them prior to our assessment.

Again thank you for the opportunity to serve.

Beverly A. Lewis

Kathy Catazaro-Perry, Mayor
Massillon
City of Champions

Thomas M. Burgasser, Fire Chief
Fire Department | 233 Erie Street South, Massillon, OH 44646 | 330.833.1053

Monday, October 20, 2014

Mayor Catazaro-Perry
Municipal Government Center Annex
151 Lincoln Way East
Massillon, Ohio 44646

Dear Mayor:

Attached is the monthly report for the Massillon Fire Department for September, 2014.

The department responded to a total of 446 alarms during the month. This averages to 12.2 alarms per day. There were 82 fire alarm and public service calls and 364 rescue and EMS calls. There were no fire-related injuries for the month.

On the 2nd of the month, I attended the City of Massillon Disabilities Commission meeting.

On the 3rd of the month, I attended a meeting with county SCOG officials regarding the potential for Hazardous Materials Team funding.

On the 4th of the month, I attended the monthly L.O.G.I.C. Board meeting.

On the 4th of the month, I attended the monthly IMAT meeting.

On the 11th of the month, the fire department observed Patriot Day to honor those who perished during the terrorist attacks 13 years ago.

On the 17th of the month, I attended the EMS Liaison/ Hospital Official breakfast at Affinity Medical Center.

On the 18th of the month, I attended the FDEA (Fire Prevention) meeting which focused on the topic of hot air balloon tragedies.

Kathy Catazaro-Perry, Mayor

Massillon

City of Champions

Thomas M. Burgasser, Fire Chief

Fire Department | 233 Erie Street South, Massillon, OH 44646 | 330.833.1053

Monday, October 20, 2014

On the 23rd of the month, I attended a meeting to discuss FMLA issues with federal officials.

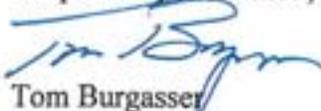

seminar designing a task force to combat Infant Mortality within Stark County. The State of Ohio ranks 48 in the nation with respect to infant mortality and Stark County ranks in the bottom 5 within the State of Ohio.

On the 25th of the month, I attended an Executive Committee meeting of the LOGIC Board. I also attended an LEPC Executive Committee meeting..

September 11th invokes many memories to many people. The fire department has received many gifts (cookies, cakes, etc) because people feel the need to thank us for our service. We very much appreciate those gestures, and especially the kind thoughts that accompany them.

The Fire Department is gearing up toward Fire Prevention month as it continues to make its way through city schools conducting the Fire Pup program. In recognition of Breast Cancer Awareness month (also October), the Fire Department will change its uniform policy to have all members wear pink shirts.

Respectfully submitted,

Tom Burgasser
Fire Chief

DATE: October 15, 2014

SUBJECT: Engineering Department Monthly Report for September 2014

BRIDGES

Harsh Avenue SE Box Culvert Replacement – The survey work is 100% completed and once final design is completed a funding source will be sought to complete this project.

17th Street NE Bridge – Currently in the planning stages of analysis to replace this structure. The survey work is 100% completed. Design 78 % completed. Currently locating right-of-way and property. Funding for this project has been approved from ODOT's Ohio Bridge Partnership. This will be a design/build project that will be administered by ODOT. It is anticipated to be constructed in the Spring of 2015.

Bridge Inspection Program – 2013 Bridge Inspections have been completed. Submitted report to ODOT.

SANITARY SEWERS

State Avenue Sewer Rehab - Beginning survey and preliminary design work on replacing a portion of the sanitary sewer. The design of Phase 1 and Phase 2 is 90% completed. Will be seeking funding sources to construct this project.

Southway Sanitary Sewer Project – Project will extend sanitary sewer service along Southway Street to replace failing septic systems. Completed acquiring survey data. The project is currently in the design phase.

Genshaft Park Sanitary Sewer Relocation – Project will relocate approximately 770 L.F. of 18" sanitary sewer that runs through Genshaft Park and is currently in poor condition. Finalizing the design and preparing Permit to Install (PTI) forms for approval to the Ohio EPA. Joseph A. Jeffries Co. is apparent low bidder. Expect to start week of August 11th. Project started August 20, 2014, work is 75% completed. Return back to site October 6, 2014 to tie in to existing sewer on Nave.

Sanitary Manhole Maintenance Project – Will repair and/or replace 26 manhole bottoms, lids, etc. in October of 2014.

STORM SEWERS

2014 Summer Catch Basin Replacement Project – This project will replace another 18 catch basins on various City streets with new precast concrete basins and iron grates. Began work on August 5, 2014, and will be completed in October.

2014 Fall Catch Basin Replacement Project – This will replace another 15 catch basins in City neighborhoods. Pricing due back October 10, 2014.

WASTEWATER TREATMENT PLANT

WWTP Upgrade Project – Current project scope is to upgrade the existing WWTP average daily flow from 15.8 MGD to 17.0 MGD; modify existing aeration tanks, primary and secondary clarifiers, and sludge pumping to enable biological nutrient removal; replace and upgrade tertiary filter capacity; modify sludge conditioning and digestion facilities; modify and upgrade electrical and instrumentation systems. Applied to the Ohio Water Pollution Control Loan Fund (WPCLF) for project funding. CTI Engineers Inc. and Obrien & Gere have begun the engineering design services for the project.

2014 WWTP Digester Sludge Hauling & Disposal – Preparing bids and advertisement. Bid opening was June 26th. Burch Hydro was the apparent low bidder and was awarded the contract. Project currently under construction.

STREETS

9th Street SW Storm Sewer Improvement Project– Project is currently under design and will seek to replace the existing roadway and storm water conveyance system with new full depth pavement and storm sewer system. Currently the project cost estimate is \$1,671,320.00 and OPWC has approved funding for 2014 along with a \$200,000 grant from ODOT. The project bid opening was July 2nd. Superior Paving was the apparent low bidder and was awarded the contract. Expected start date is August 11, 2014. Project started August 5, 2014, 40% of storm sewer work completed, waiting on Dominion to relocate gas lines. 90% of storm sewer completed, started curb.

STREETS (Continued)

Main Avenue Resurfacing - SCATS has approved to apply the funding for this project to the Tremont Avenue SW project. Alternative funding sources will be sought to complete this project, with project cost estimate currently being \$500,820.00. Applied to SCATS for funding FY 2016.

Hankins Road Improvement Project – Currently beginning the survey work and preliminary design. Project will seek to install curb & gutter and storm sewer and improve sight distance of the roadway. Limits of the project are from 17th Street NE to Wales Road NE (SR241). Survey work is completed. OPWC has approved funding in 2014. The project was bid July 2nd. S.E.T. Inc. was the apparent low bidder and was awarded the contract. Expected start date is August 11, 2014. Project started installing drainage system east end of project.

Richville/Southway Intersection Widening – Preparing estimate and survey. Plans 60% completed. Seek to construct in the Spring of 2015.

SUBDIVISIONS

Centennial Village – Preliminary plat and rezoning approved by Planning Commission February 13, 2002. Revised preliminary approved May 8, 2002. Plans approved. Final plat approved by Planning Commission and Council. Plat recorded. Site work began week of September 23, 2002. Sanitary completed and tested. Roadway installed week of May 5, 2003. Easements relocated. Street signs installed. Bond transferred to Roseman Construction. Punch list items to be completed.

Cherry Springs Condominiums – Planning Commission April 12, 2006. Council May 1, 2006. Plat recorded, earthwork began week of October 9, 2006. Sanitary sewer installation began week of December 18, 2006. Sanitary completed; testing started February 21, 2007. Entire property sold at bank auction in September 2012.

Country View Meadows – Preliminary plat approved by Planning Commission August 8, 2012. Developer is working on Engineer's drawings and survey plans. Phase 1 plat approved by Planning Commission in October 2013. The plat has been approved by City Council and recorded with Stark County. The construction plans have been approved by the City Engineer. Clearing and grading began on April 21, 2014. Underground utility work 75% completed. Grading and drainage completed. Curb and pavement installed.

Concord Village Allotment – Preliminary plat approved by Planning Commission March 9, 2005. Plans submitted and approved. Final plat to Planning Commission September 13, 2006. Approved by Council October 16, 2006. Plat recorded, construction began the week of March 26th, 2007. Paving completed week of June 25, 2007. Homes are currently being constructed. Working on completing punch list items.

Forest Hills No. 3 – Plat recorded, plans re-approved. Construction began July 2004. Curb installed week of August 23, 2004. Asphalt installed, as-builts received. Punch list items completed. Awaiting installation of the street lights and monumentation.

Gray Ridge Estates Phase I – Preliminary plat submitted to Planning Commission March 9, 2005. Final plat approved by Planning Commission and Council February 2006. Earthwork began week of July 31, 2006. Pre-construction meeting August 21, 2006. Sanitary sewer installation and testing complete. Utility construction 75% completed. Sanitary trunk sewer extension completed. Homes are currently being constructed. Curb and pavement installed week of May 14, 2007. Seeding/grading and punch list items to be completed. Reconstruction of 27th Street SE completed. Entire development sold at auction in summer 2011. Ryan Homes has resumed housing construction in Spring 2013. Street lighting has been installed, monuments installed, working on final punch list items.

Sippo Reserves Allotment Phase I – Preliminary plat approved by Planning Commission December 8, 2004. Plans submitted and under review. Plans approved. Earthwork began week of August 22. Sanitary sewer installation began week of September 19th. Final plat approved by Planning Commission July 13, 2005, Council September 6, 2005. Underground utilities completed. Curb installed week of April 17, 2006. Asphalt completed, sewer testing completed. Homes being built.

Sippo Reserves Allotment Phase II – Plat approved by Planning Commission and Council. Utility and roadway construction began in August 2010. Underground utilities are installed, curb installed September 7, 2010. Paving completed November 3, 2010. Project has been transferred to a new developer, who will be completing any remaining items. Street lighting installed August 25, 2014.

Westbrook Estates Phase III - Plans sent in December 2005 and under review. Revised plans sent April 27, 2006. Plat submitted May 30, 2006, approved by Planning Commission June 14, 2006. Approved by Council. Grading work 90% completed. Utility work began the week of April 16th, 2007. Utilities 90% completed, curb and roadway installed week of November 3, 2008. Plat recorded March 25, 2009. Underground electric and telephone lines have been installed, homes being built. Working on punch list items.

SUBDIVISIONS (Continued)

Woodland Creek – Preliminary plat approved. Plans approved by City and by EPA. Plat for condo phase recorded at County, and condominiums are completed.

NeoCom Industrial Park Phase 7 – Utility work for roadway extension (Millennium) and Baker-Hughes site began week of March 18, 2013. Dedication plat for roadway has been approved by Planning Commission and Council, and has been recorded at the County. Utility work and roadway 90% completed. Curb and base roadway installed the week of June 24, 2013. Project is 95% complete. Need to install street lighting and misc. punch list items.

MISCELLANEOUS

Storm Water Management Plan – Currently compiling data to prepare our 2014 Annual Report for submission to Ohio EPA.

Storm Water Mapping – Updating on a continuing basis.

Subdivision Mapping - 50% completed PS drawing/SD drawings. Editing to include subdivision information: replats, vacations, dedications.

Sanitary Sewer Mapping – 96% completed. Permits and GIS are being added to the database and are 22% complete. Editing files to include pipe length and slope/material. Currently researching all septic locations within the City. Adding elevations to database and modeling for flow; adding elevation data.

GIS – Completed, transferring items to ESRI. Setting hyperlinks. Modifying display and addressing and permits, maps. Continuing to update. Adding traffic signals, signs inventory, elevation work for flow on sanitary, sanitary septic areas, misc. repairs. Updating and transferring to new server.

Web Site - The Engineering Department web site has been completed and will be updated on an ongoing basis. Analyzing and updating current maps.

Outfall Inventory – Creating mapping and database including data entry of existing outfalls as required by the City issued OEPA Storm Water Permit. This is an ongoing process throughout the year.

Levee Infrastructure Repair – Awaiting the final report from the Army Corps of Engineers that will detail the extent of the project. Survey 100% completed; reviewing different options of repairs; preparing construction plans which are 99% completed. Currently meeting with different governmental agencies to acquire funding. Submitted funding application package to the Muskingum Watershed Conservancy District with current project cost estimate being \$1,620,000.00. Applied to OPWC and MWCD for funding in 2013. Received funding through OPWC for the project that will be bid in June of 2013. Wenger Excavating is the apparent low bidder; currently awaiting construction schedule and reviewing shop drawings. Expect to begin construction the week of November 11th. Construction started the week of December 16th. 85% storm work completed. 100% of sanitary work completed, waiting on video inspection.

Salt Storage Structure – Project to be bid in September 2014.

Meetings

The nurses attended a conference at Akron Children's Medical Center regarding Waiver Programs available in Ohio.

Miscellaneous

A Kent state nursing student interviewed nurse Hagi regarding responsibilities of Public Health Nurses.

Attended the 1st Senior Expo. Nursing staff checked blood pressures and provided literature related to heart disease, diabetes, and hypertension.

Diana Martin, RN, BSN
Director of Nursing

CITY OF MASSILLON

INTERNAL CORRESPONDENCE

TO: Kathy Catazaro-Perry, Mayor
FROM: Kenneth Koher, Income Tax Administrator
SUBJECT: Income Tax Department Monthly Report – September 2014
DATE: October 3, 2014

.....
Total tax revenue received for September 2014 was \$1,298,305.68, up by \$188,452.78, or 17.0%, over last year's September total of \$1,109,852.90. *Withholding* tax payments from employers were up \$27,292; *Business Net Profit* income tax was up \$177,961; and *Individuals* estimated tax payments were down \$16,800.

Year-to-date ("Y-T-D") tax receipts of \$12,427,969.36 compares favorably against last year's \$11,918,232.53, equating to an increase of 4.3%, or \$509,736.83 more. Last year's September Y-T-D increase over 2012's was \$811,723.19. Overall, this represents an increase of \$1.3 million, or an average of \$146,829 per month, when combined with this year's increase and measured against September 2012 Y-T-D tax revenue.

Payroll tax withheld by Massillon employers remains strong. The continued rise in the average monthly *Withheld Income Tax* payroll deductions paid to the City is as follows:

- 2012 - for twelve months ending December 31, 2012 = \$ 884,640 per month
- 2013 - for twelve months ending December 31, 2013 = \$ 956,130 per month
- 2014 - for the nine months ending Sept. 30, 2014 = \$ 995,663 per month

Income tax revenue on a last-twelve-months ("LTM") moving average basis remains above 2014's target of \$1,253,133. September's LTM average is \$1,328,632, which also compares favorably to last September's LTM average of \$1,265,159, representing a \$63,473 improvement per month, which translates into a 5.0% increase.

Attached please find the following:

- Income Tax Revenue on an L-T-M Moving Average Basis Chart
- Month by Month Tax Allocation Report

Kenneth Koher, Tax Administrator

**MONTHLY REPORT – September 2014**

Please accept the following monthly report from the Parks, Recreation, Golf Course, and Senior Center Divisions.

RECREATION CENTER OPERATIONS

Membership purchases for September were at 198. Total membership purchases for 2014 are at 4,148. The number of member visits to the recreation center for September was 10,826 bringing the year to date member visits to 136,563. Fall programming is under way and we are starting to get our cooler weather visits. Staff is continuing to look for ways to help bring in new programming opportunities to help increase revenue for the department. JO volleyball will be starting soon, we have begun the process of getting our facility and staff ready for this program.

PARK MAINTENANCE

Crews continue regular mowing and string trimming throughout the parks. Crews will start working on the mulching of leaves in the near future. We are going to work on getting a couple of more crew members trained on the equipment to better keep up on this task. Crews have been working on graffiti removal at a couple of parks that have been tagged pretty hard in recent weeks.

Listed below are highlights of monthly meetings/special events that I participated in during the month of September.

- City Council Meetings – September 2nd and 15th
- Council Work Sessions – September 8th and 29th
- Recreation Staff Meeting – 2
- Department Head Meetings – 2

Respectfully Submitted,

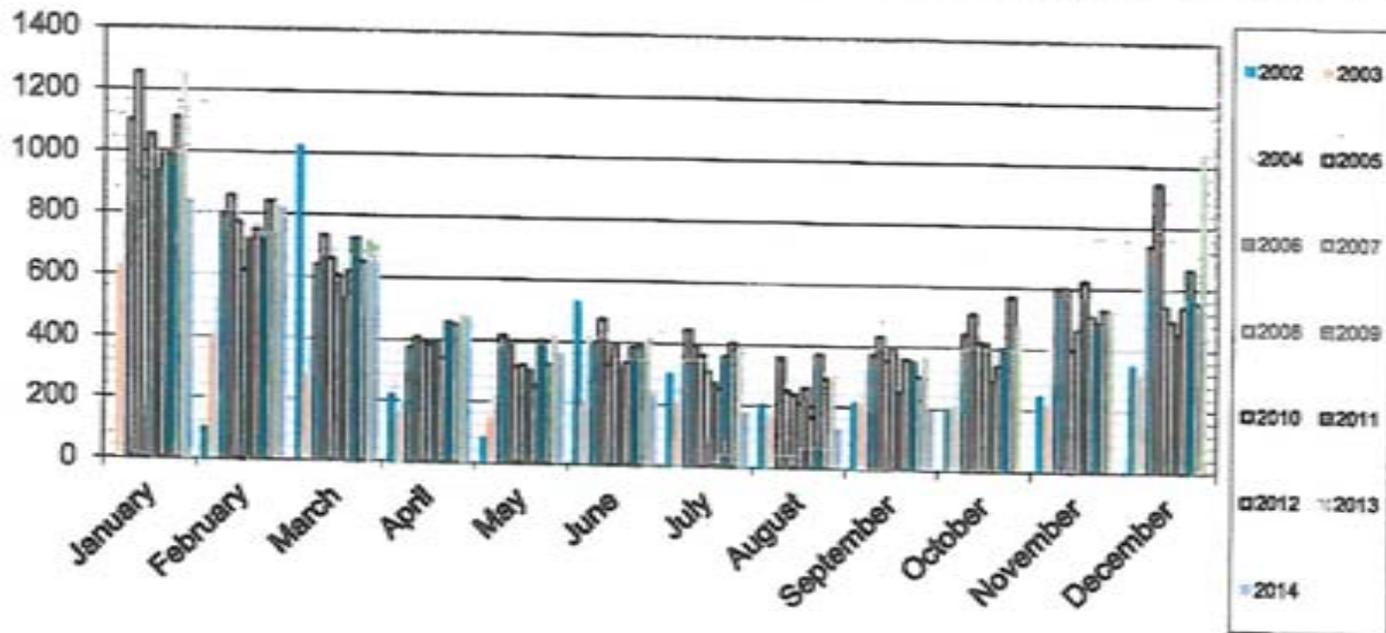

Douglas Nist

Director of Parks and Recreation

Prepared: October 6, 2014

Massillon Parks and Recreation Board Meeting Thursday, October 9, 2014

Massillon Senior Center Report - Submitted by, Caroline Ferrel

On Monday October 6th 47 member of the Senior Center traveled to Pittsburgh, PA. for an afternoon river boat cruise/ luncheon. The 2 ½ hour cruise was aboard the Gateway Clipper. A stop at the Rivers Casino was fun for all before heading home.

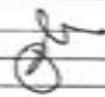

On Wednesday, October 8th the Activity club held their monthly meeting. A guest speaker talked to the group about hip and knee replacements, followed by Ed Lewis and 2 City Council members who informed and educated the seniors on the up - coming tax levy.

On Friday, October 10th 14 seniors will take a van trip with me to Carroll County. We will attend the Algonquin Mill Fall Festival. A step back in time will be the theme of the day as we walk through the saw mill, old school house, barn and log cabin home. We will be leaving at 9:30 am and returning by 2:00 pm.

On Thursday, October 23rd the Activity Club officers and I will host our annual "Volunteer Banquet". Members of the Center who have contributed 25 hours or more throughout the year will be invited to a luncheon. This year 78 invitations have been mailed out. The theme is "Volunteers are the key to our Success"

2015 memberships are now available to purchase and a membership drive and dinner is planned for November.

TRAFFIC ACTIVITY REPORT

MONTH OF SEPTEMBER 2014

TO: Chief Keith T. Moser
FROM: Patrolman Jeffrey A. Crawford
DATE: October 2, 2014

In September of 2014, the Massillon Police Department issued a total of 119 traffic citations, 100 less traffic citations than were issued during the same time period last year. The Massillon Police Department made 4 arrests for OVI, 9 less than were made in September of 2013. Radar Citations for the month totaled 20, this was 64 less than last year during the same time period.

The Massillon Police Department handled a total of 81 traffic accidents during September. That was 8 less accidents than occurred last year during the same time period. There were 40 property damage accidents, 12 injury accidents, there were 29 accidents that occurred on private property. Of the above accidents there were 19 hit skip accidents, and there were 2 accidents that occurred as a direct result of alcohol and/or drugs. There was 1 bicycle accident during the month. There was 1 pedestrian and no motorcycle accidents during the month. The Massillon Police Department investigated 9 accidents involving juveniles resulting in 1 reported injury. There were no fatal accidents.

In September of 2014 there were 49 motor vehicles towed by the Massillon Police Department. This was 9 less than were towed in September 2013. Of the above tows, 29 vehicles were towed from traffic accidents, 8 for traffic offenses of some type, 7 as a direct result of an arrest, and 3 for parking violations. There were 2 stolen/recovered vehicles and no misc. tows.

During the month of September 2014 the traffic officer mailed 21 certified letters in regards to junk and/or abandoned motor vehicles. The traffic officer made 11 title searches to the State of Ohio, Bureau of Motor Vehicles. During September 2014 the traffic officer was able to junk or title 15 motor vehicles. Also during the month of September, the traffic officer issued or acted upon 27 notices (48/72 hour and/or 10/20 day notices) and issued 4 parking citations. The traffic officer further sent numerous 2255's and driver's licenses to the state. The traffic officer logged and filed several license plates, and kept track of the motor vehicles awaiting court order for immobilization, confiscation or return to the owners.

As of the last day of September 2014 there were 12 motor vehicles sitting upon the impound lots of Reed's and Patriot Towing Services. Of the 12 vehicles, several are waiting for court order to dispose of them.

Following is a breakdown of the individual tows, accidents, citations and OVI arrest for the month of September 2014.
